PUTTING GROWTH FIRST

DCPS has seen continuous improvement in student achievement because of the extraordinary passion, skill, joy, and talent teachers, school leaders, and staff bring to work each day. DCPS employees help make schools welcoming environments and support students' intellectual, social-emotional, and physical needs — all of which are critical to student success. To both build on past success and accelerate efforts to close the achievement gap, we must continue to concentrate our work on ensuring all students feel loved, challenged, and prepared to positively influence society and thrive in life.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success. IMPACT supports professional growth by:

- 1. Clarifying Expectations** — IMPACT outlines clear performance expectations and provides a common language of success for all school-based employees.
- 2. Providing Frequent and Meaningful Feedback** — Quality feedback is a key element in improving one's practice. Regular feedback opportunities support reflection and action planning toward excellence.

The success of our students hinges on the work you do every day. Your professional growth is critical to DCPS' mission and is cultivated through a clear vision of excellence paired with meaningful and aligned feedback opportunities.

GROUP 11: OVERVIEW

Who is in Group 11?

Group 11 consists of all school-based social workers.

What are the IMPACT components for members of Group 11?

There are five IMPACT components for members of Group 11. Each is explained in greater detail in the following sections of this guidebook.

- **School-Based Social Worker Standards – Administrator Assessed (SW-A)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **School-Based Social Worker Standards – Central Office Assessed (SW-CO)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **Assessment Timeliness (AT)** — This is a measure of the extent to which you complete your assigned assessments within the timeframe and in accordance with the rules established by the DCPS Central Office. This component makes up 10% of your IMPACT score.
- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.
- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.

Where can I find this year's IMPACT Cycle dates?

IMPACT Cycle dates can be found in the *IMPACT Annual Reference Guide*.

IMPACT COMPONENTS FOR GROUP 11

**The School-Based Social Worker Standards – Administrator Assessed (SW-A) and the School-Based Social Worker Standards – Central Office Assessed (SW-CO) components will expand to replace components of the pie that cannot be scored.*

What are the School-Based Social Worker Standards – Administrator Assessed?

These standards define excellence in school-wide support and collaboration and student-level assessment for school-based social workers in DCPS. They include:

- Standard 1: Preventative Work
- Standard 2: Intervention
- Standard 3: Service Coordination
- Standard 4: Partnerships with Families for Student Success

Who developed the School-Based Social Worker Standards – Administrator Assessed?

The standards were developed in collaboration with DCPS school-based social workers, central office staff, and administrators. Per their guidance, the standards are based to a large extent on those established by the School Social Work Association of America (SSWA).

How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be assessed?

Your administrator will assess your proficiency according to the rubric at the conclusion of this section. S/he will assess you formally two times during the year.

As part of each assessment cycle, you will have a conference with your administrator. At this conference you will receive feedback based on the School-Based Social Worker Standards – Administrator Assessed rubric and discuss next steps for professional growth.

If your administrator makes at least two attempts to schedule a conference with you prior to the Cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) score for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle. At the end of the year, your assessment cycle scores will be averaged together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart at the conclusion of this section.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

How will school-based social workers who have earned Highly Effective ratings two years in a row be assessed this year?

School-based social workers who have earned Highly Effective ratings during both of the last two school years will receive two assessments during Cycle 1 — one by an administrator by the end of Cycle 1 and one by a program manager/specialist by the end of Cycle 1. If the average score from these two assessments is 3.0 or higher (on the 1.0 to 4.0 scale), the IMPACT team will notify the school-based social worker via email after Cycle 1 ends that she/he will not be receiving a second assessment, unless requested by the school-based social worker in the IMPACT database (<http://impactdcps.dc.gov>). If the average score is below 3.0, the school-based social worker will continue on the normal assessment schedule.

Please note that school-based social workers who are shared between two schools will receive an assessment by each of their administrators by the end of Cycle 1. These scores will then be averaged together, along with the score from the first program manager/specialist assessment, to determine whether shared school-based social workers are eligible for a reduced number of assessments this year.

What is Assessment Timeliness?

This is a measure of the extent to which you complete the assessments assigned to you within the timeframe and in accordance with the rules established by the DCPS Central Office.

Why is this one of my IMPACT components?

Timely completion of assessments is critical to ensuring that our students receive all the services they need. Furthermore, it is required by federal law.

How will my Assessment Timeliness be calculated?

In the spring, you will have the opportunity to confirm the assessments you completed this year. Your Assessment Timeliness score will be calculated at the end of the school year according to the rubric at the end of this section. You will receive an overall score of 4 (highest) to 1 (lowest).

Please note that, because this component is scored only once per year, we have not included a sample score chart as we have for the components that are scored multiple times per year.

LEVEL 2

LEVEL 1 (LOWEST)

Individual **sometimes** supports the local school initiatives in an effective manner.

Individual **rarely or never** supports the local school initiatives in an effective manner.

Individual **sometimes** supports, in an effective manner, the school's Special Education and English Language Learner programs, the school's Student Support Team, and all students with 504 plans.

Individual **rarely or never** supports, in an effective manner, the school's Special Education and English Language Learner programs, the school's Student Support Team, and all students with 504 plans.

Individual **sometimes** promotes high academic and behavioral expectations, in an effective manner, for all students.

Individual **rarely or never** promotes high academic and behavioral expectations, in an effective manner, for all students.

What is Core Professionalism?

This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

How will my Core Professionalism be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (<http://impactdcps.dc.gov>). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Core Professionalism be rated?

Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you receive a Core Professionalism rating of Meets Standard in Cycle 1 and Cycle 3 (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall rating for this component will be Meets Standard and you will see no change in your final IMPACT score.

If you receive a rating of Slightly Below Standard on any standard of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. This is the case in the sample rating chart below.

If you receive a rating of Significantly Below Standard on any standard of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score.

If you receive Core Professionalism deductions in each of the two cycles, the deductions will be combined and applied to your final IMPACT score (e.g. a 10 point deduction in Cycle 1 and a 20 point deduction in Cycle 3 result in a 30 point deduction from your final IMPACT score).

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

PUTTING IT ALL TOGETHER

What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

Step 1

We begin by identifying your overall score for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates weighted scores for each component. The chart below provides an example.

SAMPLE SCORE

COMPONENT	COMPONENT SCORE	PIE CHART PERCENTAGE	WEIGHTED SCORE
School-Based Social Worker Standards – Administrator Assessed (SW-A)	3.75	x 40	= 150.0
School-Based Social Worker Standards – Central Office Assessed (SW-CO)	3.38	x 40	= 135.2
Assessment Timeliness (AT)	3.70	x 10	= 37.0
Commitment to the School Community (CSC)	3.50	x 10	= 35.0
Core Professionalism (CP)	Meets Standard	N/A	No Change
TOTAL			357.2

Step 3

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual's rating for all cycles is Meets Standard, so no points have been subtracted.

Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines, changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)

What do these ratings mean?

Highly Effective: This rating signifies outstanding performance. Members of the Washington Teachers' Union (WTU) and Council of School Officers (CSO) are eligible for additional compensation as outlined in the *IMPACTplus* section of this guidebook. All individuals rated as Highly Effective will progress normally on their pay scales.

Effective: This rating signifies solid performance. These individuals will progress normally on their pay scales.

Developing: This rating signifies performance that is below expectations. A WTU or CSO member who earns a Developing rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If after three years, an individual, regardless of union affiliation or position change, does not move beyond the Developing rating, he or she will be subject to separation.

Minimally Effective: This rating signifies performance that is significantly below expectations. A WTU or CSO member who earns a Minimally Effective rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If an individual, regardless of union affiliation or position change, receives two consecutive Minimally Effective ratings, he or she will be subject to separation.

Ineffective: This rating signifies unacceptable performance. Individuals, regardless of union affiliation or position change, who receive this rating for one year will be subject to separation.

Note: When an individual transitions to a different IMPACT group, the prior year(s) IMPACT rating(s) will be linked to any subsequent IMPACT ratings for separation determinations.

If I have a concern about my rating, whom should I contact?

If you ever have a concern, contact the IMPACT team at 202-719-6553 or impact.dcps@k12.dc.gov.

If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation regardless of union affiliation or position change.

If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation regardless of union affiliation or position change.

What can I do if I disagree with my final rating?

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor's Appeals Process will be shared with eligible employees.

Note: Employees may have other appeals options available through their union's collective bargaining agreement and are encouraged to contact their union representative for more information.
