Overview

Dear Parent or Guardian,

This guide is to help you use the letter you received for an independent educational evaluation (IEE) or independent education services from the District of Columbia Public Schools (DCPS). This is called an authorization letter. The time, amount of services, and highest cost of any services allowed are listed in the letter(s) given to you with this guide.

This guide includes steps for getting the services listed in your letter. It includes a list of types of evaluations, types of independent services, and possible vendors to contact. This guide also includes directions for vendors on how to be paid. The service(s) approved in your authorization letter will be paid by DCPS at no cost to you. Any vendor(s)[1] picked by you will submit bills and other information to DCPS for payment. Send this guide to the vendor(s) you choose.

You are not required to use any vendor in this guide. This guide is to help you look for a vendor. You may choose any vendor even if they are not listed in this guide, as long as they: (1) don't work for the Government of the District of Columbia, (2) are licensed to provide the service, and (3) agree to be paid the price set by DCPS and to follow the instructions below. You can also change vendors if you are unhappy with their services.

If you have concerns or need help in this process, you may contact the DCPS contact listed on your authorization letter. If a vendor or provider[2] has a question, they should email **comped.dcps@k12.dc.gov**.

Regards,

Regina Grimmett
Senior Deputy Chief, Specialized Instruction

[1] An individual who delivers the service.

[2] The company that sends the provider to work with your child. In some cases, the provider and vendor may be the same person or organization.

Independent Educational Evaluation (IEE) Guidance for Families

What is an Independent Educational Evaluation (IEE)?

What is an Independent Educational Evaluation (IEE)?

An Independent Educational Evaluation (IEE) is a report paid for at public expense but done by someone who does not work for the district (DCPS). An IEE should meet the same standards that are required for a school evaluation. For example, the credentials of the evaluator must be similar to the school's evaluator. The report quality is not guaranteed. Please note that the district is not responsible for IEEs or any harm caused by the IEE provider.

If you have questions about IEEs, contact the Resolution team at: dcps.resolution@k12.dc.gov.

How do I use my IEE authorization letter?
The steps below outline how to use the IEE(s) allowed for your student. Please review all steps before calling a provider. You may reach out to the DCPS Resolution team at: dcps.resolution@k12.dc.gov with any questions.

Step 1 – Review the type of evaluation(s) and covered cost(s)

The authorization letter you received shows the type of evaluation(s) that have been approved and the total that DCPS will pay for the evaluation(s). Choose someone qualified who does not charge more than the highest approved cost to perform the evaluation.

DCPS's highest approved rates are HERE. Before starting any evaluations, check that the provider accepts these rates and agrees to bill DCPS directly. Reach out to the DCPS Resolution team directly at: **dcps.resolution@k12.dc.gov**, if there is a reason an evaluator cannot bill DCPS directly, and with any questions.

In some cases, a provider may want to charge an hourly rate or total cost higher than what is approved. The parent/guardian/adult student must immediately contact the DCPS Resolution Team at: dcps.resolution@k12.dc.gov, to report this information and to explain the higher cost, so that DCPS may review the request.

Step 2 – Select a Vendor

After you review the type(s) of evaluation recommended for your student, select a vendor. APPENDIX A includes a list of potential vendors in the DC area. **You are not required to select anyone from this list. This list is only meant to help you with your search.** You may select any vendor who meets all three conditions listed below:

1. The vendor has providers who are qualified to do the work. See HERE for requirements.
2. The vendor accepts the rate included in your authorization letter.
3. The vendor has providers who are not DC Government employees.

Consider the following when choosing a vendor:

- **Ability**: Is the assigned provider licensed to do the evaluation?
- **Location:** Is the address accessible to you and the student?
- **Convenience:** Can you and the student attend any of the vendor's available testing dates?
- **Approval:** Will the vendor bill DCPS at the rate shown on your authorization letter?

Step 3—Schedule the evaluation(s)

After choosing a vendor, schedule the evaluation(s). When scheduling, be sure to:

- Explain that you have an authorization letter from DCPS for an IEE.
- Send the vendor a copy of the letter and this guide. (The vendor will need the letter to be paid. Billing information for vendors is HERE).
- Confirm the evaluation the provider will do.
- Double check the location, date, and time of the evaluation.
- Inform your student's school of the evaluation date and when the provider will send you the results.

NOTE: Testing for IEEs cannot occur on DCPS school property or during the regular DCPS school day. The same limits apply to independent services.

Step 4 – Attend the evaluation(s)

Be sure to arrive on time for your scheduled evaluation. Your assigned provider will meet with you and your student. Many evaluations take a full day to complete. The provider may test the student and interview you and the student. Your assigned provider may also ask you to do some of this virtually.

Step 5 – Review the evaluation with your student's school.

The provider must send a completed and signed report to you, the DCPS contact(s) on your authorization letter, and the special education point of contact at the student's school. If you are not sure who needs the report, contact your school's special education point of contact. Once the school receives the report, they will send you dates to meet with you to talk about the report and next steps.

Independent Education Services Guidance for Families

What are independent education services?

Independent education services are educational services paid for at public expense but done by a provider who does not work for DC Government (this includes DCPS employees). These services are provided to students after the school day. The authorization letter you received includes the type of service, maximum total number of service hours, maximum cost per hour for services, and maximum total cost for services that DCPS has agreed to pay. DCPS will not pay the provider for cancellations or no-shows. DCPS will also not repay (reimburse) parents/guardians/adult students for services, evaluations, or other fees charged by a provider if the parent/guardian/adult student directly pays the provider.

Types of independent education services and provider requirements

There are many types of independent education services. Providers must be qualified to provide the services. The chart below shows the requirements for DC providers. The authorization letter received by the parent/guardian/adult student includes the type of service, maximum total number of service hours, maximum cost per hour for services, and maximum total cost for services that DCPS has agreed to pay. If the service your student is authorized to receive is not on the list below, speak to the DCPS contact on your authorization letter before services start to make sure that the provider meets the requirement.

Service Type	CREDENTIAL REQUIREMENT
Adapted Physical Education	Provider's Current Resume + Teaching Certification with a Health & Physical Ed / K-12 grade level endorsement
Applied Behavioral Analysis	Provider's current resume Current certification from the Behavior Analysis Certification Board
Behavior Support Services	Provider's Current Resume + DC Department of Health Psychology License, DC Department of Health Social Work License, OR DC Department of Health Professional Counseling License
Counseling	Provider's Current Resume + DC Department of Health Professional Counseling License, DC Department of Health Social Work License, OR DC Department of Health Psychology License
Mentoring	Provider's Current Resume
Occupational Therapy	Provider's Current Resume + DC Department of Health Occupational Therapy License
Physical Therapy	Provider's Current Resume + DC Department of Health Physical Therapy License
Speech-Language Pathology	Provider's Current Resume + DC Department of Health Speech-Language Pathology License
Tutoring	Provider's Current Resume

How do I use my service authorization letter?

Step 1—Review the authorization letter

The authorization letter includes the type of services as well as the hourly rate that DCPS will pay the vendor for these services. Keep a copy of the letter for your records. Check the expiration date. If the expiration date is soon and there are hours left, you may reach out to the DCPS Resolution team at dcps.resolution@k12.dc.gov to request additional time.

Make sure to request an extension of the authorization letter before the letter expires so there will not be any interruption in services.

Step 2—Select service provider(s)

There is a list of service providers in APPENDIX B. **You are not required to select a vendor from this list. This list is only meant to help you with your search.** The vendor you select must have providers who meet the requirements for the independent services. The chart above lists the requirements. The provider may not bill above the maximum cost per hour shown on your authorization letter. Rates are set by the Office of the State Superintendent of Education (OSSE) and are updated every year.

Share a copy of the authorization letter and this guide with the selected vendor. Keep a copy of the authorization letter for your records.

Step 3—Contact DCPS

Share the name and email address of the selected vendor with the DCPS employee listed on your authorization letter.

Step 4—Schedule and participate in service sessions

Independent services must take place when school is not in session, such as after school, on weekends, or on holidays. Independent services MAY NOT be done on school property or during school hours (Monday-Friday, 8:30am-3:30pm). Your student MAY NOT receive independent services during school hours if absent from school. Your student MAY NOT receive independent services for more than two hours per session and per service.

Step 5—Track your student's hours

Keep track of the date(s) and time(s) when the student receives independent services. This may help if you decide to change your service provider or if you use more than one provider. Also, a DCPS employee may reach out to check the dates and times submitted by the service provider.

Step 6—Verify services

At the end of each independent service session, you must sign a service log verifying the date and time of the services. You should not sign the service log before the service sessions. If your student is at least 16 years old at the time of service, the student may sign the log at the end of each service session.

Step 7—Tell DCPS about any changes

You may change vendors at any time. Share with the new vendor the number of independent service hours that have already been used by your student and give them a copy of the authorization letter and this guide. Also, contact the DCPS employee listed on the authorization letter to make them aware of the change.

Billing Information for Independent Vendors

Billing Information for Independent Vendors

You have received this document because a DCPS family has asked you to complete an independent educational evaluation (IEE) or provide independent services for a DCPS student. Review the guidance below regarding the vendor invoice packet submission process, and see the following applicable sections for additional requirements specific to the type of service you provide:

- Independent Education Evaluations (IEE)
- Independent Services

Nothing in this Guide to Independent Services or in the accompanying Independent Educational Evaluation or Independent Services Authorization Letter shall be deemed to constitute a partnership or joint venture between you and DCPS or constitute either you or DCPS to be agent of one another for any purpose. Neither you nor DCPS shall have any authority to act for or bind the other in any way, or to represent that such authority is held.

Before Starting Services

1. Register as a vendor in the District Integrated Financial System (DIFS).

The financial system for the District of Columbia is known as DIFS – District Integrated Financial System. To receive payment from DCPS, vendors are required to register with DIFS. Failure to register as a supplier in DIFS will result in a dispute of payment. Once registered, suppliers will have the option to make updates to contact, address, banking, and business classification information as needed.

There are two reasons why you should log into the DIFS Supplier Portal:

1. If this is your first time billing DCPS and you are not an existing vendor, the Supplier Portal Self Service Job Aid linked below provides step-by-step instructions that you must follow to register as a supplier.
2. If you are an existing vendor and you would like to update your information or enroll in direct deposit, you must follow the steps outlined in the DIFS Existing Supplier Portal Self-Service Job Aid linked below.

To access the Supplier Portal, an email address must be added to the supplier record by emailing support@difssupport.zendesk.com or calling (202) 442-6870 (Monday through Friday, 8:00am to 5:00pm EST). Once the email address has been added to the supplier record, the Supplier Portal will be accessible.

Below are the resources to assist you with the Supplier Portal:

- Supplier Portal Self Service Job Aid
- DIFS Existing Supplier Portal Self Service Job Aid
- Frequently Asked Questions

IMPORTANT: You may notice that the resources linked above mention that invoices can be submitted via the existing vendor portal. However, this does not apply to the type of invoices that you submit for independent educational evaluations or independent services. Continue to submit invoices to dcps.invoices@dc.gov and comped.dcps@k12.dc.gov as required for payment processing.

If you have any questions about creating a new supplier profile, updating an existing supplier profile, or direct deposit enrollment via the DIFS Supplier Portal, please send an email to support@difssupport.zendesk.com or call (202) 442-6870 (Monday through Friday, 8:00am to 5:00pm EST).

2. Discuss any extenuating circumstances that may affect your ability to provide services or bill DCPS directly for services. If an extenuating circumstance prevents you from billing DCPS directly, notify the family *before* the start of services. They will need to discuss this with their DCPS point of contact before proceeding with independent services.

3. Schedule a "Best Practices and Helpful Tips for Vendor Invoice Packet Submissions and Resubmissions" meeting. This 30-minute virtual Microsoft Teams meeting provides an opportunity for new and existing vendors to review the billing requirements with a member of the Compensatory Education (Comp Ed) Billing team. This virtual meeting can be held on a Tuesday, Wednesday, or Thursday, between 10:00am EST and 3:00pm EST. To schedule a virtual meeting, email your availability to the Comp Ed Billing team at: comped.dcps@k12.dc.gov. A member of the Comp Ed Billing team will send a virtual meeting invite via Microsoft Teams to confirm the approved time slot.

Submitting Invoices to DCPS

Independent service providers bill DCPS directly and must submit all required information when requesting payment from DCPS.

Submit one complete vendor invoice packet per student/per service month/per service type in standard PDF format. DO NOT submit documents that are protected by a password or signature. Click here (for IEEs) and here (for independent services) for a table outlining the information and documents required for each invoice packet.

Submit all complete invoice packets to dcps.invoices@dc.gov and comped.dcps@k12.dc.gov.

Billing Reminders

Below are reminders and tips related to submitting invoice packets. Please note that failing to abide by the guidelines included in this section may result in a dispute of payment.

DO submit invoices in a timely manner. Invoices submitted more than six (6) months after the date the services were provided shall not be accepted unless specifically approved by, and at the discretion of, DCPS *Cf.* (5A DCMR 2901.9).

DO provide a copy of all credentials for independent service providers. A copy of the active, valid license/certification of all providers who evaluated the student or provided independent services during the period covered on the invoice must be included in the invoice packet. License/certification credentials must include an issue date and an expiration date.[3] By submitting an invoice for payment, all providers represent and acknowledge that they meet the established qualifications to provide independent services in the related discipline.

DO submit all invoice packets in standard PDF format, without password protection or signature protection, via email. Email complete invoice packets to dcps.invoices@dc.gov **and** comped.dcps@k12.dc.gov. DCPS cannot

[3] If the license/credential does not include the issue and expiration date, a copy of the license verification lookup results must be obtained from the licensing board's website and included with the invoice submission.

accept invoice packets sent by mail, courier, or hand delivery.

DO submit formal documentation (e.g. a certified court order or decree) with vendor invoice packets for students undergoing a legal name change.

DO NOT combine services provided under multiple DCPS authorization letters on a single invoice. Only one DCPS authorization letter may be included per vendor invoice packet submission.

DO NOT provide independent services during school hours. Independent services are not intended to replace school-based services. Services provided on DCPS school property or during normal school hours on days in which a student is absent will not be approved for payment unless otherwise specified in the DCPS authorization letter.

If services are provided during normal school hours (Monday–Friday, 8:30am–3:30pm), the following documentation is required:

- A copy of the school's calendar if services were provided on a weekday that was not a federal holiday OR
- An email from the school regarding school hours if services were provided prior to 3:30pm, to confirm that the school had an early dismissal.

DO NOT provide independent services after the expiration date on the DCPS Authorization Letter. If the expiration date is approaching and there are hours left, you may ask the parent to contact the DCPS authorizer to request an extension. By requesting an extension before the expiration date, the re-authorization letter can be issued before the initial letter expires to prevent an interruption of services. Only the parent/guardian can request an extension.

DO NOT ask the parent, guardian, or adult student to sign the service log prior to providing services. The verification signature must be provided after the completion of each session.

DO NOT send the same invoice more than once unless it was previously disputed and you have been advised by Comp Ed Billing to resubmit a complete invoice packet for the disputed charges. By submitting an invoice more than once, you can potentially create a duplicate submission in the system, which can cause a delay in payment.

DO NOT use the same invoice number more than once unless it was previously disputed, in which case you will be advised to add "_PD" to the original invoice number. "_PD" stands for previously disputed. The dispute letter explains exactly how to update the original invoice number so that it can be easily identifiable as a resubmission as opposed to a duplicate submission.

DO NOT submit an invoice that includes more than one service. Individual invoice packets may only include one type of provided service. For example, a company that provides BOTH occupational therapy and speech-language services to the same student would need to submit one invoice packet for the occupational therapy services and a separate invoice packet for the speech-language services.

DO NOT submit an invoice that includes services provided for over one month. Individual invoice packets may only include services provided within the same month. For example, a company that provides services in April and May would need to submit one invoice packet for services provided in April and a separate invoice packet for services provided in May.

DO NOT submit an invoice with charges for cancellations/no shows. The DCPS authorization letter authorizes DCPS to pay for completion of the authorized service type(s). This does not include cancellations/no shows.

DO NOT submit a copy of your Internal Revenue Service (IRS) Form W-9 with every invoice submission. You only need to submit your IRS W-9 form to DCPS with your first invoice packet or when there is any change to the information contained therein (ex. company name, address, telephone number, etc.). Please use the most recent version of the IRS W-9 form found at irs.gov.

Processing Status Updates

Once your invoice has been processed by the Comp Ed Billing team, you will receive a processing status update from comped.dcps@k12.dc.gov. This email will let you know that your invoice has been reviewed by the Comp Ed Billing team and that it has either been approved or disputed. If your vendor invoice packet submission has been approved, then the processing status update will also note that the invoice has been routed to Accounts Payable (AP) for payment processing. Please keep in mind that Accounts Payable (AP) must also review and approve your invoice documentation before issuing payment.

- If your vendor invoice packet submission has been partially or fully disputed, then the processing status update will include a detailed dispute letter specifying the approved amount, disputed amount, and resubmission instructions (if applicable).

Note: It is recommended that you use the processing status update to track invoices that may be included in a lump sum payment if you submitted more than one invoice on or around the same day.

Payments of undisputed amounts shall be made on the 5th or 15th day of the month following the corresponding invoice processing date of the prior month. When the 5th or 15th is not a business day, the due date shall be the first business day thereafter. Payments shall be made by automated clearing house (ACH) electronic transfer and, to the extent practicable, shall include identifying payment information.

Additional Billing Guidance: Independent Educational Evaluations (IEEs)

DCPS Requirements for Independent Educational Evaluations (IEEs)

All DCPS-funded IEEs must meet these requirements.

1. Written report on vendor letterhead (full company name, address, phone number, and email address), including:
    a. Evaluator's written signature
    b. Evaluator's valid credentials (active during the full period of service)
    c. Evaluator's full contact information, including email address
    d. Evaluation date(s)
    e. Procedures used (including any student observations)
    f. Assessment instruments used
    g. Results
    h. Diagnostic impressions
    i. Relevant recommendations for meeting identified needs of student
2. Evaluation completed by qualified professional who meets the licensure, certification, and credentialing criteria for his or her discipline in Washington, D.C., or the locality of practice, or is appropriately supervised by a clinician who meets these criteria. See here for licensure requirements for the District of Columbia. If you have questions about the information found in the DCPS authorization letter, the submission of the evaluation report, or the submission of the complete vendor invoice packet, please contact the DCPS staff member identified in the DCPS authorization letter before beginning any evaluations.

IEE Billing Information and Invoicing Process

- Send copies of the complete evaluation report to the parent/guardian and the DCPS staff member identified in the authorization letter.
- Include a copy of the complete evaluation report when submitting your invoice to DCPS.
- By submitting your invoice, you represent and acknowledge that you meet the licensure, certification, and credentialing criteria for your evaluation discipline.
- Notify the family ***before beginning any evaluations*** if an extenuating circumstance will prevent you from billing DC Government (DCPS or OSSE) directly. The family will need to discuss this with their DCPS point of contact before proceeding.
- Notify the family ***before beginning any evaluations*** if you cannot complete the evaluation for the rate or maximum total specified in the authorization letter. Maximum hourly rates and totals can be found here.
- Contact the DCPS staff member identified in the authorization letter if you have questions before submitting your completed packet.

DCPS Maximum Independent Services Rates

The table below includes the maximum hourly rates DCPS will pay for independent services. These rates are set by the OSSE and are updated yearly.[8] The specific rate cap for an independent service may also be stipulated on the DCPS authorization letter for an independent service type that is not included on the list below. For independent services not on this list, DCPS will pay reasonable costs.[9]

Service Type	Maximum Hourly Rate
Adapted Physical Education	$133.13

[8] https://osse.dc.gov/publication/nonpublic-services-rate-chart

[9] DCPS utilizes rates that are applicable to personnel utilized by public agencies pursuant to the District of Columbia Municipal Regulations. Reasonable and documented fees that exceed these rates may be allowed on a case-by-case basis at the discretion of the District of Columbia, when the evaluator can justify that excess costs were essential for educational and/or diagnostic purposes. **Evaluators should immediately reach out to the DCPS point of contact listed on the authorization letter to provide justification if they believe a higher rate is required to complete the evaluation.**
