Rationale for Proposed Boundary Changes: The Kelly Miller MS boundary is made up of the proposed boundaries of the elementary schools designated to feed geographically into Kelly Miller.

Proposed Geographic Destination Feeder Schools (Feeder Pathway): Anyone living in the proposed new boundaries for Houston ES, Aiton ES, Burrville ES, Drew ES, Smothers ES, or Thomas ES is zoned for and has a right to attend Kelly Miller MS and Woodson HS. Any student attending a feeder elementary school out-of-boundary has the right to continue in the feeder pattern to Kelly Miller. Proposed feeder pattern changes were made to better align school building capacity with population and with feeder pattern participation rates and to support racial/ethnic and socio-economic diversity, where possible.

Proposed Programmatic Destination School (Feeder Pathway): No programmatic feeder pattern proposed.
