

## GOAL 2

# INVEST IN STRUGGLING SCHOOLS

Our purpose is to ensure that every DCPS school provides a world class education that prepares ALL of our students, regardless of background or circumstance, for success in college, career, and life. One way DCPS will achieve better schools for ALL students is to invest in our struggling schools. We commit that our **40 lowest-performing schools** will **increase proficiency rates by 40%** points by 2016-2017. We are DCPS and we can do this!
