RE: Letter of Response for Grievance #3530 filed on December 2, 2019

Dear [REDACTED],

In accordance with 24 DCMR Subtitle 5-B, Section 2405 of the District of Columbia Municipal Regulations, DC Public Schools (DCPS) Comprehensive Alternative Resolution and Equity (CARE) team has completed its preliminary investigation of the above referenced grievance.

Based on a review of the information provided, the grievance raised the following issues under the jurisdiction of this office:

**5-B DCMR 2405.2(e)** Where a student is a victim of bullying or harassment, including sexual harassment.

- On December 2, 2019; it was reported that Student [REDACTED], hit Student A on her behind in the hallway.

The preliminary investigation included interviewing the Social Worker [REDACTED], and Student A. Student [REDACTED] could not be interviewed because he was absent from school on the two attempts that DCPS made. The reported behavior was unwelcomed, but did not reach the level of severe, persistent, or pervasive behavior prohibited by DCPS Sexual Misconduct or Disciplinary policies. Additionally, the reported behavior did not limit the ability of any of the student's participation or benefit from the educational environment. As a result, DCPS has determined that this claim does not warrant further investigation and is closing this matter at this time.

Although this matter is closed [REDACTED] has taken or will take the following actions:

1. Student [REDACTED] and Student A, spoke with Social Worker, [REDACTED] around December 2019.
2. Around January 3, 2020, [REDACTED] spoke with the students about Good Touch and Bad Touch.
