

DCPS Dual Credit Guide

School Year 2024-2025

Dual enrollment programs allow DCPS high school students the ability to take college level courses at no cost while still in high school and earn transferable college credits. Programming is available to students across all 21 high schools in the district with universities setting their own admissions criteria and selection process. Dual Credit is a component of Dual Enrollment that allows students to earn both high school and college credits. Dual Enrollment is not Simultaneous Credit. Simultaneous Credit is an approved DCPS high school course that fulfills more than one high school graduation requirement. Simultaneous Credits are not college level courses.

The following dual enrollment programs allow students to earn high school & college credits simultaneously by default ([no request form required](#)):

- [Advanced Technical Center \(ATC\)](#)
- Ed Equity
- [Early College Programming](#)

The following dual enrollment programs are for college credits only by default. Students interested in receiving high school credit for their participation in the programs below **must** complete the DCPS Dual Credit Request Form.

- [OSSE Consortium](#)
- [DCPS Private Universities](#)

DCPS students who enroll in college courses [outside of the DCPS Dual Enrollment programming listed above](#) are required to follow the same semester deadlines as DCPS Dual Enrollment participants. Those students looking to earn high school credit must meet with their school counselor to initiate the dual credit request.

NOTE: Policy updates implemented in SY24-25 allow students participating in college courses outside of DCPS Dual Enrollment programming to request to receive high school credit within the DCPS Dual Credit deadlines on page 2. This change is not retroactive and cannot be requested for courses previously completed before the Fall 2024 term.

When taking a college course for Dual Credit, students and families understand that grades earned will be reported on the official DCPS high school transcript regardless of the grade earned (A through F, including withdrawals) and that DCPS credit will only be awarded for approved courses which are completed and passed with a grade of C or better. This grade will be calculated with the weight of an AP course as a part of each student's GPA.

A Dual Enrollment course not taken for Dual Credit does not affect the student's high school GPA, and students will only earn college credit upon successful course completion. Students interested in earning both high school and college credits for their Dual Enrollment course are able to request Dual Credit. To request dual credit, a student must receive approval from their parent/legal guardian, school counselor or principal, and DCPS Central Services Dual Enrollment Coordinator via completion of this form (page 2) before the deadline.

Should a student choose to withdraw their Dual Credit request, they must complete the Dual Credit Request Withdrawal Form, located on page 3, with signed approval from the parent/legal guardian, school counselor or principal, and DCPS Central Office Dual Enrollment Coordinator within the semester deadlines.

Student Requirements:

1. Prior to submission of this form, the student must meet with their school counselor to discuss the dual credit request and determine if Dual Credit is an appropriate/approved option.
2. This form must be completed with signed permission from the school counselor or principal, parent/legal guardian, & student and must be submitted from the counselor to the DCPS Central Services Dual Enrollment Coordinator (Emily Webster – emily.huey@k12.dc.gov) by the deadlines outlined on page 2.

Counselor Requirements:

1. Submit the student's completed form to the DCPS Central Services Dual Enrollment Coordinator (Emily Webster – emily.huey@k12.dc.gov).
2. Upon receipt of the signed approval form, the counselor will add the Dual Credit course to the student's schedule. The form must include signatures from all parties listed.
3. At the end of the college semester, the counselor will receive a copy of grades from the DCPS Dual Enrollment Coordinator. Counselors will upload grades directly to the student's high school transcript record.

DCPS Dual Enrollment: Dual Credit Request Form

NOTE: All signatures are required, or form will not be accepted or processed.
This form should be returned to emily.huey@k12.dc.gov by counselor.

Student Name: _____ School: _____

Grade: _____ Name of College/University: _____

Name of Proposed Dual Credit Course: _____ Course Number: _____

Anticipated Course Start Date: _____ Anticipated Course End Date: _____

Is the course listed below (pages 4-8) as a pre-approved Dual Credit Course? Y or *N

**If no, the student must provide the course syllabus to complete the request.*

Guidelines for Dual Credit Courses:

- This form must be completed with signed permission from the counselor or principal, parent/legal guardian, & student and must be submitted from the counselor to the DCPS Central Services Dual Enrollment Coordinator (Emily Webster - Emily.Huey@k12.dc.gov) by:
 - Deadline to request dual credit for a Summer 2024 Dual Enrollment course: **November 4, 2024**
 - Deadline to request dual credit for a Fall 2024 Dual Enrollment course: **January 27, 2025**
 - Deadline to request dual credit for a Spring 2025 Dual Enrollment course: **June 18, 2025**
 - Deadline to request dual credit for a Summer 2025 Dual Enrollment course: **November 3, 2025**
- Students will be graded on the same basis as traditional college students in the same courses.
- Students may not enroll in a Dual Credit course for credit if they are taking the same course in a DCPS class.
- Grades and credits earned will be reported on both the student's official university transcript and the DCPS transcript.
- School counselor must add the Dual Credit course to the student's schedule in Aspen once approval has been received by the DCPS Central Services Dual Enrollment Coordinator.

NOTE: Policy updates implemented in SY22-23 allow students to request Dual Credit upon course completion within the timeframes specified above. This change is not retroactive and cannot be requested for courses previously completed before the Fall 2022 term.

By signing below, I acknowledge that I have read and understand the terms outlines on pages 1 & 2 of this document.

DCPS Dual Enrollment: Dual Credit Request **Withdrawal Form**

This form should be returned to emily.huey@k12.dc.gov by counselor.

Students who previously completed the Dual Credit Request Form are able to withdraw their request by completing this form within the following request deadlines:

- Deadline to withdraw a dual credit request for a Summer 2024 Dual Enrollment course: **November 4, 2024**
- Deadline to withdraw a dual credit request for a Fall 2024 Dual Enrollment course: **January 27, 2025**
- Deadline to withdraw a dual credit request for a Spring 2025 Dual Enrollment course: **June 18, 2025**
- Deadline to withdraw a dual credit request for a Summer 2025 Dual Enrollment course: **November 3, 2025**

To withdraw your dual credit request, a student must receive approval from their parent/guardian, school counselor or principal, and DCPS Central Services Dual Enrollment Coordinator via completion of this form before the deadlines specified above. By completing this form, your Dual Enrollment course grade will no longer be visible on the DCPS transcript or affect the student’s high school GPA.

Note: This form does not drop or withdraw you from your dual enrollment course. Unless you have completed the college/university specific drop or withdrawal process, you are still an active dual enrollment student. If you would like to drop or withdraw from your dual enrollment course, please contact your school counselor & university dual enrollment coordinator within the college/university drop or withdrawal period.

Dual Credit Request Withdrawal

Please complete the form below and check the applicable box(s) below regarding your withdrawal request.

Student Name: _____ High School: _____

Grade: _____ Name of College/University: _____

I do not want my dual enrollment course grade visible on my high school transcript.
If yes, what grade did or are you expecting to receive in the course: _____

I dropped or withdrew from my dual enrollment course.
If yes, did you inform your high school counselor? Check: Y or N

Other: _____

STUDENT, COUNSELOR, & PARENT/GUARDIAN SIGNATURE REQUIRED BELOW

Counselor Requirements:

1. Submit the student's completed dual credit request withdrawal form to DCPS Central Services Dual Enrollment Coordinator, Emily Webster (Emily.Huey@k12.dc.gov).
2. Upon receipt of the signed dual credit request withdrawal form, the counselor will replace the Dual Credit course code on the student’s schedule with the general Dual Enrollment course code.

By signing below, I acknowledge that I have read the terms of this Dual Credit Request Withdrawal document & approve the removal of this course from the student’s DCPS high school transcript.

Pre-Approved Dual Credit Courses by dual enrollment program

If a course the student is interested in taking is not on the pre-approved list, students must complete page 2 of the Dual Credit Request Form and provide the course syllabus to the DCPS Central Services Dual Enrollment Coordinator (Emily Webster, Emily.Huey@k12.dc.gov). If the course syllabus is not provided, the Dual Enrollment course cannot be reviewed for Dual Credit approval.

List of pre-approved dual credit courses by program:

College Algebra	YGZBC	College Algebra	Math
College Pre-Calculus	YIMBC	College Pre-Calculus	Math
College Elective	YGQBC	College Elective	Chem&Soc2 CivilRight
College Physics I	YHKBC	College Physics I	Science
College Physics II	YHKBC	College Physics II	Science
College Chemistry	YGJBC	College Chemistry	Science
College Chemistry II	YHJBC	College Chemistry II	Science
College Science	YHSIBC	College Science	Science
American Popular Music	U01BC	American Popular Music	Music
College Political Science: American Politics	YGEBC	College Political Science: American Politics	
Ceramics I	A19BC	Ceramics I	Art
College Biology I	YGGBC	College Biology I	Science
College Biology II	YHGBC	College Biology II	Science
Hum Scheduling Utility	YIDBC	HUM Scheduling Utility	
STEM Scheduling Utility	YICBC	STEM Scheduling Utility	

School Without Walls High School+ George Washington University	DCPS Course Code	DCPS Course Title	DCPS HS Graduation Requirement Category
AMST/HIST 2020/ AMST/HIST 2020W: DC History, Culture, and Politics	YGC	College DC History	DCH

ASTR 1001: Stars, Planets, Life in the Universe	YGR	College Lab Science	LAB and SCI
BISC 1005: Biology of Nutrition Health BISC 1007: Food, Nutrition, and Service	YGG	College Biology	LAB and SCI
BISC 1006: The Ecology and Evolution of Organisms	YGR	College Lab Science	LAB and SCI
BISC 1115: Intro Biology: Cells and Molecules	YGH	College Biology	LAB and SCI
BISC 1116: Introductory Biology: The Biology of Organisms	YGH	College Biology	LAB and SCI
CHEM 1003/1004: Contemporary Science for Non-Sci Majors	YGJ	College Chemistry	LAB and SCI
CHEM 1111: General Chemistry I	YGJ	College Chemistry	LAB and SCI
ENGL 1330/1330W: Myths of Britain	YGA	College English Lit	ENG
ENGL 1320W: Literature of the Americas	YGB	College Humanities	ENG
ENGL 1510/1510W: Intro to American Literature I	YGA	College English Lit	ENG
ENGL 1511/1511W: Intro to American Literature II	YGA	College English Lit	ENG
ENGL 1410/1410W: Intro to English Literature I	YGA	College English Lit	ENG
ENGL 1411/1411W: Intro to English Literature II	YGA	College English Lit	ENG
HLWL 1114: Personal Health and Wellness	YGU	College Health	HPE (sub for P26 Health only)
GEOG 1002: Intro to Physical Geography	YGR	College Lab Science	LAB and SCI
GEOL 1001: Physical Geology	YGR	College Lab Science	LAB and SCI
HIST 1011: World History, 1500-Present*	YGV	College World History	HIS
HIST 1311: Introduction to American History	YGD	College US History	USH
MATH 1007: Mathematics and Politics	YGT	College Mathematics	ULM
MATH 1009: Mathematical Ideas I	YGT	College Mathematics	ULM
MATH 1010: Mathematical Ideas II	YGT	College Mathematics	ULM
MATH 1051: Finite Mathematics for the Social and Management Sciences	YGT	College Mathematics	ULM
MATH 1220: Calculus with Precalculus I	YGM	College Calculus A	ULM
MATH 1221: Calculus with Precalculus II	YGF	College Calculus B	ULM
MATH 1231: Single-Variable Calculus I	YGM	College Calculus A	ULM
MATH 1232: Single-Variable Calculus II	YGF	College Calculus B	ULM
MATH 1252- Calculus for the Social Science and Management Sciences	YGM	College Calculus A	ULM
MATH 2184: Linear Algebra I	YGT	College Linear Algebra	ULM
MATH 2185: Linear Algebra I for Math Majors	YGT	College Linear Algebra	ULM
MATH 2233: Multivariable Calculus	YGT	College Advanced Calc	ULM
MATH 2971 (W) Introduction to Mathematical Reasoning	YGT	College Advanced Math	ULM
MUS 1101: Elements of Music Theory	YGP	College Music	MUS
MUS 1103: Music in the Western World	YGQ	College Elective	Elective (OTH)
PHYS 1011: General Physics I	YGK	College Physics	LAB and SCI
PHYS 1021: University Physics I	YGK	College Physics	Lab and SCI
PSC 1002: Intro to American Politics and Government	YGE	College Political Science	USG
UW1015: Writing Sem. Summer Scholars	YGN	College Writing 1	Elective (OTH)
UW1020: University Writing	YGO	College Writing 2	Elective (OTH)
STAT 1051: Intro to Business & Economic Statistics	YGT	College Mathematics	ULM
STAT 1053: Introduction to Statistics in Social Science	YGT	College Mathematics	ULM
STAT 1111: Business and Economic Statistics I	YGT	College Mathematics	ULM
All Language classes above the GWU AP equivalent are approved for weighted Dual Credit.	YGS	College World Language	FLA

Coolidge High School + Trinity Washington University	DCPS Course Code	DCPS Course Title	DCPS HS Graduation Requirement Category
ENG 107 – College Composition	YGACC	College Composition	ENG 4
MATH 123 – Pre-Calculus	YIM	College Pre-Calculus	Math
COM 290 – Public Speaking	YGQ	College Elective	Elective
PHIL 103 – Reasoning & Argumentation	YGQ	College Elective	Elective
ENVS 101 – Discovering Planet Early	YGR	Lab Science	LAB and SCI
HIS 211 – World History	YHW	World History	World History 2
FNAR 241 – Music & Culture	YGP	Music	Music
PSYC 101 – Intro to Psychology	YGQ	Psychology	Elective
AV2 – Digital Art		Art	Art
COM 225 – Intercultural Communication	YGQ	College Elective	Elective
RST 102 – Religion of the World	YGQ	College Elective	Elective
PHIL 245 – Ethics I	YGQ	College Elective	Elective
INT 290 – Capstone	YGQ	College Elective	Elective
BIOL 101 – Introduction to Biology	YGH	College Biology	Science
MATH 102 - College Algebra	YGT	College Mathematics	Math
MATH 108 - Finite Mathematics	YGT	College Mathematics	Math
MATH 109 – Foundations of Mathematics	YGT	College Mathematics	Math
COM 150 - Critical Reading & Augmentation	YGQ	College Elective	Elective
CR 102 – Critical Reading & Writing Seminar II	Awaiting	College English	Eng 3 or 4
PHY 111 - Physics	YGR	College Physics	Science
CHEM 111- Chemistry	YGR	College Chemistry	Science
PSYC 101 – Introduction to Psychology	YGQ	College Elective	Elective
