**Impact Aid Frequently Asked Questions for Principals**

**Why are we doing these surveys?**
Each year, DC Public Schools asks all families to complete a Student-Parent Survey so DCPS can provide the U.S. Department of Education information for Impact Aid.

**What is Impact Aid?**
The Impact Aid law provides assistance to local school districts with concentrations of children residing on military bases, low-rent housing properties, or other Federal properties and, to a lesser extent, concentrations of children who have parents in the uniformed services or employed on eligible Federal properties who do not live on Federal property.

**Who should manage this at my school?**
We recommend you select your DSL, MSL, Business Manager, clerk or similar, oversee the survey process.

**How should we give these out?**
This year the Impact Aid survey will be available in both hard copy and electronic format. Please ensure that you distribute both the electronic and paper survey to all parents. Parents will be able to select which language they want to complete the form in.

**How do we access the surveys?**
Paper surveys will be delivered to each school site to be sent out to parents on the survey date. If the school needs to print additional copies, please see the links below. Electronic surveys will be available on the DCPS Impact Aid web page.

- English
- Amharic
- Chinese
- French
- Spanish
- Vietnamese

**How should we collect these?**
Our goal is to collect all survey data electronically this year, however, if a parent requests a hard copy of the survey, please let them know your school can print them a copy. The printed copy should be returned to the school. We then request that your schools submit that survey form to our team via email to DCPSImpactAid@k12.dc.gov

**Who can I contact for additional questions?**
Contact Tracy Igwebuike at DCPSImpactAid@k12.dc.gov or 202-480-0869.

**What do you do with this information?**
All forms are held strictly confidential. DCPS submits the information to the U.S. Department of Education.

**When is this due?**
We are asking families to complete the electronic survey for each DCPS student in their home online by Tuesday, December 22 for the data to be included in our original application. Please note that families will still be able to access and complete the online survey. All surveys completed after the December due date will be included in the application amendment.
