RE: Letter of Response for Grievance #3687 filed on February 12, 2020

Dear [REDACTED]:

In accordance with Chapter 24 Subtitle 5-B, Section 2405 of the District of Columbia Municipal Regulations, DC Public Schools (DCPS) Comprehensive Alternative Resolution and Equity (CARE) team has completed its investigation of the above referenced grievance.

Grievance Issues

Based on a review of the information provided, the written grievance raised the following issues under the jurisdiction of this office:

1. **5-B DCMR 2405.2(e):** Where a student is a victim of bullying or harassment, including sexual harassment. The following is alleged during the [REDACTED] school year at [REDACTED] [REDACTED] School:
 - a. STUDENT B stated they would rape Student D and kill Student C, STUDENT E, and [REDACTED]

These allegations fall under Title IX of the Education Amendments Act of 1972 ("Title IX") which prohibits discrimination on the basis of sex.

Investigative Procedure

The investigation included interviews with the following individuals:

1. Student A
2. Parent of STUDENT B
3. Parent of Student D
4. Parent of STUDENT E

DCPS CARE attempted to interview STUDENT B, Student C, Student D, STUDENT E, and [REDACTED] but was unsuccessful. The investigation also included review of the following documents which were either submitted by the complainant, submitted by the school, or accessible via DCPS data systems:

1. Written witness statements from Student A, Student C, and STUDENT E provided by [REDACTED] School, dated [REDACTED]

Findings of Fact

The following findings of fact resulted from the investigation:

1. Student A reported there was an incident during lunch when STUDENT B stated STUDENT B would rape Student D and kill Student C, STUDENT E, and [REDACTED] Student C and STUDENT E also reported this in their written statements.

Discussion/Conclusion

5-B DCMR 2405.2(e) is substantiated. This decision is based upon a preponderance of the evidence standard. DCPS CARE attempted to contact all students referenced in the written statements provided by [REDACTED] School. DCPS CARE attempted to obtain consent to interview STUDENT B, however the Parent of STUDENT B did not provide consent for an interview. Student A, Student C, and Student E all provided witness statements corroborating that STUDENT B stated STUDENT B would rape Student D and kill [REDACTED] and other students. Additionally, the three students who provided written statements all acknowledged that they felt threatened at school by the behaviors of STUDENT B Given that DCPS CARE was unable to obtain consent to interview STUDENT B for additional context for the allegations, based on the information available, DCPS CARE finds that the behaviors are sufficiently severe, pervasive, and persistent to constitute a violation of sexual misconduct.

DCPS has taken the following actions below to address this incident:

1. In [REDACTED], [REDACTED] School staff conducted a meeting with Student A, Parent of STUDENT B, STUDENT E, and Parent of STUDENT E to discuss the reported allegations.
2. [REDACTED] School will offer to develop a safety plan for Student A, Student C, Student D, and [REDACTED] by [REDACTED]. The safety plan must be developed with the input of each student and the student's parent or guardian.
3. Upon receipt of consent from the Parent of STUDENT B, [REDACTED] School mental health staff will provide STUDENT B five hours of healthy relationships counseling.

4. Appropriate Chapter 25 disciplinary infraction(s) will be administered to STUDENT B by [REDACTED].
