RE: Letter of Response for Written Grievance #4157 filed on October 20, 2021

Dear ██████████:

In accordance with Chapter 24 Subtitle 5-B, Section 2405 of the District of Columbia Municipal Regulations (DCMR), D.C. Public Schools (DCPS) Comprehensive Alternative Resolution and Equity (CARE) team has completed its review of the above referenced written grievance.

**Grievance Issues**

Based on a review of the information provided, the written grievance raised the following issues under the jurisdiction of this office:

1. **5-B DCMR 2405.2 (e):** Where a student is a victim of bullying or harassment, including sexual harassment. It is alleged that Students ██████ and A touched the buttocks of Student C. These allegations fall under DC Human Rights Act of 1977 which, in part, prohibits discrimination on the basis of sex (including sexual harassment).

**Review Procedure**

The review included interviews with the following individuals:

1. Parent of Student ██████
2. Parent of Student A
3. Parent of Student C

DCPS CARE unsuccessfully attempted to obtain consent to speak with Student ██████, Student A and Student C regarding the allegations of this grievance.

The review also included review of the following documents which were either submitted by the complainant, submitted by the school, or accessible via DCPS data systems: n/a

### **Pertinent Regulatory, Policy, and Procedural Considerations**

1. According to The District of Columbia Human Rights Law of 1977, Title 2, Chapter 14 of the D.C. Official Code (DC Human Rights Act), § 2-1402.41. It is an unlawful discriminatory practice... for an educational institution...to deny, restrict, or to abridge or condition the use of, or access to, any of its facilities, services, programs, or benefits of any program or activity to any person otherwise qualified, wholly or partially, for a discriminatory reason, based upon... sex.”
2. According to the DCPS Anti-Discrimination Policy and the Notice of Non-Discrimination, DCPS does not discriminate or tolerate discrimination against...students on the basis of... sex.

### **General Findings of Fact**

The following findings of fact resulted from the review:

1. Students [REDACTED], A, and C were all [REDACTED] students at [REDACTED] at the time of these allegations.
2. It is alleged that on October 19, 2021, Students [REDACTED] and A touched the buttocks of Student C while Student C was asleep at their desk during class at [REDACTED].
3. DCPS CARE was not provided consent to interview Student [REDACTED], Student A or Student C regarding the allegations of this grievance.

### **Discussion/Conclusion**

As a result of this review, DCPS has found the following:

DCPS is unable to substantiate **5-B DCMR 2405.2 (e)**. It is alleged that on October 19, 2021, Students [REDACTED] and A touched the buttocks of Student C. DCPS CARE was not provided consent to interview Student [REDACTED], Student A, or Student C regarding the allegations of this grievance. As a result of the lack of evidence, the CARE Team is unable to substantiate **5-B DCMR 2405.2 (e)**.

In order to address these concerns, [REDACTED] has taken the following actions:

1. While DCPS CARE is unable to substantiate a violation of the D.C. Human Rights Act based on a preponderance of the evidence, school-based staff determined that disciplinary action was appropriate to address this matter. As a result, an appropriate Chapter 25 disciplinary infraction was administered by school-based staff at the time of these allegations.
2. By December 14, 2022, a social worker will conduct a check-in for all three students. Additional support will be provided as needed.

As the respondent, if you are not satisfied with the outcome, you have the right to file an appeal.
