SECTION C: SPECIFICATIONS/WORK STATEMENT

C.1 SCOPE:

DCPS aims to engage an experienced compliance monitor to continue the completion of several predetermined compliance activities for the 2022-2023 school year. The compliance activities are directly tied to outcomes of reports provided by the Office of the State Superintendent of Education (OSSE) that have a direct impact on the agency's Special Education Annual Determinations Report. OSSE uses a set of metrics that vary from year to year to determine DCPS' performance. Over the last 5+ years, DCPS has not met expectations and has recently moved from "Needs Intervention" to "Needs Assistance" rating. DCPS is striving to achieve a "Meets Requirements" determination as defined by the OSSE, which is incumbent on continued monitoring, data reporting, and cross-agency collaboration to make real-time changes at the school level. Compliance reviews in the areas of timeliness, Individualized Education Plans (IEPs) and eligibility quality, enrollment, attendance, Medicaid, disciplinary procedures, and qualitative records reviews are necessary for the Department of Specialized Instruction (DSI) to create targeted technical training plans for school-based staff. This compliance monitor will support training two full-time replacements for the school year 2022-2023, who will be able to demonstrate the same level of competency and quality as the current contractor. This monitor must possess a keen understanding of IDEA and DCPS policies, regulations, practices, and programmatic implementation, along with a commitment to creating equitable improvements that are in alignment with anti-racist principles and beliefs.

 - (2) Pay the subcontractor any undisputed amount to which the subcontractor is entitled to the additional work within ten days of receipt of payment from the District; and
 - (3) Notify the subcontractor and CO in writing of the reason(s) the Contractor withholds any payment from a subcontractor for the additional work.
- (d) Neither the District, Contractor, nor any subcontractor may declare another party to be in default, or assess, claim, or pursue damages for delays until the parties agree on a price for the additional work.

Sexual harassment is a form of sex discrimination that is prohibited by the Act. In addition, harassment based on any of the above-protected categories is prohibited by the Act.
 - (2) The Contractor agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. The affirmative action shall include, but not be limited to, the following:

- (4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the nondiscrimination requirements set forth in paragraph 19(b)(2).
- (5) The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice to be provided by the contracting agency, advising the said labor union or workers' representative of that contractor's commitments under this nondiscrimination clause and the Act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors' books, records, and accounts for such purposes.
- (7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights or any authorized official.
- (8) The Contractor shall include in every subcontract the equal opportunity clause, i.e., paragraphs 19(b)(1) through (b)(9) of this clause so that such provisions shall be binding upon each subcontractor.
- (9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.
