

MACARTHUR HIGH SCHOOL*

Opening August 2023

*Final School Name To Be Determined

About Our School

In August 2023, DCPS will open its newest high school! MacArthur HS will be a comprehensive, neighborhood high school serving the diverse interests and needs of students in Ward 3 and throughout the District.

Student Profile

The first students of MacArthur will have access to exceptional student and community leadership opportunities.

MacArthur students will be trailblazers, with a sense of global community, teamwork, and integrity.

Extracurricular Activities

MacArthur will offer students a range of activities including basketball, volleyball, track and field, cross country, green club, chess club, and student leadership.

Students will be also able to establish their own clubs through advocacy.

What We Offer

MacArthur High School creates a unique educational experience that prepares all students for outstanding achievement through rigorous academic instruction in a safe and inclusive learning environment.

Robust Courses and Programs

MacArthur looks to serve all student populations. We will offer Honors level and Advanced Placement (AP) courses, Engineering and Information Technology Academies, Dual College Enrollment program, and an integrated arts program. MacArthur will also have three special education programs and universal support for all learning levels.

Principal's Message

"I believe MacArthur can quickly become the premier high school that upholds inclusive values, provides students with the tools and resources necessary to become a productive citizen in a global society...."

-Dr. Harold McCray, Principal
