LETTER FROM THE CHANCELLOR

Dear Staff,

We have made an enormous amount of progress over the last few years. As you know, according to the National Assessment of Educational Progress (NAEP), DCPS is the fastest improving urban school system in the country. In addition, our graduation rates are up and our enrollment is rising for the fifth year in a row.

Our collective success is due to the extraordinary work you do every day in partnership with our teachers, school leaders, students, and families. You help make our schools welcoming environments and support our students' intellectual, social-emotional, and physical needs—all of which is critical to student success.

I am so proud of the work we have done together, and I am excited to see our district continue to move forward with innovation, urgency, and optimism. Thank you for all that you do for our students and families every day. We are DCPS, and we are doing this!

With great appreciation,

PUTTING GROWTH FIRST

How does IMPACT support my growth?

The primary purpose of IMPACT is to help you become more effective in your work. Our commitment to continuous learning applies not only to our students, but to you as well. IMPACT supports your growth by:

- **Clarifying Expectations** — IMPACT outlines clear performance expectations for all school-based employees. We have worked to ensure that the performance metrics and supporting rubrics are clear and aligned to your specific responsibilities.
- **Providing Feedback** — Quality feedback is a key element of the improvement process. This is why you will receive feedback on your strengths as well as your growth areas. You can also view written comments about your performance by logging into your IMPACT account at <http://impactdcps.dc.gov>.
- **Facilitating Collaboration** — By providing a common language to discuss performance, IMPACT helps support the collaborative process. This is essential, as we know that communication and teamwork create the foundation for student success.
- **Driving Professional Development** — The information provided by IMPACT helps DCPS make strategic decisions about how to use our resources to best support you. We can also use this information to differentiate our support programs by cluster, school, grade, job type, or any other category.
- **Retaining Great People** — Having highly effective teachers and staff members in our schools helps everyone improve. By mentoring and by serving as informal role models, these individuals provide a concrete picture of excellence that motivates and inspires us all. IMPACT helps retain these individuals by providing significant recognition for outstanding performance.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success in college, the workforce, and life.

For further information about job-specific resources and professional development designed to help you grow, see the *Supporting Your Success* section at the end of this guidebook.

GROUP 11: OVERVIEW

Who is in Group 11?

Group 11 consists of all school-based social workers.

What are the IMPACT components for members of Group 11?

There are five IMPACT components for members of Group 11. Each is explained in greater detail in the following sections of this guidebook.

- **School-Based Social Worker Standards – Administrator Assessed (SW-A)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **School-Based Social Worker Standards – Central Office Assessed (SW-CO)** — These standards define excellence for school-based social workers in DCPS. This component makes up 40% of your IMPACT score.
- **Assessment Timeliness (AT)** — This is a measure of the extent to which you complete your assigned assessments within the timeframe and in accordance with the rules established by the DCPS Central Office. This component makes up 10% of your IMPACT score.
- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.
- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.

IMPACT COMPONENTS FOR GROUP 11

**The School-Based Social Worker Standards – Administrator Assessed (SW-A) and the School-Based Social Worker Standards – Central Office Assessed (SW-CO) components will expand to replace components of the pie that cannot be scored.*

What are the School-Based Social Worker Standards – Administrator Assessed?

These standards define excellence in school-wide support and collaboration and student-level assessment for school-based social workers in DCPS. They include:

- Standard 1: School-Wide Prevention, Intervention, and Consultation
- Standard 2: Service Coordination
- Standard 3: Student and Family Engagement

Who developed the School-Based Social Worker Standards – Administrator Assessed?

The standards were developed in collaboration with DCPS school-based social workers, central office staff, and administrators. Per their guidance, the standards are based to a large extent on those established by the School Social Work Association of America (SSWA).

How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be assessed?

Your administrator will assess your proficiency according to the rubric at the conclusion of this section. S/he will assess you formally two times during the year. The first assessment will occur by February 2 and the second by June 8. As part of each assessment cycle, you will have a conference with your administrator. At this conference you will receive feedback based on the School-Based Social Worker Standards – Administrator Assessed rubric and discuss next steps for professional growth.

If your administrator makes at least two attempts to schedule a conference with you prior to the Cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

How will my proficiency in the School-Based Social Worker Standards – Administrator Assessed be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) score for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle. At the end of the year, your assessment cycle scores will be averaged together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

How will school-based social workers who have earned Highly Effective ratings two years in a row be assessed this year?

School-based social workers who have earned Highly Effective ratings during both of the last two school years will receive two assessments during Cycle 1 — one by an administrator by February 2 and one by a program manager/specialist by February 2. If the average score from these two assessments is 3.0 or higher (on the 1.0 to 4.0 scale), the IMPACT team will notify the school-based social worker via email after Cycle 1 ends that she/he will not be receiving a second assessment, unless requested by the school-based social worker on the IMPACT database (<http://impactdcps.dc.gov>). If the average score is below 3.0, the school-based social worker will continue on the normal assessment schedule.

Please note that school-based social workers who are shared between two schools will receive an assessment by each of their administrators by February 2. These scores will then be averaged together, along with the score from the first program manager/specialist assessment, to determine whether shared school-based social workers are eligible for a reduced number of assessments this year.

What is Assessment Timeliness?

This is a measure of the extent to which you complete the assessments assigned to you within the timeframe and in accordance with the rules established by the DCPS Central Office.

Why is this one of my IMPACT components?

Timely completion of assessments is critical to ensuring that our students receive all the services they need. Furthermore, it is required by federal law.

How will my Assessment Timeliness be calculated?

In the spring, you will have the opportunity to confirm the assessments you completed this year. Your Assessment Timeliness score will be calculated at the end of the school year according to the rubric at the end of this section. You will receive an overall score of 4 (highest) to 1 (lowest).

Please note that, because this component is scored only once per year, we have not included a sample score chart as we have for the components that are scored multiple times per year.

What is Commitment to the School Community?

This component measures several aspects of your work as a member of a school community: 1) your support of your school's local initiatives; 2) your support of the Special Education and English Language Learner programs at your school; and 3) your efforts to promote high academic and behavioral expectations. For teachers, this component also measures two other aspects: 4) your partnership with your students' families; and 5) your instructional collaboration with your colleagues.

Why is this one of my IMPACT components?

This component was included because we believe that our students' success depends on the collective efforts of everyone in our schools.

How will my Commitment to the School Community be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment will occur by February 2 and the second by June 13. For more information about school-specific CSC expectations, please contact your administrator.

At the end of each cycle, you can view your final Commitment to the School Community score in the IMPACT database (<http://impactdcps.dc.gov>). While a conference to discuss your Commitment to the School Community score is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Commitment to the School Community be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) score for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle.

What is Core Professionalism?

This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

How will my Core Professionalism be assessed?

Your administrator will assess your Core Professionalism according to the rubric at the conclusion of this section. S/he will assess you two times during the year. The first assessment will occur by February 2 and the second by June 13.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (<http://impactdcp.dc.gov>). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Core Professionalism be rated?

Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you consistently receive a Core Professionalism rating of Meets Standard (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall rating for this component will be Meets Standard and you will see no change in your final IMPACT score. This is the case in the sample rating chart below.

If you receive a rating of Slightly Below Standard on any standard of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. An additional ten points will be deducted if you earn an overall rating of Slightly Below Standard again the next cycle.

If you receive a rating of Significantly Below Standard on any standard of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score. An additional twenty points will be deducted if you earn an overall rating of Significantly Below Standard again the next cycle.

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

SUPPORTING YOUR SUCCESS

What resources are available to help me be successful?

Professional development is critical to our success as a school system. After all, the best schools are those focused on the learning of children *and* adults. This is why providing educators with outstanding support is a top district priority.

Below you will find more information about job-specific resources and learning opportunities designed to help you improve your practice.

FOR SCHOOL-BASED SOCIAL WORKERS

The DCPS Central Office provides discipline-specific professional development to all school-based social workers designed to equip them with current best practices for school settings. During district professional development days, sessions focus on topics ranging from IEP development to evidence-based interventions for supporting students and families. All school-based social workers also participate in monthly, small-group case conferences.

School-based social workers are also invited to take advantage of professional development offerings coordinated by the Washington Teachers' Union, including workshops on the education of exceptional children, school-family connections, and other relevant topics.

Additionally, the School Social Work Association of America (<http://www.sswaa.org>) shares professional development publications online including technical assistance manuals, articles, and guides related to Response To Intervention (RTI) and other best practices. The National Association of Social Workers (<http://www.naswdc.org>) hosts teleconferences and provides a variety of helpful resources.

CANVAS

Canvas (<https://dcps.instructure.com>) is an online platform that provides teachers with curricular resources across all subjects. Curricular resources are aligned with Common Core State Standards, Next Generation Science Standards, and other academic standards. These resources include scope and sequence documents, unit overviews, recommended anchor texts, suggested summative assessments, Cornerstones assignments, and many other resources.

Teachers may access these resources and sign up for relevant events and announcements by visiting <https://dcps.instructure.com> and logging in using their DCPS email address (first.last@dc.gov) and e-mail password. Should they have questions, teachers may contact canvas@dc.gov.

FOR TEACHERS AND STAFF AT SPECIAL SCHOOLS

At International Baccalaureate (IB) Schools, specialized training is offered to support teachers and staff in implementing IB methods, with a focus on developing students' intellectual, personal, emotional, and social skills. The International Baccalaureate Organization also offers workshops and online training for teachers. More information is available at <http://www.ibo.org/events>.

DCPS UNION PARTNERS

Most DCPS staff members are represented by one of four valued union partners. Should employees have questions regarding their union membership, they may contact HR Answers at 202-442-4090. Our union partners include:

- **American Federation of State, County, and Municipal Employees (AFSCME) Local 2921:** American Federation of State, County, and Municipal Employees (AFSCME) members work in public schools throughout the nation in helping children realize their full potential. They do so by providing services critical to an effective and healthy learning environment — assisting in the classroom, and providing clerical and other support to teachers, administrators, and families. AFSCME Local 2921 represents DCPS' school-based clerical staff and educational aides. For more information, please visit www.districtcouncil20.org.
- **Teamsters Local 639:** The Teamsters union mission is to organize and educate workers toward a higher standard of living. Teamster contracts are the guarantors of decent wages, fair promotion, health coverage, job security, paid time off, and retirement income. Teamsters Local 639 represents DCPS' custodians and attendance counselors. For more information, please visit www.teamsters639.com.
- **Council of School Officers (CSO):** The Council of School Officers union (CSO) represents DCPS Administrators below the rank of Instructional Superintendent. The CSO works to bring about fair and equitable labor agreements such as contracts, fair wages, and job descriptions on behalf of their members who serve our students and communities. For more information, please visit www.councilofschoolofficers.org.
- **Washington Teachers' Union (WTU):** The Washington Teachers' Union (WTU) represents more than 5,000 members in Washington, D.C., including teachers, instructional coaches, counselors, library media specialists, and others. The WTU is dedicated to social and educational justice for the students of the District of Columbia and to improving the quality of support, resources, compensation, and working conditions for the public servants and proud teachers who educate our students in D.C. Public Schools. For more information, please visit www.wtulocal6.org.

PUTTING IT ALL TOGETHER

What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

Step 1

We begin by identifying your overall score for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates “weighted scores” for each component. The chart below provides an example.

SAMPLE SCORE

| COMPONENT | COMPONENT SCORE | PIE CHART PERCENTAGE | WEIGHTED SCORE |
|--|-----------------|----------------------|----------------|
| School-Based Social Worker Standards – Administrator Assessed (SW-A) | 3.67 | x 40 | = 146.8 |
| School-Based Social Worker Standards – Central Office Assessed (SW-CO) | 3.38 | x 40 | = 135.2 |
| Assessment Timeliness (AT) | 3.70 | x 10 | = 37.0 |
| Commitment to the School Community (CSC) | 3.50 | x 10 | = 35.0 |
| Core Professionalism (CP) | Meets Standard | N/A | No Change |
| TOTAL | | | 354 |

Step 3

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual's rating for all cycles is Meets Standard, so no points have been subtracted.

Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines, changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)

What do these ratings mean?

Highly Effective: This rating signifies outstanding performance. Members of the Council of School Officers (CSO) and the Washington Teachers' Union (WTU) who earn this rating will be eligible for additional compensation as outlined in the *IMPACTplus* section of this guidebook.

Effective: This rating signifies solid performance. Individuals who earn this rating will progress normally on their pay scales.

Developing: This rating signifies performance that is below expectations. In addition, a CSO or WTU member who earns a Developing rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If, after three years, an individual does not move beyond the Developing rating, he or she will be subject to separation.

Minimally Effective: This rating signifies performance that is significantly below expectations. In addition, a CSO or WTU member who earns a Minimally Effective rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If, after two years, an individual does not move beyond the Minimally Effective rating, he or she will be subject to separation.

Ineffective: This rating signifies unacceptable performance. Individuals who receive this rating will be subject to separation.

Note: In very rare cases, a principal may recommend that a staff member be separated more expeditiously than outlined above if the staff member's performance has declined significantly from the previous year or if there is little evidence that she or he is improving. For example, a principal, in consultation with her or his instructional superintendent, may recommend that a staff member who has earned two consecutive Developing ratings, but who has shown no signs of growth, not be provided with a third year for improvement. In these very rare cases, a principal will need the approval of her or his instructional superintendent to submit a recommendation for early separation. A three-member panel comprised of senior leaders in DCPS will review the recommendation and issue a decision. Staff members will have the right to appeal the panel's decision through the Chancellor's Appeals Process.

If I have a concern about my rating, whom should I contact?

If you ever have a concern, contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation.

If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation.

What can I do if I disagree with my final rating?

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor's Appeals Process and final IMPACT scores will be shared with eligible employees.

Note: Employees may have other appeals options available through their union's collective bargaining agreement and are encouraged to contact their union representative for more information.

Will my IMPACT evaluation be affected by my position at an Extended Year school?

No. For the 2016–2017 school year, your IMPACT evaluation will not be affected if your school transitioned to Extended Year. You will continue to receive all components of your evaluation, as indicated in your guidebook, with the same deadlines as schools that have not transitioned to Extended Year.

CONCLUDING MESSAGE

This system is called “IMPACT” because you, the adults serving in our schools, have the ability to make a dramatic, positive impact on our students’ lives. You are the most important lever of change in our school system.

Our strategic plan, *A Capital Commitment*, is an ambitious vision of what our collective impact will be by 2017, and it is our opportunity — as individual educators, as an entire school system, and as a broader community — to truly prove what’s possible.

While the goals we have set are bold, they represent what we can and must do, together, to ensure that our students receive a first-rate education that will open a world of possibilities for them.
