

IT Dual Enrollment FAQ

1. What are the eligibility requirements for the program?

- 2.5 minimum GPA
- Rising 11th and 12th graders
- Completed Algebra 1
- Student in one of DCPS IT (Networking, Computer Science or Digital Media) programs
- Available June 28th – August 6th

2. What are the program dates?

The program will run from June 28th to August 6th. The first two weeks will be just the course and the last four weeks will be the course and internship. Students must be available to complete the whole program in order to be eligible.

3. What courses are available for students to take?

There are two courses available for students to choose from (students can only take one course) - CMSC 111 – Introduction to Programming and ITEC 105 – Foundations of Cloud Computing. Each course has a corresponding internship. For more details on the courses and internship click [here](#).

4. Who is the university partner?

Trinity Washington University is the partner university and will be running the program.

5. Will the program be virtual?

The program will be fully virtual. Students will not be expected to go to the Trinity Washington University campus.

6. Will students receive DCPS and/or transferable university credit?

All students will receive 3 Trinity Washington University College credits for earning a “C” or better in their Trinity course. At the conclusion of program students that earn a “C” or better can elect to receive DCPS credit in addition to the Trinity Washington University College credit.

7. Will students be paid for their participation?

Students will be paid via a stipend the same amount as they would be paid for an MBSYEP Career Ready Internship. More details on payment and required documents will be sent to accepted students.

8. Do students have to be eligible for the MBSYEP?

No, students are not required to be eligible for the MBSYEP.

9. How do students apply for the program?

Students can apply by submitting this [application](#). The deadline to apply is April 21st.

10. What are the application requirements?

- [Online application](#)
- [DCPS Parent and Student Consent Form](#)
- [Teacher Recommendation Form](#)
- Two Short Answer Questions
