Dear Staff,

During my first months as Chancellor, I visited all DCPS schools and was incredibly impressed with what I saw in schools across the city. DCPS’ status as the fastest improving urban district in the nation is only possible because of the extraordinary passion, skill, joy, and talent you bring to your work each day.

You help make our schools welcoming environments and support our students’ intellectual, social-emotional, and physical needs — all of which are critical to student success. To both build on our past success and accelerate our efforts to close the achievement gap, we must continue to concentrate our work on ensuring all students feel loved, challenged, and prepared to positively influence society and thrive in life. I am honored to partner with you in this critical work and thank you for all you will do for our students, families, and communities this year.

Every student, every school, every day!

Respectfully,

Antwan Wilson
Chancellor, DC Public Schools
PUTTING GROWTH FIRST

How does IMPACT promote reflection and support my growth?

The primary purpose of IMPACT is to help you become more effective in your work. Our commitment to continuous learning applies not only to our students, but to you as well. IMPACT supports your growth by:

- **Clarifying Expectations** — IMPACT outlines clear performance expectations for all school-based employees. We have worked to ensure that the performance metrics and supporting rubrics are clear and aligned to your specific responsibilities.

- **Providing Feedback** — Quality feedback is a key element in reflecting on your practice. This is why you will receive feedback on your strengths as well as your growth areas. You can also view written comments about your performance by logging into your IMPACT dashboard at http://impactdcps.dc.gov.

- **Facilitating Collaboration** — By providing a common language to discuss performance, IMPACT helps support the collaborative process. This is essential, as we know that communication and teamwork create the foundation for student success.

- **Driving Professional Development** — The information provided by IMPACT helps DCPS make strategic decisions about how to use our resources to best support you. We can also use this information to differentiate our support programs by cluster, school, grade, job type, or any other category.

- **Retaining Great People** — Having highly effective teachers and staff members in our schools helps everyone improve. By mentoring and by serving as informal role models, these individuals provide a concrete picture of excellence that motivates and inspires us all. IMPACT helps retain these individuals by providing significant recognition for outstanding performance.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success in college, the workforce, and life.

For further information about job-specific resources and professional development designed to help you grow, see the Supporting Your Success section at the end of this guidebook.
GROUP 15: OVERVIEW

Who is in Group 15?
Group 15 consists of instructional coach LEAP Leaders.

What are the IMPACT components for members of Group 15?
There are four IMPACT components for members of Group 15. Each is explained in greater detail in the following sections of this guidebook.

- **Leadership Framework (LLF)** — This is a measure of your LEAP leadership expertise. This component makes up 65% of your IMPACT score.

- **Instructional Coach Goals (ICG)** — These are ambitious yet achievable goals for student learning, as evidenced by rigorous assessments other than the PARCC assessments. This component makes up 25% of your IMPACT score.

- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.

- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.
IMPACT COMPONENTS FOR GROUP 15

- LEAP Leadership Framework (LLF) - 65%
- Instructional Coach Goals (ICG) - 25%
- Commitment to the School Community (CSC) - 10%
What is the LEAP Leadership Framework?

The LEAP Leadership Framework (LLF) is a rubric that outlines the actions LEAP Leaders take to successfully lead LEAP Teams. There are seven standards of the LLF:

- LLF 1: Foster a Positive LEAP Team Culture
- LLF 2: Plan for Purposeful LEAP Seminars
- LLF 3: Facilitate Purposeful LEAP Seminars
- LLF 4: Plan for Meaningful Coaching Conversations
- LLF 5: Facilitate Meaningful Coaching Conversations
- LLF 6: Drive Improvements in Teacher Practice
- LLF 7: Implement LEAP with Fidelity

The rubric also describes best practices and provides examples aligned to each of the LEAP Leadership Framework standards.

Why do we need the LEAP Leadership Framework (LLF)?

The LEAP Leadership Framework supports LEAP Leaders’ development by highlighting the core elements of the work for which all LEAP Leaders are responsible and providing a common language for describing and giving feedback on LEAP Leadership best practices.

Who developed the LEAP Leadership Framework (LLF)?

LEAP Leaders, school leaders, staff from the DCPS Central Office, and many others participated in the development of the LLF during the 2016–2017 school year. The LLF is designed to reflect the unique LEAP Leader role as well as research-based best practices for facilitating adult learning. Some of the sources consulted include:

- Coherence Map (Student Achievement Partners)
- Learning Team Cycle of Continuous Improvement (Crow and Hirsh)
- Leverage Leadership (Bambrick-Santoyo)
- Realizing the Power of Professional Learning (Timperley)
- Teaching Adults Revisited: Active Learning for Early Childhood Educators (NAEYC)
- Text-Dependent Questions: Pathways to Close and Critical Reading (Fisher and Frey)
- FVER Rubric (Leading Educators)

*This standard should be scored as “Not Applicable” if the LEAP Leader does not have responsibilities in this area.
How will I be assessed on the LEAP Leadership Framework (LLF)?

Your school leader will holistically gather evidence of your LEAP Leadership in a variety of ways over the course of each IMPACT cycle (e.g., teacher and student artifacts) and will observe your LEAP Leadership at least twice each cycle. For example, your school leader may observe you facilitating a LEAP Seminar, conducting a mini-observation, leading a debrief, co-planning and/or modeling with the teachers on your LEAP Team.

Using the evidence gathered over the course of each IMPACT cycle, your school leader will assess which level (4, 3, 2, 1) provides the best description of your LEAP Leadership practice for each applicable standard of the LLF. Standard scores will then be averaged together to form an overall LLF score for the cycle.

How will I receive feedback based on my LEAP Leadership Framework assessment?

Your school leader will meet with you each IMPACT cycle to discuss your practice, highlight successful elements of your LEAP Leadership, and suggest next steps for professional growth. You will also receive written feedback in an LLF report, which can be viewed in the IMPACT database at impactdcps.dc.gov.

If your school leader makes at least two attempts to schedule a conference with you prior to the cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

If your school leader makes at least two attempts to schedule a conference with you prior to the cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

How will I be assessed on the LEAP Leadership Framework (LLF) if I am a LEAP Leader at two schools?

Instructional coaches who are shared between two schools will receive an LLF assessment from each school leader by February 1 in Cycle 1 and June 7 in Cycle 2. These scores will be averaged together to produce a final LLF score for each IMPACT cycle.

Do I qualify for reduced LEAP Leadership Framework (LLF) assessments?

Instructional coaches who have earned a final IMPACT rating of Highly Effective for the last two school years will receive an LLF assessment by February 1 in Cycle 1. If the score from this assessment is 3.0 or higher, the IMPACT team will notify the Instructional Coach via email after Cycle 1 that she/he will not be receiving a second assessment, unless requested by the Instructional Coach via the IMPACT database at impactdcps.dc.gov.

If the Cycle 1 LLF score is below 3.0, the Instructional Coach will continue on the normal assessment schedule.

If I have additional questions about the LEAP Leadership Framework (LLF), whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

| LEAP Team teachers demonstrate ownership of and investment in their own and peers’ professional learning. | For example, the LEAP Leader:  
- Demonstrates trust, vulnerability, and growth mindset with LEAP Team teachers  
- Holds equitably high expectations for students and teachers  
- Demonstrates interest and investment in LEAP Team teachers as individuals  
- Leverages the expertise in the room, utilizing other teachers and colleagues to problem solve and provide support  
- Prioritizes time and space for LEAP Team teachers to build relationships by allotting time for personal and professional updates/success stories during and outside of seminars  
- Leads a fully inclusive team community of general education, SPED, and ESL teachers by including all LEAP Team teachers in seminar components, discussions, and activities  
- Invites disengaged teachers back in to seminars and debriefs, as applicable |
| For example, the LEAP Team teachers:  
- At times lead portions of seminar discussion and/or student work analysis  
- Are supportive of one another and positively reinforce risk-taking, vulnerability, and problem solving  
- Review observation notes in advance of debriefs and reflect on practice  
- Own the norms and hold one another accountable to them  
- Seek out support from fellow teachers, as needed and appropriate  
- Proactively share resources (e.g., strategies, student tasks)  
- Model humility and a culture of feedback | |

*Because team culture develops and evolves over the course of the year, evaluators may consider time of year when gathering evidence of positive team culture (e.g., first or second semester).
## LEVEL 2

**LEAP Leader demonstrates positive rapport with the LEAP Team, but teachers are inconsistently engaged in seminars/debriefs.**

For example, the LEAP Leader:
- Demonstrates trust, vulnerability, and growth mindset with LEAP Team teachers
- Holds equitably high expectations for students and teachers
- Demonstrates interest and investment in LEAP Team teachers as individuals
- Leverages the expertise in the room, utilizing other teachers and colleagues to problem solve and provide support

- Leads a fully inclusive team community of general education, SPED, and ESL teachers by including all LEAP Team teachers in seminar components, discussions, and activities
- Invites disengaged teachers back in to seminars and debriefs, as applicable

For example, the LEAP Team teachers:
- Offer relevant and insightful questions, comments, and solutions
- Actively listen to each other and promote equity of voice by contributing to discussions and asking probing questions of one another
- Complete specified deliverables in seminars/debriefs
- Maintain focus on LEAP activities/tasks designed to promote student learning
- Share instructional resources upon request
- Co-create and maintain LEAP Team norms

## LEVEL 1 (LOWEST)

**The expectation of Level 2 practice is not met.**

For example, the LEAP Leader:
- Demonstrates negative rapport with LEAP Team teachers

For example, the LEAP Team teachers:
- Are rarely or never engaged in seminars/debriefs

*Because team culture develops and evolves over the course of the year, evaluators may consider time of year when gathering evidence of positive team culture (e.g., first or second semester).*
### LLF 2 PLAN FOR PURPOSEFUL LEAP SEMINARS

**LEAP Leader differentiates seminar content and/or activities to meet the needs of individual LEAP Team teachers.**

**For example, the LEAP Leader:**

- Tailors the seminar to a teacher’s skill level and/or learning style
- Conducts artifact analysis to identify individual teacher needs
- Adapts seminar content and delivery to address misconceptions of individual teachers
- Modifies tasks and activities to promote planning and practice around areas of need

**LEAP Leader prepares for the seminar by internalizing the content and plans challenging seminars with clear outcomes tailored to the needs of the LEAP Team.**

**For example, the LEAP Leader:**

- Reviews the module content such that he/she can deliver content fluently
- Prepares materials (e.g., handouts, anchor charts, PowerPoints) in advance
- Anticipates teachers’ misconceptions and plans to address them
- Strategically leverages the specialized instruction (SPED, ESL) resources when planning for LEAP Seminars
- Collects and analyzes teacher artifacts and student work to inform seminar outcomes

### LLF 3 FACILITATE PURPOSEFUL LEAP SEMINARS

**LEAP Seminars are well-facilitated and teachers consistently spend the majority of the time** doing meaningful cognitive work such as planning/practice, reflection, challenging tasks, or other forms of application.

**For example, the LEAP Seminar:**

- Includes opportunities for feedback during the application portion of the seminar
- Encourages participation so the conversation is balanced, diverse, and inclusive
- Connects agenda items to seminar outcomes
- Thoughtfully addresses needs and priorities of SPED and ESL teachers, as applicable
- Includes observable, sequential directions, clear and concise explanations, and/or emphasizes key points
- Includes opportunities for teachers to engage in student work analysis
- Includes regular checks for understanding to assess teachers’ progress
- Supports shared learning with and among teachers
- Features mostly open-ended, non-rhetorical questions to deepen awareness and create new insight, includes think time, listens actively, and probes to follow up

**LEAP Seminars are well-facilitated and include sufficient opportunities for teachers to do meaningful cognitive work such as planning/practice, reflection, challenging tasks, or other forms of application.**

## LLF 4 PLAN FOR MEANINGFUL COACHING CONVERSATIONS

**LEVEL 4 (HIGHEST)**

LEAP Leader explicitly connects feedback and action steps to a larger, long-term arc of professional learning.

**LEVEL 3**

LEAP Leader uses data* to assess teachers’ coaching needs and effectively plans for application of high-leverage action steps.

For example, the LEAP Leader:

**Level 3 examples AND**

- Connects action steps/priorities to prior feedback/suggestions for improvement
- Provides specific action steps/priorities that are relevant to both upcoming lessons and long-term planning
- Establishes purpose for action steps/priorities by explaining how they promote progress toward larger goals

For example, the LEAP Leader:

**Level 2 examples AND**

- Prepares action steps/priorities for teachers aligned to their skill level and the LEAP module
- Plans probing questions and/or prompts that promote teachers’ reflection
- Strategically chooses artifacts from the observation to prompt reflection
- Analyzes teacher practice data and uses data to inform action steps/priorities
- Identifies appropriately granular instructional adjustments
- Uses knowledge of best practices for SPED and ESL teachers (e.g., co-teaching) to create appropriate action steps/priorities

*LEAP Leaders may use a variety of data to assess teacher needs, including observation notes, lesson plans, student work, and other formative assessment data.

## LLF 5 FACILITATE MEANINGFUL COACHING CONVERSATIONS

**LEVEL 4 (HIGHEST)**

LEAP Leader meets teachers where they are and empowers them with appropriate ownership of the debrief.

**LEVEL 3**

LEAP Leader consistently provides meaningful coaching support and teachers spend the majority of the time engaged in planning/practice.

For example, the LEAP Leader:

**Level 3 examples AND**

- Provides either facilitative or directive coaching aligned to teacher needs
- Provides teachers with frequent opportunities to reflect on their own practice
- Reinforces growth mindset when delivering constructive feedback

For example, the LEAP Leader:

**Level 2 examples AND**

- Efficiently highlights teacher and student actions that are going well
- Asks probing questions to support teachers in identifying appropriate action steps/priorities
- Analyzes lessons and student work with teachers to identify areas for improvement
- Provides feedback on lesson plans/planning done during the debrief
- Provides feedback on teacher’s practice of upcoming lessons from the coach and/or student perspective
- Facilitates joint meetings with general education teacher and SPED and ESL teachers to align action steps/priorities

For example, the LEAP Leader:

**Level 1 (LOWEST)**

- Sets action steps/priorities without considering teacher practice data
- Uses action steps/priorities verbatim from the module
- Provides action steps/priorities misaligned to teacher needs such that they are too easy or too difficult for teachers to implement

For example, the LEAP Leader:

- Does not set clear learning outcomes for debriefs
- Does not provide action steps/priorities for teachers

For example, the LEAP Leader:

- Is unresponsive to teacher needs
- Spends too much time (i.e., more than 50%) on praise, process, and prioritize when facilitating coaching conversations
### LEVEL 2

LEAP Leader identifies action steps for teachers but they are not high-leverage because they are overly general and/or misaligned to teacher need.

For example, the LEAP Leader:
- Sets action steps/priorities without considering teacher practice data
- Uses action steps/priorities verbatim from the module
- Provides action steps/priorities misaligned to teacher needs such that they are too easy or too difficult for teachers to implement

### LEVEL 1 (LOWEST)

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:
- Does not set clear learning outcomes for debriefs
- Does not provide action steps/priorities for teachers

### LEVEL 2

LEAP Leader consistently provides coaching support but insufficient time (i.e., less than 50%) is spent on planning/practice.

For example, the LEAP Leader:
- Efficiently highlights teacher and student actions that are going well
- Asks probing questions to support teachers in identifying appropriate action steps/priorities
- Analyzes lessons and student work with teachers to identify areas for improvement
- Provides feedback on lesson plans/planning done during the debrief
- Provides feedback on teacher’s practice of upcoming lessons from the coach and/or student perspective
- Facilitates joint meetings with general education teacher and SPED and ESL teachers to align action steps/priorities

### LEVEL 1 (LOWEST)

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:
- Is unresponsive to teacher needs
- Spends too much time (i.e., more than 50%) on praise, process, and prioritize when facilitating coaching conversations

---

*LEAP Leaders may use a variety of data to assess teacher needs, including observation notes, lesson plans, student work, and other formative assessment data.*

**Expected frequency may be differentiated per teacher need and as agreed upon by the principal and LEAP Leader.**
### LEVEL 2

Most LEAP Team teachers’ practice improves as a result of their learning through LEAP.

- For example, the LEAP Team teachers:
  - Achieve the LEAP module Look Fors
  - Embed skills and strategies learned through LEAP in upcoming lessons/lesson plans
  - Adjust lesson plans to meet the needs of diverse learners, including SPED and ESL students
  - Develop lessons that address identified student misconceptions
  - Collect and analyze student work samples indicative of improved student learning
  - Complete tasks and activities in seminars and debriefs indicative of improved content pedagogy knowledge/skill
  - Skillfully facilitate student discourse
  - Improve student work analysis skills

### LEVEL 1 (LOWEST)

The expectation of Level 2 practice is not met.

- For example, fewer than half of the LEAP Team teachers:
  - Improve practice as a result of participation in LEAP

### LLF 7 IMPLEMENT LEAP WITH FIDELITY

LEAP Leader inconsistently implements LEAP model components (e.g., LEAP Seminars, observations, coaching touchpoints) with the expected frequency** and content focus.

- For example, the LEAP Leader:
  - Leads seminars and debriefs with appropriate frequency, per the guidance of DCPS Central Office and other instructional leaders
  - Attends professional learning opportunities offered by DCPS Central Office
  - Delivers content-aligned seminars and debriefs
  - Supports all LEAP Team teachers, including SPED and ESL teachers

### LEVEL 2

LEAP Leader consistently implements LEAP model components (e.g., LEAP Seminars, observations, coaching touchpoints) with the expected frequency** and content focus.

For example, the LEAP Leader:

- Leads seminars and debriefs with appropriate frequency, per the guidance of DCPS Central Office and other instructional leaders
- Attends professional learning opportunities offered by DCPS Central Office
- Delivers content-aligned seminars and debriefs
- Supports all LEAP Team teachers, including SPED and ESL teachers

### LEVEL 1 (LOWEST)

The expectation of Level 2 practice is not met.

- For example, the LEAP Leader:
  - Does not implement one or more of the components of the LEAP cycle
  - Fails to document required data points in the LEAP Platform

---

*Evaluators may assess improvements to teacher practice using a variety of data sources including, but not limited to, informal observations, student work analysis, formative assessments, and teacher artifacts such as unit plans.

**Expected frequency may be differentiated per teacher need and as agreed upon by the principal and LEAP Leader.
What are the Instructional Coach Goals (ICGs)?
ICGs are ambitious yet achievable goals for student learning, as evidenced by rigorous assessments other than the PARCC assessments. Instructional coach LEAP Leaders, in collaboration with others (e.g., school leaders, LEAP Team teachers) set these goals for the students of teachers on their LEAP Team(s).

Why is this one of my IMPACT components?
We believe that an instructional coach LEAP Leader’s most important responsibility is to develop the practice of their teachers through LEAP, in order to ensure that students learn and grow. This measure allows you to be recognized for your contribution to your LEAP Team teachers’ students’ academic progress.

What assessments can I use to set Instructional Coach Goals (ICGs)?
You and your school leader will agree upon one or more assessments from an approved bank of assessments currently used in DCPS schools and aligned to the content area(s) and grade band(s) of your LEAP Team(s). The approved assessment bank can be found in the ICG guidance, which is available on your IMPACT dashboard (impactdcps.dc.gov).

How will Instructional Coach Goals (ICGs) be set?
In the fall, you and your school leader will set ICGs by selecting one or more content and grade-aligned assessments and choosing achievement targets based on baseline data (as applicable) for your LEAP Team teachers’ students. If you set multiple ICGs, weights will be selected for each goal. School leaders must approve all assessments, targets, and weights.

At the end of the school year, student achievement data will be submitted to your school leader, who will verify the data and assign each ICG a score based on the targets. Your school leader will communicate with you the date by which student achievement data should be submitted. The deadline for school leaders to score ICGs is June 13.

What if I am shared between two schools?
If you are a shared instructional coach LEAP Leader at two schools, you will set ICGs and receive scores at each school. These scores will then be averaged together to determine your final score for this component.

If I have additional questions about ICGs, whom should I contact?
Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

<td>Student scores on assessments indicate, on average, <strong>significant</strong> learning, such as at least 1 year of growth*; each assessment used is <strong>approved</strong> by the administration; and scores reported are <strong>validated</strong> by the administration.</td>
</tr>
</tbody>
</table>

*Suggested years of growth are listed here as general guidance. Standardized assessments and skills-based rubrics used for ICGs may measure reading levels, rubric levels, etc. Instructional coach LEAP Leaders should refer to the vendor scoring guidance, if applicable, for each assessment they have chosen to determine how many levels equate to a year of growth or more.

**Note:**

1. If more than one assessment is used, each will be scored individually. The scores will then be averaged together, taking into account the weights that administrators and instructional coach LEAP Leaders assigned to each assessment when setting ICGs at the beginning of the year.
### LEVEL 2

Student scores on assessments indicate, on average, **some** learning, such as at least 0.75 years of growth*; each assessment used is **approved** by the administration; and scores reported are **validated** by the administration.

---

### LEVEL 1 (LOWEST)

Student scores on assessments indicate, on average, **little** learning, such as less than 0.75 years of growth*; assessments used are not **approved** by the administration; or scores reported are not **validated** by the administration.
What is Commitment to the School Community?

This component measures several aspects of your work as a member of a school community: 1) your support of your school’s local initiatives; 2) your support of the Special Education and English Language Learner programs at your school; and 3) your efforts to promote high academic and behavioral expectations. For teachers, this component also measures two other aspects: 4) partnership with students’ families; and 5) instructional collaboration with colleagues.

Why is this one of my IMPACT components?

This component was included because we believe every staff member in the building plays a critical role in ensuring the success of all students.

How will my Commitment to the School Community be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment begins at the start of the school year and ends February 1; the second assessment begins February 2 and ends June 12.

At the end of each cycle, you can view your final Commitment to the School Community score in the IMPACT database (http://impactdcps.dc.gov). While a conference to discuss your Commitment to the School Community score is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Commitment to the School Community be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) score for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle.

At the end of the year, your assessment cycle scores will be averaged together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart below.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

If I have additional questions about Commitment to the School Community, whom should I contact?

### CSC 3 High Expectations

- **Level 4 (Highest)**: Individual meets Level 3 expectations AND extends impact by finding new and innovative ways to help promote high expectations and/or by dedicating a truly exceptional amount of time and energy towards developing a culture of high expectations in the school.
- **Level 3**: Individual consistently promotes high academic and behavioral expectations, in an effective manner, for all students.

- **Level 1 (Lowest)**: Individual rarely or never promotes high academic and behavioral expectations, in an effective manner, for all students.

Examples of how one might promote high expectations include: supporting achievement through rigorous academic work and challenging extracurricular opportunities; modeling high personal standards; assigning and communicating grades in a manner consistent with district and school grading policy; and emphasizing pride in self, school, and community.
What is Core Professionalism?
This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

How will my Core Professionalism be assessed?
Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment begins at the start of the school year and ends February 1; the second assessment begins February 2 and ends June 12.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (http://impactdcsps.dc.gov). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Core Professionalism be rated?
Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you receive a Core Professionalism rating of Meets Standard in Cycle 1 and Cycle 2 (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall rating for this component will be Meets Standard and you will see no change in your final IMPACT score.

If you receive a rating of Slightly Below Standard on any standard of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. This is the case in the sample rating chart below.

If you receive a rating of Significantly Below Standard on any standard of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score.

If you receive Core Professionalism deductions in each of the two cycles, the deductions will be combined and applied to your final IMPACT score (e.g. a 10 point deduction in Cycle 1 and a 20 point deduction in Cycle 3 result in a 30 point deduction from your final IMPACT score).

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

What resources are available to help me be successful?

Professional development is critical to our success as a school system. After all, the best schools are those focused on the learning of children and adults. This is why providing educators with outstanding support is a top district priority.

Below you will find more information about job-specific resources and learning opportunities designed to help you improve your practice.

**CANVAS**

Canvas (https://dcps.instructure.com) is an online platform that provides teachers with curricular resources across all subjects. Curricular resources are aligned with Common Core State Standards, Next Generation Science Standards, and other academic standards. These resources include scope and sequence documents, unit overviews, recommended anchor texts, suggested summative assessments, Cornerstones assignments, and many other resources.

Teachers may access these resources and sign up for relevant events and announcements by visiting https://dcps.instructure.com and logging in using their DCPS email address (first.last@dc.gov) and e-mail password. Should they have questions, teachers may contact canvas@dc.gov.

**LEAP**

LEAP is designed to support teachers in developing their content expertise and in becoming truly expert at teaching the DCPS Common Core-aligned curriculum and other course-specific content. To do this, teachers engage in a cycle of development in small, content-specific professional learning communities (LEAP Teams) led by content experts (LEAP Leaders).

For ELA, Math, ECE, ESL, SPED, Science (high school), and Social Studies (high school) teachers, LEAP consists of a weekly cycle with two main components:

1. A 90-minute LEAP Seminar. During this time, content-specific school teams meet to deepen their content knowledge and hone their expertise at the teaching practices that are most important for their particular content area. LEAP Seminars focus on either learning of new content; planning to apply the new content to the classroom; or analyzing data and student work to see the impact of the new learning.

2. A regular Coaching Touchpoint. The most frequent coaching touchpoint is a LEAP Observation and 5P Debrief. The LEAP Observation is a 15-minute observation during which the LEAP Leader observes the teacher implement learning from the LEAP Seminar and homes in on key instructional practices in which the teacher can improve. During the 5P Debrief after the observation, the teacher has the opportunity to receive praise for the growth he or she is making, to process with his or her coach where improvements could be made, to prioritize one action step to focus on during the coming week, to plan an upcoming lesson with this action step in mind, and then to actually practice the action step with his or her coach. While the coaching touchpoint is most often Observation and 5P Debrief, it could also include co-planning or modeling, depending on teacher need. While these coaching touchpoints happen on a weekly basis at the elementary and middle school levels, they take place on a biweekly basis at the high school level.

All teachers participate in professional development days, which include opportunities to deeply explore course-specific content, unpack upcoming units of study, analyze student work, and collaborate with colleagues to plan and practice.
Teachers and LEAP Leaders have access to the LEAP Platform, an online platform that allows both to engage in the LEAP cycle by accessing observation data, action steps from coaching touchpoints, LEAP Seminar curriculum materials, and additional resources to support professional learning.

LEAP Leaders also receive robust supports. On a weekly basis, LEAP Leaders receive content resources to ensure they are setup to successfully lead their LEAP Teams and support their teachers at the school level. They also have opportunities to participate in quarterly workshops to develop adult leadership skills and build off of the learning from LEAP Summer Intensive. Finally, many LEAP Leaders in high-needs schools receive leadership coaching, which offers personalized development for LEAP Leaders to grow their adult and instructional leadership capacity.

For more information about LEAP, please contact the LEAP Team at LEAP@dc.gov or visit the LEAP page on Canvas at https://dcps.instructure.com.

FOR TEACHERS AND STAFF AT SPECIAL SCHOOLS

At International Baccalaureate (IB) Schools, specialized training is offered to support teachers and staff in implementing IB methods, with a focus on developing students’ intellectual, personal, emotional, and social skills. The International Baccalaureate Organization also offers workshops and online training for teachers. More information is available at http://www.ibo.org/events.

DCPS UNION PARTNERS

Most DCPS staff members are represented by one of four valued union partners. Should employees have questions regarding their union membership, they may contact HR Answers at 202-442-4090. Our union partners include:

• **American Federation of State, County, and Municipal Employees (AFSCME) Local 2921**: American Federation of State, County, and Municipal Employees (AFSCME) members work in public schools throughout the nation in helping children realize their full potential. They do so by providing services critical to an effective and healthy learning environment — assisting in the classroom, and providing clerical and other support to teachers, administrators, and families. AFSCME Local 2921 represents DCPS’ school-based clerical staff and educational aides. For more information, please visit www.districtcouncil20.org.

• **Teamsters Local 639**: The Teamsters union mission is to organize and educate workers toward a higher standard of living. Teamster contracts are the guarantors of decent wages, fair promotion, health coverage, job security, paid time off, and retirement income. Teamsters Local 639 represents DCPS’ custodians and attendance counselors. For more information, please visit www.teamsters639.com.

• **Council of School Officers (CSO)**: The Council of School Officers union (CSO) represents DCPS Administrators below the rank of Instructional Superintendent. The CSO works to bring about fair and equitable labor agreements such as contracts, fair wages, and job descriptions on behalf of their members who serve our students and communities. For more information, please visit www.councilofschoolofficers.org.

• **Washington Teachers’ Union (WTU)**: The Washington Teachers’ Union (WTU) represents more than 5,000 members in Washington, D.C., including teachers, instructional coaches, counselors, library media specialists, and others. The WTU is dedicated to social and educational justice for the students of the District of Columbia and to improving the quality of support, resources, compensation, and working conditions for the public servants and proud teachers who educate our students in D.C. Public Schools. For more information, please visit www.wtulocal6.org.
PUTTING IT ALL TOGETHER

What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

Step 1

We begin by identifying your overall score for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates “weighted scores” for each component. The chart below provides an example.

<table>
<thead>
<tr>
<th>COMPONENT</th>
<th>COMPONENT SCORE</th>
<th>PIE CHART PERCENTAGE</th>
<th>WEIGHTED SCORE</th>
</tr>
</thead>
<tbody>
<tr>
<td>LEAP Leadership Framework (LLF)</td>
<td>3.58</td>
<td>x 65</td>
<td>= 232.7</td>
</tr>
<tr>
<td>Instructional Coach Goals (ICG)</td>
<td>3.56</td>
<td>x 25</td>
<td>= 89.0</td>
</tr>
<tr>
<td>Commitment to the School Community (CSC)</td>
<td>4.00</td>
<td>x 10</td>
<td>= 40.0</td>

<td>Meets Standard</td>
<td>N/A</td>
<td>No Change</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td></td>
<td></td>
<td><strong>362</strong></td>
</tr>
</tbody>
</table>

Step 3

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual’s rating for all cycles is Meets Standard, so no points have been subtracted.
Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

* A score of exactly 200 would be classified as Minimally Effective.
** A score of exactly 250 would be classified as Developing.
† A score of exactly 300 would be classified as Effective.
‡ A score of exactly 350 would be classified as Highly Effective.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines, changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)
What do these ratings mean?

**Highly Effective:** This rating signifies outstanding performance. Members of the Washington Teachers’ Union (WTU) and Council of School Officers (CSO) are eligible for additional compensation as outlined in the IMPACT plus section of this guidebook. All individuals rated as Highly Effective will progress normally on their pay scales.

**Effective:** This rating signifies solid performance. These individuals will progress normally on their pay scales.

**Developing:** This rating signifies performance that is below expectations. A WTU or CSO member who earns a Developing rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If after three years, an individual, regardless of union affiliation or position change, does not move beyond the Developing rating, he or she will be subject to separation.

**Minimally Effective:** This rating signifies performance that is significantly below expectations. A WTU or CSO member who earns a Minimally Effective rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If an individual, regardless of union affiliation or position change, receives two consecutive Minimally Effective ratings, he or she will be subject to separation.

**Ineffective:** This rating signifies unacceptable performance. Individuals, regardless of union affiliation or position change, who receive this rating for one year will be subject to separation.

Note: When an individual transitions to a different IMPACT group, the prior year(s) IMPACT rating(s) will be linked to any subsequent IMPACT ratings for separation determinations.

If I have a concern about my rating, whom should I contact?

If you ever have a concern, contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.
If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation regardless of union affiliation or position change.

If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation regardless of union affiliation or position change.

What can I do if I disagree with my final rating?

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor’s Appeals Process will be shared with eligible employees.

Note: Employees may have other appeals options available through their union’s collective bargaining agreement and are encouraged to contact their union representative for more information.

Will my evaluation be affected if my school has a non-traditional (e.g., Extended Year) calendar?

No. Your IMPACT evaluation will not be affected if your school transitioned to a non-traditional calendar. You will continue to receive all components of your evaluation, as indicated in your guidebook, with the same deadlines as schools that have not transitioned to a non-traditional calendar.
IMPACTplus — WTU

What is IMPACTplus?
IMPACTplus is a performance-based compensation system for members of the Washington Teachers’ Union (WTU) and Council of School Officers (CSO) who are evaluated under IMPACT.

Who is eligible for IMPACTplus?
Any WTU member who earns an IMPACT rating of Highly Effective is eligible for an annual bonus. Teachers in Groups 1–7 at high-poverty schools are eligible for additional base salary increases upon reaching the Advanced, Distinguished, or Expert LIFT stages. Instructional coaches in Groups 15 and 16 are eligible for additional base salary increases after they have received two consecutive Highly Effective ratings as instructional coaches.

How do I know if I am a WTU member?
Teachers, instructional coaches, counselors, library media specialists, and others are part of the WTU. If you are not sure about your status, you may contact Human Resources at 202-442-4090 or the WTU at 202-293-8600.

How will I know if I received a Highly Effective rating?
To access this information, log into the IMPACT database at impactdcps.dc.gov. If you need assistance logging in, you may contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

Do I need to be a “full” union member to be eligible for IMPACTplus?
No. You only need “agency fee” status to be eligible for IMPACTplus. To learn more about this status, you may contact the WTU at 202-293-8600.

How does it work?
For instructional coaches, IMPACTplus has two parts: an annual bonus and an increase in base salary.
PART 1: ANNUAL BONUS

How does the annual bonus work?

The chart below describes the bonus structure.

<table>
<thead>
<tr>

</tbody>

How do I know my school’s poverty level?

Each school’s poverty level is listed on the DCPS website at dcps.dc.gov/page/impactplus. If you work at more than one school, we will use the average of your schools’ free and reduced-price lunch rates.

Why do instructional coaches in high-poverty and 40 targeted schools receive higher bonuses?

One of the goals of IMPACTplus is to help our highest-need schools attract and retain outstanding staff members. This is why we are offering higher bonuses to the individuals who serve in these schools.

How do I know if I work in one of the priority schools?

If you are not sure, please ask your administrator. You may also contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

If I retire at the end of the 2017–2018 school year, will I be eligible for the bonus?

Yes.

Will the bonus count toward my pension calculation?

No.

If I resign at the end of the 2017–2018 school year, will I be eligible for the bonus?

No. In addition to recognizing and rewarding excellent staff members, IMPACTplus aims to retain them. Thus, to be eligible for the bonus, you must be employed by DCPS, or be a new entrant to the retirement system, at the time of the bonus distribution.

If I am separated from the school system for disciplinary reasons, will I be eligible for the bonus?

No.

How will I communicate with DCPS whether I want to accept the bonus?

Once final IMPACT ratings are available, the IMPACT team will notify you via email if you are eligible for an IMPACT plus bonus. You will submit your acceptance decision by logging into the IMPACT database at impactdcps.dc.gov. DCPS will provide more details at that time.

PART 2: INCREASE IN BASE SALARY

How does the increase in base salary work?

If you earn a Highly Effective rating two years in a row as an instructional coach and work in a high-poverty school, you will be eligible for an increase in your base salary.

How will it work?

We will increase your base salary in two ways. First, we will move you to the master’s degree salary band if you are not already there. Second, we will grant you a service credit, meaning we will pay you as if you had additional years in the system.

<th>YOUR SCHOOL’S POVERTY LEVEL</th>
<th>YOUR SERVICE CREDIT</th>
</tr>
</thead>
<tbody>

<td>Highly Effective</td>

</tr>
</tbody>
</table>

For example, let’s imagine that it is the end of the 2017–2018 school year and you just earned your second consecutive Highly Effective rating in a high-poverty school. Let us also suppose that you just finished your seventh year of service. For the 2018–2019 school year — your eighth year of service — we would actually pay you as if you were in your thirteenth year (8 years + 5 years of credit).

Will the service credit count for retirement eligibility?

No. Your retirement eligibility will still depend on the actual number of years you have worked in the school system.

If I earned a Highly Effective rating last school year (2016–2017), am I halfway to qualifying for the increase in base salary?

Yes. If you earn a Highly Effective rating again during the 2017–2018 school year, you will qualify for the increase in base salary.

To earn the five-year service credit, do both of my Highly Effective ratings need to be in schools with a free or reduced-price lunch rate that is considered High-Poverty?

Yes.

Are there any conditions attached to accepting the increase in base salary?

Yes. After accepting the increase, you will no longer have access to the “extra year,” early retirement, or buyout options if you are excessed at any time in the future and cannot find a placement at another school. To learn more about these options, please consult the WTU contract (Section 4.5.5) at wtulocal6.org.

Am I required to accept the increase in base salary?

No. If you would prefer not to give up the “extra year,” early retirement, or buyout options related to excessing, you may forgo the increase in base salary.

What happens when I reach the highest salary on the master’s degree band?

If you continue to earn Highly Effective ratings, we will move you to the highest salary on the PhD band.

If I have additional questions about the increase in base salary, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

CONCLUDING MESSAGE

This system is called “IMPACT” because you, the adults serving in our schools, have the ability to make a dramatic, positive impact on our students’ lives. You are the most important lever of change in our school system.

While the goals we set for our students and ourselves are bold, they represent what we can and must do, together, to ensure that our students receive a first-rate education that will open a world of possibilities for them. Every student, every school, every day!
