## DCPS DUAL ENROLLMENT PROGRAM: DUAL CREDIT COURSE REQUEST FORM

The DCPS Dual Enrollment Program, which includes DCPS Private, OSSE Consortium, & UDC-CARE is an opportunity for DCPS students to enroll in college level courses with the potential to earn college credit. All students enrolled in the DCPS Dual Enrollment Program will receive college credit from the university upon the successful completion of the course in which they are enrolled according to the university's standards.

Dual Credit is a component of Dual Enrollment that allows students to earn both high school and college credits. A Dual Enrollment course not taken for Dual Credit does not affect the student's high school GPA, and students will only earn college credit upon successful course completion. Students interested in earning both high school and college credits for their Dual Enrollment course are able to request Dual Credit. To request dual credit, a student must receive approval from their parent/legal guardian, school counselor, principal, and DCPS Central Office Dual Enrollment Coordinator via completion of this form before the deadline.

A select group of courses have been pre-approved for Dual Credit, listed on pages 3-7. If a course the student is interested in taking is NOT on the pre-approved list, students must complete page 2 of the Dual Credit Request Form and provide the course syllabus. The completed form <u>and</u> course syllabus must be submitted to the Dual Enrollment Coordinator (Emily Webster, <u>Emily.Huey@k12.dc.gov</u>) in order to complete the request. If the course syllabus is not provided, the Dual Enrollment course cannot be reviewed for Dual Credit approval.

When taking a college course for Dual Credit, students and families understand that grades earned will be reported on the official DCPS high school transcript regardless of the grade earned (A through F, including withdrawals) and that DCPS credit will only be awarded for approved courses which are completed and passed with a grade of C or better. This grade will be calculated with the weight of an AP course as a part of each student's GPA.

Should a student choose to withdraw their Dual Credit request, they must complete the Dual Credit Request Withdrawal Form (*located on pages 8 & 9*), with signed approval from the parent/legal guardian, school counselor, and DCPS Central Office Dual Enrollment Coordinator within the specified deadlines (*see page 8*).

NOTE: Policy updates implemented in SY22-23 allow students to request Dual Credit upon course completion within the timeframes specified below. This change is not retroactive and cannot be requested for courses previously completed before the Fall 2022 term.

### **Student Requirements:**

- 1. Prior to submission of this form, the student must meet with their school counselor to discuss the dual credit request and determine if Dual Credit is an appropriate/approved option.
- 2. This form must be completed with signed permission from the principal, school counselor, parent/legal guardian, & student and must be submitted via email from the counselor to the DCPS Dual Enrollment Coordinator, Emily Webster (<a href="mailto:Emily.Huey@k12.dc.gov">Emily.Huey@k12.dc.gov</a>) in the Division of College and Career Programs by the deadlines outlined on page 2.

#### **Counselor Requirements:**

- 1. Submit the student's completed form to Emily Webster (Emily.Huey@k12.dc.gov)
- 2. Upon receipt of the signed approval form, the counselor will add the Dual Credit course to the student's schedule.
  - a. **Note:** The form must include signatures from all parties listed.
- 3. At the end of the College semester, the counselor will receive a copy of grades directly from the DCPS Dual Enrollment Coordinator. Counselors will upload grades directly to the student's transcript.

### **Guidelines for Dual Credit Courses:**

- This form must be completed with signed permission from the principal, counselor, parent/legal guardian, & student and must be submitted via email from the counselor to the DCPS Dual Enrollment Coordinator, Emily Webster (<a href="mailto:Emily.Huey@k12.dc.gov">Emily.Huey@k12.dc.gov</a>) in the Division of College and Career Programs by:
  - o Deadline to request Dual Credit for a Fall 2023 Dual Enrollment course: January 26, 2024
  - Deadline to request Dual Credit for a Spring 2024 Dual Enrollment course: June 18, 2024
  - o Deadline to request Dual Credit for a Summer 2024 Dual Enrollment course: November 4, 2024
- Counselor must add the Dual Credit course to the student's schedule in Aspen once approval has been received by the Division of College & Career Programs.
- Students may not enroll in a Dual Credit course for credit if they are taking the same course in a DCPS class.
- Students will be graded on the same basis as traditional college students in the same courses.
- Grades and credits earned will be reported on both the student's official university transcript and the DCPS transcript.

By signing below, I acknowledge that I have read and understand the terms outlines on pages 1 & 2 of this document.

## DCPS DUAL ENROLLMENT PROGRAM: DUAL CREDIT REQUEST WITHDRAWAL FORM

Students who previously completed the Dual Credit Request Form are able to withdraw their request by completing this form within the following request deadlines:

- o Deadline to withdraw a Dual Credit request for a Fall 2023 Dual Enrollment course: January 26, 2024
- Deadline to withdraw a Dual Credit request for a Spring 2024 Dual Enrollment course: June 18, 2024
- Deadline to withdraw a Dual Credit request for a Summer 2024 Dual Enrollment course: November 4, 2024

To withdraw your dual credit request, a student must receive approval from their parent/guardian, school counselor, principal, and DCPS Central Office Dual Enrollment Coordinator via completion of this form before the deadline specified above. By completing this form, your Dual Enrollment course grade will no longer be visible on the DCPS transcript or affect the student's high school GPA.

<u>Note:</u> This form does <u>not</u> drop or withdraw you from your dual enrollment course. Unless you have completed the college/university-specific drop or withdrawal process, you are still an active dual enrollment student. If you would like to drop or withdraw from your dual enrollment course, please reach out to the DCPS Dual Enrollment Coordinator, Emily Webster (<u>Emily.Huey@k12.dc.gov</u>) within the college/university specified drop or withdrawal period.

Please fill in the required	Dual Credit Request Withdrawal blanks and check the applicable box(s) below regarding your request w	ithdrawal.
