

# DCPS STAKEHOLDER SURVEYS 2011

## DUNBAR PRE-ENGINEERING

Address: 1301 New Jersey Ave. NW Washington, DC 20001

Grade Levels: 9-12

Cluster: 10

Ward: 5

### Letter from your Chancellor...

Dear Parents, Educators, Students, and  
Community Members,

Thank you for your participation and  
interest in the 2011 Stakeholder  
Surveys. In May and June 2011, we  
surveyed students in grades 5-12,  
parents, and school staff about their  
satisfaction with our schools and the  
district. I am pleased to share with you  
this summary of the feedback we  
received.

We hope this report will serve as a tool  
for principals and staff to engage their  
school community, and better  
understand what is working well and  
what needs improvement. It is only  
with honest feedback from those of  
you who know our schools best that  
we can work effectively to make all of  
our schools excellent places to learn  
and work.

Sincerely,

Kaya Henderson,  
Chancellor

### About this report...

This report begins with an overview of  
your school's survey results, focusing  
on important satisfaction questions  
that were asked of more than one  
respondent group.

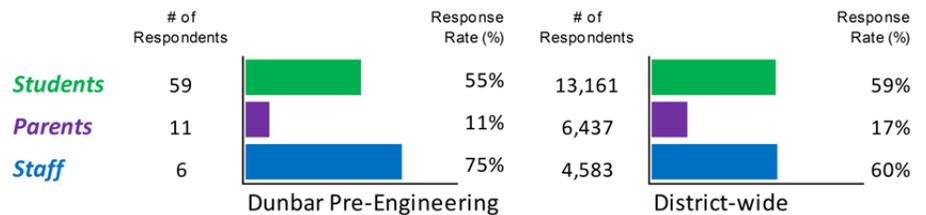

Next, there is a summary page for each  
respondent group. The summary of  
student responses is shown first,  
followed by the parent responses, and  
then the staff responses. Staff refers  
to teachers, administrators, and other  
school-based staff.

The three summary pages highlight key  
questions and are arranged under four  
categories from the DCPS Effective  
Schools Framework:

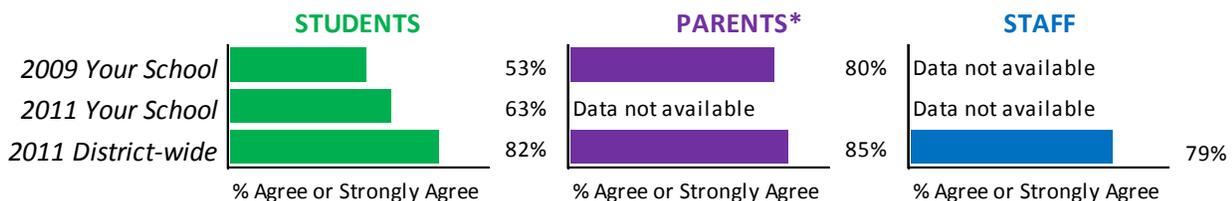

- ➔ **Teaching and Learning:** Does the school emphasize instruction and hold students to high expectations for achievement?
- ➔ **Resources:** Does the school have adequate resources for learning, and is it kept in good condition?
- ➔ **Family and Community Engagement:** Does the school invest in families and community members to support students?
- ➔ **Safe and Effective Learning Environment:** Do the school's policies, procedures, and practices support a safe environment that fosters mutual respect, high expectations, and a focus on teaching and learning?

For more information on the DCPS Stakeholder Surveys and to access the responses to all questions for this school, please visit [www.dcps.dc.gov/survey](http://www.dcps.dc.gov/survey).

### Who took the survey?

### My/this school is on the right track for student achievement.

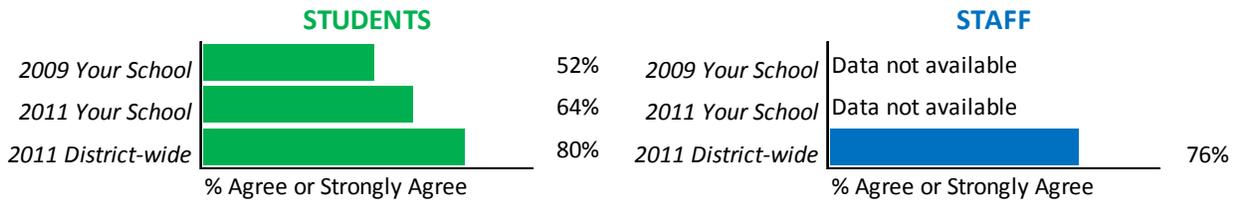

\* 2011 district-wide parent data on pages 1 and 2 of this report are based on the responses of a representative sample of DCPS parents who were selected to complete the survey over the phone (n=687). # OVERVIEW OF DUNBAR PRE-ENGINEERING'S SURVEY RESULTS

## *I am strongly supported within my school.*

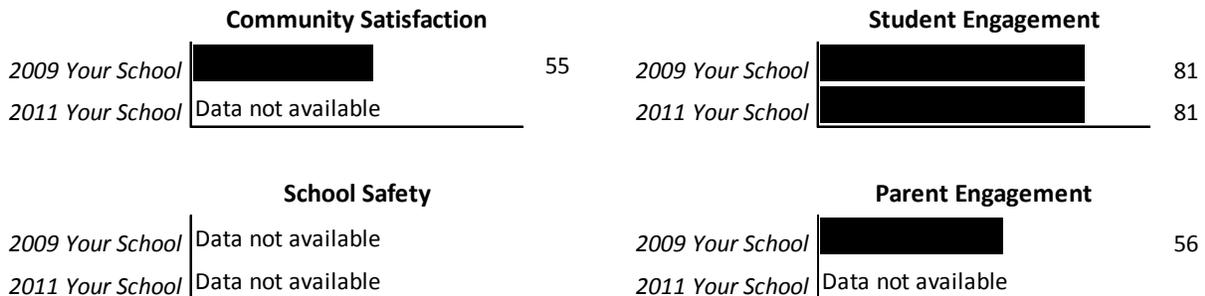

## *Would you recommend that a friend send his or her child to this school?*

## *Survey Scales for Dunbar Pre-Engineering's Scorecard*

Four scores on each school's DCPS Scorecard will be derived from responses to the Stakeholder Surveys. These four scores range from 0 to 100 and are presented here. **Community Satisfaction** shows how satisfied students, parents, and staff were with the school; **Student Engagement** shows how interested students were in their courses and how connected they felt to their school; **School Safety** shows how safe students, parents, and staff felt in and around the school; **Parent Engagement** shows how well parents felt that this school engaged them.
