## Overview

Dear Parent or Guardian,

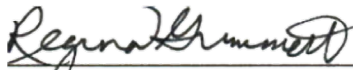

This guide is to help you use the letter you received for an independent educational evaluation (IEE) or independent education services from the District of Columbia Public Schools (DCPS). This is called an authorization letter. The time, amount of services, and highest cost of any services allowed are listed in the letter(s) given to you with this guide.

The guide includes steps for getting the services listed in your letter. It includes a list of types of evaluations and some possible providers to contact. This guide also includes directions for vendors on how to be paid. The service(s) approved in your authorization letter will be paid for by DCPS at no cost to you. Any providers picked by you will submit bills and other information to DCPS for payment. Send this guide to the provider(s) you choose.

You are not required to use any provider in this guide. This guide is to help you look for a provider. You may choose any provider even if they are not listed in this guide, as long as they: (1) don't work for the Government of the District of Columbia, (2) are licensed to provide the service, and (3) agree to be paid the price set by DCPS and to follow the instructions below. You can also change providers if you are unhappy with their services.

If you have concerns or need help in this process, you may contact the DCPS contact listed on your authorization letter. If a vendor or provider has a question, they should email [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov).

Regards,

Regina Grimmert  
Senior Deputy Chief, Specialized Instruction

## IEE Guidance for Families

### What is an Independent Educational Evaluation (IEE)?

What is an Independent Educational Evaluation (IEE)?

An Independent Educational Evaluation (IEE) is a report paid for at public expense but done by someone who does not work for the district (DCPS). An IEE should meet the same standards that are required for a school evaluation. For example, the credentials of the evaluator must be similar to the school's evaluator. The report quality is not guaranteed. Please note that the district is not responsible for IEEs or any harm caused by the IEE provider.

***If you have questions about IEEs or billing, contact the Resolution team at [dcps.resolution@k12.dc.gov](mailto:dcps.resolution@k12.dc.gov) listed on your letter.***

#### ***How do I use my IEE authorization letter?***

The steps below outline how to use the IEE(s) allowed for your student. Review all steps before calling a provider. Reach out to the DCPS Resolution team at [dcps.resolution@k12.dc.gov](mailto:dcps.resolution@k12.dc.gov) with any questions.

#### **Step 1 – Review the type of evaluation(s) and covered cost(s)**

The authorization letter you received shows the type of evaluation(s) that have been approved and the total that DCPS will pay for the evaluation(s). Choose someone qualified who does not charge more than the highest approved cost to perform the evaluation.

DCPS's highest approved rates are [HERE](#). Before starting any evaluations, check that the provider accepts these rates and agrees to bill DCPS directly. Email or call DCPS directly if there is a reason an evaluator cannot bill DCPS directly.

In some cases, a provider may want to charge an hourly rate or total cost higher than what is approved. Contact the DCPS Resolution Team at [dcps.resolution@k12.dc.gov](mailto:dcps.resolution@k12.dc.gov) as soon as you know and tell the provider to email DCPS to explain the higher cost. DCPS will review the request.

#### **Step 2 – Select a Vendor**

After you review the type(s) of evaluation recommended for your student, select a vendor. APPENDIX A includes a list of *some vendors* in the DC area. **You are not required to select anyone from this list. This list is only meant to help you with your search.** You may select any vendor who meets all three conditions listed below:

1. The vendor has providers that are qualified to do the work. See [HERE](#) for requirements.
2. The vendor accepts the rate included in your authorization letter.
3. The vendor has providers that are not DC Government employees.

Consider the following when choosing a vendor:

- **Ability:** Is the assigned provider licensed to do the evaluation?
- **Location:** Is the address somewhere that you can get to?
- **Convenience:** Are testing dates available when you want to go or close to when you want to go?
- **Approval:** Will the vendor bill DCPS at the rate shown on your authorization letter?

#### **Step 3—Schedule the evaluation(s)**

After choosing a vendor, schedule the evaluation(s). When scheduling, be sure to:

- Explain that you have an authorization letter from DCPS for an IEE.
- Send the provider a copy of the letter and this guide. (The provider will need the letter to be paid. Billing information for providers is [HERE](#)).
- Confirm the evaluation the provider will do.
- Double check the location, date, and time of the evaluation.
- Inform your student's school of the evaluation date and when the provider will send you the results.
- 

***NOTE: Testing for IEEs cannot occur on DCPS school property or during the regular DCPS school day. The same limits apply to independent services.***

#### **Step 4 – Attend the evaluation(s)**

**Be sure to arrive on time for your scheduled evaluation.** Your assigned provider will meet with you and your student. Many evaluations take a full day to complete. The provider may test the student and interview you and the student. Your assigned provider may also ask you to do some of this virtually.

#### **Step 5 – Review the evaluation with your student's school.**

The provider must send a completed and signed report to the DCPS contact(s) on your authorization letter. If you receive a copy of the report, send it to the DCPS contact(s) on your letter right away. If you are not sure who to send the report to, contact your student's school special education point of contact. Once the school receives the report, they will send you dates to meet with you to talk about the report and next steps.

## Independent Services Guidance for Families

### What are independent education services?

Independent education services are educational services paid for at public expense but done by a provider who does not work for DC Government (this includes DCPS employees). These services are given to students after the school day. The authorization letter you received names the type, number, and highest hourly rate that DCPS is agreeing to pay. DCPS will not pay the provider for cancellations or no-shows. DCPS will also not repay (reimburse) parents for services, evaluations, or other fees charged by a provider if you pay the provider yourself.

### Types of independent education services and provider requirements

There are many types of independent education services. Service providers must be qualified to provide the services. The chart below shows the requirements for DC providers. If the service your student is authorized to receive is not on the list below, speak to the DCPS contact on your authorization letter before services start to make sure that the provider meets the requirement.

Service Type	CREDENTIAL REQUIREMENT
Adaptive Physical Education	Provider's Current Resume + Teaching Certification with a Health & Physical Ed / K-12 grade level endorsement
Applied Behavioral Analysis	Provider's current resume
Behavior Support Services	Provider's Current Resume + DC Department of Health Psychology License, DC Department of Health Social Work License, OR DC Department of Health Professional Counseling License
Counseling	Provider's Current Resume + DC Department of Health Professional Counseling License, DC Department of Health Social Work License, OR DC Department of Health Psychology License
Mentoring	Provider's Current Resume
Occupational Therapy	Provider's Current Resume + DC Department of Health Occupational Therapy License
Physical Therapy	Provider's Current Resume + DC Department of Health Physical Therapy License
Speech-Language Pathology	Provider's Current Resume + DC Department of Health Speech-Language Pathology License
Tutoring	Provider's Current Resume

### How do I use my service authorization letter?

#### Step 1 –Review the authorization letter

The authorization letter includes the type of services as well as the hourly rate that DCPS will pay the vendor for these services. Keep a copy of the letter for your records. Check the expiration date. If the expiration date is soon and there are hours left, you may reach out to the DCPS Resolution team at [dcps.resolution@k12.dc.gov](mailto:dcps.resolution@k12.dc.gov) to request additional time.

By requesting additional time before the expiration date, the extension letter may be issued before the expiration to make sure there is no interruption of services.

### **Step 2—Select service provider(s)**

There is a list of service providers in [APPENDIX B](#). **You are not required to select a vendor from this list. This list is only meant to help you with your search.** The vendor you select must have providers that meet the requirements for the service. The [chart above](#) lists the requirements. The provider may not bill above the hourly rate in your authorization letter. Rates are set by the OSSE and are updated every year.

Give the authorization letter and this guide to any vendor you choose to work with. Keep a copy of the authorization letter for your records.

### **Step 3—Contact DCPS**

Tell the DCPS employee listed in your letter who you picked and an email address or phone number to reach them.

### **Step 4—Schedule and participate in service sessions**

Independent services must take place when school is out such as after school, on weekends, or on holidays. They MAY NOT be on school property or during school hours (8:30am-3:30pm Monday-Friday). Your student MAY NOT receive independent services during school hours if absent from school. Your student MAY NOT receive services for more than two hours per session and service.

### **Step 5—Track your student’s hours**

Keep track of the date(s) and time(s) when the student receives services. This may help if you decide to change your provider or use more than one provider. Also, a DCPS employee may reach out to check the dates and times submitted by the service provider.

### **Step 6—Verify services**

**At the end of each service session, you must sign a service log verifying the date and time of the services.** You should not sign the service log before any service sessions. If your student is at least 16 years old at the time of service, the student may sign the log at the end of each service session.

### **Step 7—Tell DCPS about any changes**

You may change vendors at any time. Tell the new provider(s) the number of hours already used and give them a copy of the authorization letter. Also, tell the DCPS contact of the change.

# Information for Vendors

## Billing Information for Independent Vendors

You have received this document because a DCPS family has asked you to complete an independent educational evaluation (IEE) or provide independent services for a DCPS student. Review the guidance below regarding the invoice submission process, and see the following applicable sections for additional requirements specific to the type of service you provide:

- [Independent Education Evaluations \(IEE\)](#)
- [Independent Services](#)

**Nothing in this Family Guide or in the accompanying Independent Educational Evaluation or Independent Services Authorization Letter shall be deemed to constitute a partnership or joint venture between you and DCPS or constitute either you or DCPS to be agent of one another for any purpose. Neither you nor DCPS shall have any authority to act for or bind the other in any way, or to represent that such authority is held.**

### Before Starting Services

#### 1. Register as a vendor in the District Integrated Financial System (DIFS).

The District of Columbia has implemented a new financial system, DIFS – District Integrated Financial System, effective October 3, 2022. This requires registration of suppliers into the system to receive payment from DCPS. Failure to register as a supplier in DIFS will result in a dispute of payment. Once registered, suppliers will have the option to make updates to contact, address, banking, and business classification information as needed.

There are two reasons why you should log into the [DIFS Supplier Portal](#):

1. If this is your first time billing DCPS and you are not an existing vendor, the Supplier Portal Self Service Job Aid linked below provides step-by-step instructions that you must follow to register as a supplier.
2. If you are an existing vendor and you would like to update your information or enroll in direct deposit, you must follow the steps outlined in the DIFS Existing Supplier Portal Self-Service Job Aid linked below.

To access the supplier portal, an email address must be added to the supplier record by emailing [suppliers@dc.gov](mailto:suppliers@dc.gov) or calling (202) 442-6870 (Monday through Friday, 8:00am to 5:00pm EST). Once the email address has been added to the supplier record, the supplier portal will be accessible.

Below are the resources to assist you with the Supplier Portal:

- [Supplier Portal Self Service Job Aid](#)
- [DIFS Existing Supplier Portal Self Service Job Aid](#)
- [Frequently Asked Questions](#)

***IMPORTANT: You may notice that the resources linked above mention that invoices can be submitted via the existing vendor portal. However, this does not apply to the type of invoices that you submit for independent educational evaluations or independent services. Continue to submit invoices to [dcps.invoices@dc.gov](mailto:dcps.invoices@dc.gov) and [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov) as required for payment processing.***

If you have any questions about creating a new supplier profile, updating an existing supplier profile, or direct deposit enrollment via the Supplier Portal, please send an email to [suppliers@dc.gov](mailto:suppliers@dc.gov) or call (202) 442-6870 (Monday through Friday, 8:00am to 5:00pm EST).

2. Discuss any extenuating circumstances that may affect your ability to provide services or bill DCPS directly for services. If an extenuating circumstance prevents you from billing DCPS directly, notify the family *before* the start of services. They will need to discuss this with their DCPS point of contact before proceeding.

3. Schedule a “Best Practices and Helpful Tips for Vendor Invoice Packet Submissions and Resubmissions” meeting. This 30-minute virtual meeting provides an opportunity for new and existing vendors to review the billing requirements with a member from the Comp Ed Billing team. This meeting can be held on a Tuesday, Wednesday, or Thursday from 10:00am – 3:00pm. To schedule a meeting, email [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov) with the vendor’s availability. A member from the Comp Ed Billing team will send a virtual meeting invite via Microsoft Teams to confirm the approved time slot.

### Submitting Invoices to DCPS

Independent service providers bill DCPS directly and must submit all required information when requesting payment from DCPS.

Submit one complete invoice packet per student in pdf format. See [here](#) (for IEEs) and [here](#) (for independent services) for a table outlining the information and documents required for each invoice packet.

**Submit all complete invoice packets to [dcps.invoices@dc.gov](mailto:dcps.invoices@dc.gov) and [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov).**

### Billing Reminders

Below are reminders and tips related to submitting invoice packets. Please note that failing to abide by the guidelines included in this section may result in a dispute of payment.

**DO submit invoices in a timely manner.** Invoices submitted more than six (6) months after the date the services were provided shall not be accepted unless specifically approved by, and at the discretion of, DCPS *Cf.* (5A DCMR 2901.9).

**DO provide a copy of all credentials for independent service providers.** A copy of the current license/certification of all providers who provided services to or evaluated the student during the period covered by the invoice must be included in the invoice packet. An individual’s specific credentials may impact the rate at which DCPS is authorized to pay for services. By submitting an invoice for payment, all providers represent and acknowledge that they meet the established qualifications to provide independent services in the related discipline.

**DO submit all invoice packets in PDF format via email.** Email complete invoice packets to [dcps.invoices@dc.gov](mailto:dcps.invoices@dc.gov) and [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov). DCPS cannot accept invoice packets sent by mail, courier, or hand delivery.

**DO NOT provide independent services during school hours.** Independent services are not intended to replace school-based services. Services provided on DCPS school property or during normal school hours on days in which a student is absent will not be approved for payment unless otherwise specified in the DCPS authorization letter.

If services are provided during normal school hours (8:30am – 3:30pm), the following documentation is required:

- A copy of the school’s calendar if services were provided on a weekday that was not a federal holiday OR
- An email from the school regarding school hours if services were provided prior to 3:30PM to confirm that the school had an early dismissal.

**DO NOT provide independent services after the expiration date on the DCPS Authorization Letter.** If the expiration date is approaching and there are hours left, you may ask the parent to contact the DCPS authorizer to request an extension. By requesting an extension before the expiration date, the re-authorization letter can be issued before the initial letter expires to prevent an interruption of services.

**DO NOT ask the parent, guardian, or adult student to sign the service log prior to providing services.** The verification signature must be provided after the completion of each session.

**DO NOT send the same invoice more than once** unless it was previously disputed and you have been advised to resubmit a complete invoice packet for the disputed charges. By submitting an invoice more than once, you can potentially create a duplicate submission in the system, which can cause a delay in payment.

**DO NOT use the same invoice number more than once** unless it was previously disputed, in which case you will be advised to add “\_PD” to the original invoice number. The dispute letter explains exactly how to update the original invoice number so that it can be easily identifiable as a resubmission as opposed to a duplicate submission.

**DO NOT submit an invoice that includes more than one service.** Individual invoice packets may only include one type of provided service. For example, a company that provides BOTH occupational therapy and speech- language services to the same student would need to submit one invoice packet for the occupational therapy services and a separate invoice packet for the speech-language services.

**DO NOT submit an invoice that includes services provided for over one month.** Individual invoice packets may only include services provided within the same month. For example, a company that provides services in April and May would need to submit one invoice packet for services provided in April and a separate invoice packet for services provided in May.

**DO NOT submit an invoice with charges for cancellations/no shows.** The DCPS Authorization Letter authorizes DCPS to pay for completion of the authorized service type(s). This does not include cancellations/no shows.

**DO NOT submit a copy of your W-9 form with every invoice submission.** You only need to submit your W-9 form to DCPS with your first invoice to DCPS or when there is any change to the information contained therein (ex. address, telephone number).

## Processing Status Updates

Once your invoice has been processed, you will receive a processing status update from [comped.dcps@k12.dc.gov](mailto:comped.dcps@k12.dc.gov). This email will let you know that your invoice has been reviewed by the Compensatory Education Billing Team and routed to Accounts Payable for payment processing. Please keep in mind that Accounts Payable (AP) must also review and approve your invoice documentation before issuing payment.

- If there is a partial/full dispute of your invoice, the processing status update will include a detailed dispute letter specifying the approved amount, disputed amount, and resubmission instructions (if applicable).

Note: It is recommended that you use the processing status update to track which invoices are included in your lump sum payment if you submitted more than one invoice on (or around) the same day.

Payments of undisputed amounts shall be made on the 5th or 15th day of the month following the corresponding invoice processing date of the prior month. When the 5th or 15th is not a business day, the due date shall be the first business day thereafter. Payments shall be made by automated clearing house (ACH) electronic transfer and, to the extent practicable, shall include identifying payment information.

## Additional Billing Guidance: Independent Educational Evaluations (IEEs)

### DCPS Requirements for Independent Educational Evaluations (IEEs)

All DCPS-funded IEEs must meet these requirements.

1. Written report on vendor letterhead, including:
  - a. Evaluator's written signature
  - b. Evaluator's credentials
  - c. Evaluator's email address
  - d. Evaluation date(s)
  - e. Procedures used (including any student observations),
  - f. Assessment instruments used,
  - g. Results,
  - h. Diagnostic impressions,
  - i. Relevant recommendations for meeting identified needs of student
2. Evaluation completed by qualified professional who meets the licensure, certification, and credentialing criteria for his or her discipline in Washington, D.C., or the locality of practice, or is appropriately supervised by a clinician who meets these criteria. See [here](#) for licensure requirements for the District of Columbia.

### IEE Billing Information and Invoicing Process

- Send copies of the complete evaluation report to the parent/guardian and the DCPS staff member identified in the authorization letter.
- Include a copy of the complete evaluation report when submitting your invoice to DCPS.
- By submitting your invoice, you represent and acknowledge that you meet the licensure, certification, and credentialing criteria for your evaluation discipline.
- Notify the family **before beginning any evaluations** if an extenuating circumstance will prevent you from billing DC Government (DCPS or OSSE) directly. The family will need to discuss this with their DCPS point of contact before proceeding.
- Notify the family **before beginning any evaluations** if you cannot complete the evaluation for the rate or maximum total specified in the authorization letter. Maximum hourly rates and totals can be found [here](#).
- Contact the DCPS staff member identified in the authorization letter if you have questions before submitting your completed packet.

## Required Documentation for Independent Educational Evaluations (IEE)

All invoices **must** include the documents and information outlined in the table below:

Type of Document	Template Link	Document MUST Include
DCPS Invoice Submission Cover Sheet	<a href="#">Cover Sheet</a>	<ul style="list-style-type: none"> <li>• Vendor’s name</li> <li>• Invoice number</li> <li>• Invoice date</li> <li>• Invoice amount</li> <li>• Period of service (month and year)</li> <li>• Vendor’s email address</li> <li>• Vendor’s phone number</li> </ul>

Box)</li> <li>• Must be signed and dated</li> </ul>

<sup>1</sup> If the license/credential does not include the issue and expiration date, a copy of the license verification lookup results must be obtained from the licensing board’s website and included with the invoice submission.

## Provider Credential Requirements

Providers working in Washington, DC must meet the following requirements. Providers working in other jurisdictions must meet the equivalent license requirements for the area in which they practice. A copy of the evaluator’s valid credentials at the time of the evaluation must be included with each invoice submission. If the provider is a clinical fellow, the provider must be supervised. In addition to the provider, the supervisor must be listed on the invoice and meet the credential requirement. If the authorized evaluation type is not listed below, contact the DCPS authorizer before the start of services to ensure that the evaluator meets the credential requirement.

### Independent Educational Evaluation Requirements

DISCIPLINE	EVALUATION TYPE	CREDENTIAL REQUIREMENT
Psychology	Psychological Assessment and Functional Behavior Assessment	Evaluator’s Current Resume + DC Department of Health License
Social Work	Social History Assessment and Functional Behavior Assessment	Evaluator’s Current Resume + DC Department of Health License

Vocational II	N/A	\$2,000.00

The OSSE rates for evaluations and independent services as of October 1, 2025 are available by clicking this [link](#).

<sup>2</sup> <https://osse.dc.gov/publication/nonpublic-services-rate-chart>

<sup>3</sup> DCPS utilizes rates that are applicable to personnel utilized by public agencies pursuant to the District of Columbia Municipal Regulations. Reasonable and documented fees that exceed these rates may be allowed on a case-by-case basis at the discretion of the District of Columbia, when the evaluator can justify that excess costs were essential for educational and/or diagnostic purposes. **Evaluators should immediately reach out to the DCPS point of contact listed on the authorization letter to provide justification if they believe a higher rate is required to complete the evaluation.**

### Provider Credential Requirements for Independent Services

Providers working in Washington, DC, must meet the following requirements. Providers working in other jurisdictions must meet the equivalent license requirements for the area in which they practice. A copy of the service provider’s valid credentials as of the time of service must be included with each invoice submission. If the provider is a clinical fellow, the provider must be supervised. In addition to the provider, the supervisor must be listed on the invoice and meet the credential requirement. If the authorized service type is not listed below, please contact the DCPS authorizer prior to the start of services to ensure that the provider meets the credential requirement.

Service Type	CREDENTIAL REQUIREMENT
