

# Summer School Afternoon Program at Tyler ES

A partner organization will offer afternoon programming at Tyler ES this summer, from 1:00 to 5:30 pm. The program is free of charge and will provide enrichment for students participating in summer school.

**Students have to be enrolled in summer school before enrolling in this afternoon program.**

- **The Learning Tree:** Students will be exposed to a summer of science and fun. The program's participants will learn about environmental and life science, will train like an astronaut through the NASA fitness program, will participate in hands-on engineering projects, museum studies at the Smithsonian, sewing and crafts, performing and visual arts, organized sports, fishing and swimming, and STEM enrichment field trips.
- The Learning Tree will serve a maximum of **150 students in grades K-5.**

---

**Dates:** June 29 to July 31, 2015

**Time:** 1:00-5:30 pm (Following the DCPS Summer School Program)

---

**Registration is on a first-come-first-served basis.  
Parents should enroll their children directly with the organization:**

**The Learning Tree**
