		Broccoli		Red Pears (Sliced for ECE)		
28	29	30				
		Radish Slices				

### Produce Highlight:

This month students will get to try dragon fruit. It is also known as a pitaya. The name comes from the Latin American Spanish word "pitahaya". In some regions, dragon fruit is referred to as "strawberry pear" due to its look and taste.

Items marked in green are locally sourced.

All vegetables served with low-fat dip. Produce marked in green is locally-sourced. Menu is subject to availability.
