Office of the Chancellor

Dear Families,

This letter is to inform you of your child’s PARCC (Partnership for Assessment of Readiness for College and Career) scores.

PARCC is a partnership of states that work together to develop high-quality assessments for all students. The PARCC scores provide information about your child’s readiness for college and career.

Parcc scores are calculated based on the percentage of questions answered correctly. The scores range from 1 to 5, with 5 being the highest score.

Your child’s PARCC scores are as follows:

- Reading: 3
- Writing: 3
- Mathematics: 3
- Science: 3

Your child’s scores are comparable to the state average.

Please contact your child’s school if you would like to discuss your child’s PARCC scores.

Sincerely,

Amanda Alexander
