LETTER FROM THE CHANCELLOR

Dear Teachers,

During my first months as Chancellor, I visited all DCPS schools and was incredibly impressed with the remarkable teaching I saw in classrooms across the city. DCPS' status as the fastest improving urban district in the nation is only possible because of the extraordinary passion, skill, joy, and talent you bring to the classroom each day.

One of many ways that DCPS promotes great teaching is through IMPACT. The DCPS Essential Practices, along with other IMPACT measures, provide a common vision for great instruction and describe the key teaching actions we believe lead to increased student achievement. By clearly outlining what excellence looks like and by recognizing and rewarding those who are successful, especially in our highest need schools, we advance equity for *all* students.

DCPS supports improvements in teacher practice through LEAP, our job-embedded and content-aligned professional development system. Because LEAP is so critical to our district's continued success, we have updated IMPACT structures for LEAP Leaders this year to ensure they serve as a roadmap for successful LEAP leadership. Teachers will also see LEAP connections to their work through LEAP-aligned content examples in the Essential Practices rubric.

To both build on our past success and accelerate our efforts to close the achievement gap, we must continue to concentrate our work on ensuring *all* students feel loved, challenged, and prepared to positively influence society and thrive in life. I am honored to partner with you in this critical work and thank you for all you will do for our students this year.

Every student, every school, every day!

Respectfully,

Antwan Wilson
Chancellor, DC Public Schools

PUTTING GROWTH FIRST

How does IMPACT promote reflection and support my growth?

The primary purpose of IMPACT is to help you become more effective in your work. Our commitment to continuous learning applies not only to our students, but to you as well. IMPACT supports your growth by:

- **Clarifying Expectations** — IMPACT outlines clear performance expectations for all school-based employees. We have worked to ensure that the performance metrics and supporting rubrics are clear and aligned to your specific responsibilities.
- **Providing Feedback** — Quality feedback is a key element in reflecting on your practice. This is why you will receive feedback on your strengths as well as your growth areas. You can also view written comments about your performance by logging into your IMPACT dashboard at <http://impactdcps.dc.gov>.
- **Facilitating Collaboration** — By providing a common language to discuss performance, IMPACT helps support the collaborative process. This is essential, as we know that communication and teamwork create the foundation for student success.
- **Driving Professional Development** — The information provided by IMPACT helps DCPS make strategic decisions about how to use our resources to best support you. We can also use this information to differentiate our support programs by cluster, school, grade, job type, or any other category.
- **Retaining Great People** — Having highly effective teachers and staff members in our schools helps everyone improve. By mentoring and by serving as informal role models, these individuals provide a concrete picture of excellence that motivates and inspires us all. IMPACT helps retain these individuals by providing significant recognition for outstanding performance.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success in college, the workforce, and life.

For further information about job-specific resources and professional development designed to help you grow, see the *Supporting Your Success* section at the end of this guidebook.

GROUP 2e: OVERVIEW

Who is in Group 2e?

Group 2e consists of all general education Pre-K3, Pre-K4, and kindergarten teacher LEAP Leaders.

What are the IMPACT components for members of Group 2e?

There are five IMPACT components for members of Group 2e. Each is explained in greater detail in the following sections of this guidebook.

- **Essential Practices – Early Childhood Education (EP-ECE)** — These are a measure of your instructional expertise. This component makes up 55% of your IMPACT score.
- **LEAP Leadership Framework (LLF)** — This is a measure of your LEAP leadership expertise. This component makes up 20% of your IMPACT score.
- **Teacher-Assessed Student Achievement Data (TAS)** — This is a measure of your students' learning over the course of the year, as evidenced by rigorous assessments other than the PARCC. This component makes up 15% of your IMPACT score.
- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.
- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.

IMPACT COMPONENTS FOR GROUP 2e

**The Essential Practices – Early Childhood Education (EP-ECE) component will expand to replace components of the pie that cannot be scored.*

What are the DCPS Essential Practices?

The Essential Practices are DCPS' definition of effective instruction and outline the key actions we believe lead to increased student achievement. There are five Essential Practices (which include nine elements):

EP1: Cultivate a responsive learning community

- Element 1.A – Supportive Community
- Element 1.B – Student Engagement

EP2: Challenge students with rigorous content

- Element 2.A – Rigorous Content

EP3: Lead a well-planned, purposeful learning experience

- Element 3.A – Skillful Design
- Element 3.B – Skillful Facilitation

EP4: Maximize student ownership of learning

- Element 4.A – Cognitive Work
- Element 4.B – Higher-Level Understanding

EP5: Respond to evidence of student learning

- Element 5.A – Evidence of Learning
- Element 5.B – Supports and Extensions

Why do we need the Essential Practices?

The Essential Practices are vital to the work of increasing student achievement in two fundamental ways. First, they provide a common language for effective instruction, which enables us to align IMPACT and professional support. Second, they provide clear expectations for teachers and illustrate what success looks like in DCPS classrooms.

Who developed the DCPS Essential Practices?

Teachers, administrators, instructional staff from the DCPS Central Office, and many others participated in the development of the Essential Practices during the 2015–2016 school year. As part of that process, numerous sources were consulted, including:

- Achieve the Core's *Instructional Practice Guides*
- Carol Dweck's *Mindset*
- Charlotte Danielson's *Framework for Teaching*
- Common Core State Standards
- College Career and Civic Life C3 Framework for Social Studies State Standards
- Common Career Technical Core Standards
- DCPS's *Teaching and Learning Framework*
- Doug Lemov's *Teach Like a Champion*
- Elizabeth Green's *Building a Better Teacher*
- Grant Wiggins & Jay McTighe's *Understanding by Design*
- Insight Education Group's *Core Framework*
- Next Generation Science Standards
- Research for Better Teaching's *Skillful Teacher*
- Robert Marzano's *Classroom Instruction that Works*
- Sharroky Hollie's *Culturally and Linguistically Responsive Teaching and Learning*
- Teach For America's *Teaching as Leadership Framework*
- Teaching Tolerance's *Anti-Bias Framework*
- TNTP's *Fixing Classroom Observations*
- TNTP's *Core Teaching Rubric*
- WIDA English Development Standards
- World-Readiness Standards for Learning Languages

How will I be scored on the Essential Practices rubric?

For each IMPACT observation, your evaluator will assess which level (4, 3, 2, 1) provides the best description of the instructional practice observed for each element of the rubric. Element scores will then be averaged together, as applicable, to form an overall score for each Essential Practice. The five Essential Practice scores are averaged to create the overall observation score. To view an example of how the Essential Practices are scored, see the sample score chart to the right.

Who conducts IMPACT observations?

IMPACT observations are conducted by administrators. During these observations, your practice is assessed according to the Essential Practices rubric.

How many IMPACT observations will I receive?

The number of IMPACT observations you receive will depend on your stage in the Leadership Initiative for Teachers (LIFT)* career ladder. This differentiation reflects our belief that teachers at different performance and experience levels deserve different types of feedback, support, and recognition. The following pages provide a more detailed description of how teachers at each LIFT stage will be observed. Please note that informal observations are no longer part of IMPACT.

SAMPLE SCORE CHART
ESSENTIAL PRACTICES (EP)

ESSENTIAL PRACTICE	ELEMENT	ELEMENT SCORE	ESSENTIAL PRACTICE SCORE
1. Cultivate a responsive learning community	1.A Supportive Community	3.0	3.5
	1.B Student Engagement	4.0	
2. Challenge students with rigorous content	2.A Rigorous Content	3.0	3.0
3. Lead a well-planned, purposeful learning experience	3.A Skillful Design	2.0	3.0
	3.B Skillful Facilitation	4.0	
4. Maximize student ownership of learning	4.A Cognitive Work	3.0	3.0
	4.B Higher-Level Understanding	3.0	
5. Respond to evidence of student learning	5.A Evidence of Learning	2.0	2.5
	5.B Supports and Extensions	3.0	
OVERALL SCORE			3.0

LIFT STAGES

NUMBER OF IMPACT OBSERVATIONS

LIFT STAGE	Teacher	Established Teacher	Advanced Teacher	Distinguished Teacher	Expert Teacher
# OF IMPACT OBSERVATIONS	3	3	3	2	At Least 1

*The Leadership Initiative For Teachers (LIFT) is explained in full in a separate guidebook that is posted on the DCPS website.

When will my IMPACT observations occur?

Observation schedules are differentiated based on each teacher’s LIFT stage. Please see the charts below to learn more about the observation schedule aligned with your LIFT stage.

TEACHER STAGE

How many IMPACT observations will teachers at the Teacher stage receive?

Teachers at the Teacher stage will receive **three IMPACT observations**, which will be conducted by an administrator.

TEACHER OBSERVATION CYCLES

OCT 2	DEC 14	DEC 15	MAR 15	MAR 16	JUNE 7
CYCLE 1		CYCLE 2		CYCLE 3	

ESTABLISHED TEACHER STAGE

How many IMPACT observations will teachers at the Established Teacher stage receive?

Teachers at the Established Teacher stage will receive **three IMPACT observations**, which will be conducted by an administrator.

ESTABLISHED TEACHER OBSERVATION CYCLES

OCT 2	DEC 14	DEC 15	MAR 15	MAR 16	JUNE 7
CYCLE 1		CYCLE 2		CYCLE 3	

ADVANCED TEACHER STAGE

How many IMPACT observations will teachers at the Advanced Teacher stage receive?

Teachers at the Advanced Teacher stage will receive **three IMPACT observations**, which will be conducted by an administrator.

ADVANCED TEACHER OBSERVATION CYCLES

OCT 2	DEC 14	DEC 15	MAR 15	MAR 16	JUNE 7
CYCLE 1		CYCLE 2		CYCLE 3	

DISTINGUISHED TEACHER STAGE

How many IMPACT observations will teachers at the Distinguished Teacher stage receive?

Teachers at the Distinguished Teacher stage will receive **two IMPACT observations**, which will be conducted by an administrator.

DISTINGUISHED TEACHER OBSERVATION CYCLES

OCT 2	DEC 14	DEC 15	MAR 15	MAR 16	JUNE 7
CYCLE 1		CYCLE 2		N/A	

EXPERT TEACHER STAGE

How many IMPACT observations will teachers at the Expert Teacher stage receive?

Teachers at the Expert Teacher stage will receive **at least one*** IMPACT observation. This observation will take place by December 14 and be conducted by an administrator. If the score from this observation is below 3.0 (on the 1.0 to 4.0 scale), the teacher will automatically receive a second IMPACT observation. If the score from this observation is 3.0 or higher (on the 1.0 to 4.0 scale), the teacher will not receive her or his second observation, unless requested by the teacher.

EXPERT TEACHER OBSERVATION CYCLES

OCT 2	DEC 14	DEC 15	MAR 15	MAR 16	JUNE 7
CYCLE 1		CYCLE 2**		N/A	

**Per the requirements of the U.S. Department of Education, and to promote the growth and development of all teachers, Expert Teachers will be observed more than once over the course of the school year. For Expert Teachers who opt out of subsequent observations, administrators will only submit one formal IMPACT report.*

***Eligible teachers will not receive a Cycle 2 IMPACT observation.*

ADVANCING UP THE LIFT CAREER LADDER

Do I qualify for reduced IMPACT observations?

As noted in the charts on the previous pages, all teachers at the Teacher, Established, and Advanced LIFT stages will receive three IMPACT observations; all Distinguished Teachers will receive two IMPACT observations. Expert Teachers who receive a Cycle 1 observation score of 3.0 or higher may choose to have a second IMPACT observation. Expert teachers who receive a Cycle 1 observation score below 3.0 will automatically receive a second observation.

If I am an Expert Teacher and qualify for reduced IMPACT observations, may I request to receive an additional observation?

Yes. After Cycle 1 ends, the IMPACT team will notify all Expert teachers that received a score 3.0 or higher in Cycle 1 via email that they will not receive a second observation. At that point, they may log into the IMPACT database (<http://impactdcps.dc.gov>) to indicate that they would like to receive an additional observation. Teachers who receive a score of less than 3.0 in Cycle 1 will automatically receive a second observation.

How long will each IMPACT observation last?

Each observation will last at least 30 minutes; your observation may last longer than 30 minutes.

Will IMPACT observations be announced or unannounced?

All IMPACT observations are unannounced.

May I provide my administrator with additional information about my class?

Yes. You may provide your administrators with additional context about the observed lesson or your class through your IMPACT dashboard by visiting <http://impactdcps.dc.gov>.

How will I receive feedback from my IMPACT observation?

Within 15 calendar days following the IMPACT observation, your administrator will meet with you to share feedback.

If your administrator makes at least two attempts to schedule a conference with you within 15 calendar days following the observation, and you are unable to meet or are unresponsive, the observation will be valid without the conference occurring within the 15 days. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

You will also receive written comments in an Essential Practices report, which can be viewed in the IMPACT database. You can log into your IMPACT dashboard by visiting <http://impactdcps.dc.gov>.

If I have additional questions about the DCPS Essential Practices, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

ESSENTIAL PRACTICE 1

CULTIVATE A RESPONSIVE LEARNING COMMUNITY

	1.A Supportive Community	1.B Student Engagement
LEVEL 4	<p>All students are valued members of a welcoming and responsive learning community.* The teacher proactively cultivates community with and among students.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Consistently encourages students to praise and show appreciation for one another Provides time, space, and structures for positive interactions between students such as morning meeting “shout-outs” Has meaningful systems in place to encourage acts of kindness and compassion with peers and adults <p style="text-align: right;"><i>See also examples from Level 3</i></p>	<p>All students are engaged throughout the learning experience OR almost all students are engaged throughout the learning experience and the teacher responds to disengagement by inviting students back in to the learning experience. The teacher promotes engagement by establishing purpose for what students are learning and doing.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Shares with students what they are working on and why, as appropriate Has clear, student-friendly academic and developmental objectives for centers or workstations Communicates daily developmental objectives in ways such as oral explanations, sight words, pictures, and voice recordings <p style="text-align: right;"><i>See also examples from Level 3</i></p>
LEVEL 3	<p>All students are valued members of a welcoming and responsive learning community.*</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Models positive social interactions (e.g., encouragement through high-fives and/or clapping) Displays positive affect toward students Is responsive to students’ needs and matches support to their developmental age and abilities Is attentive to student concerns and responds appropriately Conveys understanding of and respect for students’ unique characteristics Seeks, welcomes, and values students’ thoughts, ideas, and perspectives Provides opportunities for students to use their home language <p>For example, the pre-kindergarten or kindergarten learning environment:</p> <ul style="list-style-type: none"> Includes materials and displays reflective of students’ identities (e.g., racial, cultural, linguistic, ethnic, national, familial) Displays students’ authentic and current work 	<p>All students are engaged throughout the learning experience OR almost all students are engaged throughout the learning experience and the teacher responds to disengagement by inviting students back in to the learning experience.</p> <p>For example, engaged pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> Demonstrate interest in learning activities and/or the learning environment Are on task, as applicable Are verbally and/or non-verbally responsive to the teacher <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Responds to disengagement by inviting students back in a positive way Uses reengagement strategies such as proximity, non-verbal cues, breaks, or reflection, as appropriate Recognizes when students need space and/or time to successfully refocus Differentiates responses to inappropriate behavior based on student need
LEVEL 2	<p>The teacher is respectful of students; students generally comply with the teacher’s directions.*</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Acknowledges students generally, but does not display specific concern for students’ thoughts, opinions, and/or feelings <p>For example, some pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> Follow basic classroom expectations Display mild negativity toward teacher and/or peers Are frequently in conflict with peers 	<p>Almost all students are engaged throughout the learning experience; the teacher does not respond to student disengagement.</p> <p>For example, engaged pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> Demonstrate interest in learning activities, the learning environment, or both Are on task, as applicable Are verbally and/or non-verbally responsive to the teacher <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Does not attempt to invite disengaged students back into the learning experience when appropriate to do so
LEVEL 1	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Uses inappropriate sarcasm with students Is frequently dismissive of student needs, emotions, or ideas 	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Responds negatively to student disengagement

*Observers should consider the point in the school year when assessing this standard. For example, the teacher may be in the early stages of building classroom community at the beginning of a semester or when orienting new students to the classroom. Therefore, evaluators might credit teacher prompting or other proactive community building actions as evidence of a welcoming and responsive learning community.

Pre-Kindergarten

Pre-K LEAP modules support teachers in establishing a classroom community that is responsive and characterized by warm and supportive relationships.

LEAP modules feature the following core instructional practices:

- Positive Climate: Developing emotional connections with and among students, and communicating warmth, respect, and enjoyment through verbal and non-verbal interactions
- Teacher Sensitivity: Identifying and responding to students' emotional needs
- Regard for Student Perspectives: Emphasizing students' interests, motivations, and points of view through interactions

Kindergarten English Language Arts

LEAP modules support teachers in developing students' abilities to contribute to a responsive learning community in which they work collaboratively, discuss their thinking and their ideas, and challenge each other in a productive way.

LEAP modules feature the following core instructional practices:

- Flexibly move students in and out of groups as their instructional needs change
- Plan opportunities to leverage collaborative conversations as a structure supporting evidence-based writing
- Cultivate a literacy rich environment that promotes a love of reading and writing

Kindergarten Mathematics

LEAP modules support teachers in developing students' abilities to contribute to a responsive learning community in which they work collaboratively, discuss their thinking and their ideas, and challenge each other in a productive way.

LEAP modules feature the following core instructional practices:

- Engage students in purposeful sharing of mathematical ideas, reasoning, and approaches, using varied representations in small-group and classroom discussions
- Allocate sufficient wait time so that more students can formulate and offer responses
- Praise students for their efforts in making sense of mathematical ideas and perseverance in reasoning through problems

ESSENTIAL PRACTICE **2**

CHALLENGE STUDENTS WITH RIGOROUS CONTENT

2.A Rigorous Content

LEVEL 4	<p>The learning experience is aligned to academic and/or developmental standards (as defined by the DC Early Learning Standards, Common Core State Standards, GOLD®, or other appropriate standards) and is appropriately challenging for students. The learning experience fosters students’ curiosity about the content.</p> <p>For example, the pre-kindergarten or kindergarten learning experience:</p> <ul style="list-style-type: none"> • Provides opportunities for students to grapple with and/or pose compelling questions and ideas • Centers around content that is meaningful for students • Encourages students to make connections to other content areas and/or academic disciplines • Provides opportunities for students to infer meaning and/or identify patterns <p style="text-align: right;"><i>See also examples from Level 3</i></p>
LEVEL 3	<p>The learning experience is aligned to academic and/or developmental standards (as defined by the DC Early Learning Standards, Common Core State Standards, GOLD®, or other appropriate standards) and is appropriately challenging for students.</p> <p>For example, the content is aligned to appropriate standards such as:</p> <ul style="list-style-type: none"> • (Kindergarten only) Common Core State Standards; Next Generation Science Standards; College, Career, and Civic Life (C3) Framework; WIDA • DC Early Learning Standards • GOLD® domains and objectives <p>AND</p> <p>For example, the learning experience is challenging such that it:</p> <ul style="list-style-type: none"> • Focuses on content and skill(s) students need to successfully meet or exceed grade-level standards • Is reflective of high expectations for students’ learning • Features content worthy of students’ time and effort
LEVEL 2	<p>The learning experience is aligned to academic and/or developmental standards (as defined by the DC Early Learning Standards, Common Core State Standards, GOLD®, or other appropriate standards) but is not appropriately challenging for students.</p> <p>For example, the content is aligned to appropriate standards such as:</p> <ul style="list-style-type: none"> • (Kindergarten only) Common Core State Standards; Next Generation Science Standards; College, Career, and Civic Life (C3) Framework; WIDA • DC Early Learning Standards • GOLD® domains and objectives <p>BUT</p> <p>For example, the learning experience is not sufficiently challenging such that it:</p> <ul style="list-style-type: none"> • Features content that is unlikely to move students significantly toward grade-level standards • Is not reflective of sufficiently high expectations for students’ learning
LEVEL 1	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the learning experience:</p> <ul style="list-style-type: none"> • Is not challenging • Is misaligned to appropriate standards

Pre-Kindergarten

Pre-K LEAP modules support teachers in using the Early Learning Standards and GOLD objectives to promote student thinking and language development through practices illustrated in the CLASS Instructional Support indicators.

LEAP modules feature the following core instructional practice:

- Concept Development: Using instructional discussion activities, rather than rote instruction, to promote students' higher order thinking skills and cognition

Kindergarten English Language Arts

LEAP modules unpack the complexity of the Common Core State Standards by focusing on their specific strands (Reading, Writing, Speaking and Listening, and Language).

LEAP modules feature the following core instructional practices:

- Plan questions and prompts for small group literacy that reflect the rigor defined in the Common Core State Standards
- Plan text dependent questions and prompt designed to increase student understanding of the inferential meaning of a text
- Leverage the read aloud to model fluency and build content knowledge

Kindergarten Mathematics

LEAP modules support teachers in identifying appropriate goals aligned to the Common Core State Standards, the Eureka curriculum, and students' individual progress and learning trajectories.

LEAP modules feature the following core instructional practices:

- Establish clear goals that articulate the mathematics students are learning as a result of instruction in a lesson, over a series of lessons, or throughout a unit
- Identify how goals fit within a mathematics learning progression and connect to the major standards for the course
- Focus students' attention on the structure of essential features of mathematical ideas that appear, regardless of their representation

ESSENTIAL PRACTICE 3

LEAD A WELL-PLANNED, PURPOSEFUL LEARNING EXPERIENCE

3.A Skillful Design		3.B Skillful Facilitation	
LEVEL 4	<p>The learning experience and learning environment are well-planned such that tasks and activities effectively promote students’ development across multiple domains (i.e., language, cognition, social-emotional, fine/gross motor, literacy, mathematics, arts). The learning experience is designed to maximize the amount of time students have to grapple with content.</p>	<p>The learning experience and learning environment are structured such that all students are able to access the content.</p>	
	<p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> Limits time spent on routines and procedures, as appropriate Ensures activities are efficient and purposeful Maximizes time for student play and/or work with complex problems Maximizes time for students to explore purposeful materials in centers or workstations <p style="text-align: right;"><i>See also examples from Level 3</i></p>	<p>For example, the learning experience is accessible for all students because the teacher:</p> <ul style="list-style-type: none"> Ensures that all parts of the learning experience are developmentally appropriate Differentiates instructional delivery and/or materials according to student needs (e.g., uses strategies such as flexible grouping, leveled texts, leveled questions) Presents content in multiple ways (e.g., explanations, visual representations, concrete examples) Designs the visual, tactile, and auditory intensity of the learning environment to match students’ need for stimulation, or lack thereof 	
LEVEL 3	<p>The learning experience and learning environment are well-planned such that tasks and activities effectively promote students’ development across multiple domains (i.e., language, cognition, social-emotional, fine/gross motor, literacy, mathematics, arts).</p>	<p>The learning experience and learning environment are structured such that almost all students are able to access the content.</p>	
	<p>For example, the pre-kindergarten or kindergarten learning experience:</p> <ul style="list-style-type: none"> Includes opportunities for complex play in which students integrate developmental skills Has students apply prior knowledge to similar challenges <p>For example, the pre-kindergarten or kindergarten learning environment:</p> <ul style="list-style-type: none"> Presents students with real-world scenarios, materials, and problems that require students to integrate skills and concepts Offers students opportunities for different types of academic learning in centers or workstations (e.g., independent or guided exploration, direct instruction, inquiry) 	<p>For example, the learning experience is accessible for almost all students because the teacher:</p> <ul style="list-style-type: none"> Ensures that all parts of the learning experience are developmentally appropriate Differentiates instructional delivery and/or materials according to student needs (e.g., uses strategies such as flexible grouping, leveled texts, leveled questions) Presents content in multiple ways (e.g., explanations, visual representations, concrete examples) Designs the visual, tactile, and auditory intensity of the learning environment to match students’ need for stimulation, or lack thereof 	
LEVEL 2	<p>The learning experience or learning environment includes tasks or activities that are not entirely effective at promoting students’ development across multiple domains (i.e., language, cognition, social-emotional, fine/gross motor, literacy, mathematics, arts).</p>	<p>The learning experience and learning environment are structured such that most students are able to access the content.</p>	
	<p>For example, the pre-kindergarten or kindergarten learning experience:</p> <ul style="list-style-type: none"> Includes tasks and activities that do not promote development across domains Includes tasks and activities that are too long or too short in duration Includes tasks and activities that do not move student learning forward 	<p>For example, the learning experience is accessible for most students because the teacher:</p> <ul style="list-style-type: none"> Ensures that all parts of the learning experience are developmentally appropriate Differentiates instructional delivery and/or materials according to student needs (e.g., uses strategies such as flexible grouping, leveled texts, leveled questions) Presents content in multiple ways (e.g., explanations, visual representations, concrete examples) Designs the visual, tactile, and auditory intensity of the learning environment to match students’ need for stimulation, or lack thereof 	
LEVEL 1	<p>The expectation of Level 2 practice is not met.</p>	<p>The expectation of Level 2 practice is not met.</p>	
	<p>For example, the pre-kindergarten or kindergarten learning experience:</p> <ul style="list-style-type: none"> Does not reflect strategic planning or promote skill acquisition Features center or workstation materials that are not interesting, too simple, or inappropriately repetitive for students 	<p>For example, the pre-kindergarten or kindergarten learning experience:</p> <ul style="list-style-type: none"> Is not accessible for most students 	

Pre-Kindergarten

Pre-K LEAP modules support teachers in expertly planning teacher-led experiences as well as developing strategies for maximizing play-based and other authentic experiences in order to promote student thinking and learning.

LEAP modules feature the following core instructional practices:

- Teacher Sensitivity: Identifying and responding to students' academic needs
- Instructional Learning Formats: Using a variety of strategies to maximize students' interest, engagement, and ability to learn from lessons and activities
- Productivity: Managing instructional time and routines in a way that ensures that students have the opportunity to be involved in learning activities

Kindergarten English Language Arts

In addition to the planning and application time provided in every module, some LEAP modules focus on research-based practices for structuring instruction or developing specific strategies for making content clear and accessible to all students.

LEAP modules feature the following core instructional practices:

- Plan explicit and interactive phonics lessons that require encoding and decoding of newly-acquired phonics skills
- Design rigorous and differentiated independent learning activities that reflect varied proficiency levels
- Leverage the read aloud as an opportunity to study models of Common Core State Standards-aligned genres to investigate author's craft

Kindergarten Mathematics

LEAP modules incorporate NCTM's Eight Effective Teaching Practices in order to support teachers in designing and implementing learning experiences that enable all students to grapple with and master complex mathematical skills and concepts.

LEAP modules feature the following core instructional practices:

- Ensure progress toward mathematical goals by making explicit connections to student approaches and reasoning
- Use the mathematical goals to guide lesson planning and reflection and make in-the-moment decisions during instruction
- Ask intentional questions that make the mathematics more visible and accessible for student examination and discussion

**When observing a Montessori or Reggio setting, demonstration of higher-level understanding may include appropriate interaction with materials rather than verbal exchanges or expressions.*

ESSENTIAL PRACTICE 4

MAXIMIZE STUDENT OWNERSHIP OF LEARNING

4.A Cognitive Work

Students spend the **majority** of the learning experience engaging in meaningful work or play including sharing ideas, solving problems, drawing inferences, forming hypotheses, and/or working through complex tasks.

LEVEL 4

For example, pre-kindergarten and kindergarten students spend the majority of the learning experience:

- Productively thinking, speaking, working, and/or playing
- Productively grappling with content

See also examples from Level 3

Students spend a significant portion of the learning experience engaged in **meaningful work or play** including sharing ideas, solving problems, drawing inferences, forming hypotheses, and/or working through complex tasks.

LEVEL 3

For example, pre-kindergarten and kindergarten students:

- Use existing knowledge and skill to explore new contexts
- Express their individual thoughts, ideas, questions, and perspectives
- Make frequent and meaningful choices about their work, play, or both
- Grapple with authentic, real-world problems in developmentally appropriate ways (e.g., acting out complex social interactions in a dramatic play center)
- Engage in goal-oriented play that is sequential and/or requires planning

Students spend a **significant portion** of the learning experience engaged in work or play that is **not entirely meaningful** because either there is more teacher-directed instruction than appropriate or student work consists of rote tasks misaligned to the rigor of the intended learning.

LEVEL 2

For example, the pre-kindergarten or kindergarten teacher:

- Does not include opportunities for students to share thoughts and/or opinions in one or more components of the learning experience
- Provides opportunities only for choral or yes/no student responses
- Limits the scope of play such that students are not able to set goals, make and carry out their own plans, and/or grapple with real-world problems

The expectation of Level 2 practice is not met.

LEVEL 1

For example, the pre-kindergarten or kindergarten teacher:

- Does not provide opportunities for students to do meaningful work or play

For example, most pre-kindergarten and kindergarten students:

- Refuse to participate in the learning experience

4.B Higher-Level Understanding

LEVEL 4	<p>All or almost all students demonstrate movement toward higher-level understanding as a result of their participation in the learning experience.*</p>
LEVEL 4	<p>For example, all or almost all pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> • Think deeply about materials, consider solutions to problems, and share ideas • Non-verbally express understanding (e.g., building models) • Respond to open-ended questions of progressing difficulty • Engage in sustained feedback loops with teacher or peers on a single topic, as appropriate to their developmental level • Evaluate hypotheses and draw conclusions about materials or ideas • Evaluate their own thinking with or without prompting and support from the teacher • Demonstrate significant progress toward learning goals
LEVEL 3	<p>Most students demonstrate movement toward higher-level understanding as a result of their participation in the learning experience.*</p>
LEVEL 3	<p>For example, most pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> • Think deeply about materials, consider solutions to problems, and share ideas • Non-verbally express understanding (e.g., building models) • Respond to open-ended and/or questions of progressing difficulty • Engage in sustained feedback loops with teacher or peers on a single topic, as appropriate to their developmental level • Evaluate hypotheses and draw conclusions about materials or ideas • Evaluate their own thinking with or without prompting and support from the teacher • Demonstrate significant progress toward learning goals
LEVEL 2	<p>Some students demonstrate movement toward higher-level understanding as a result of their participation in the learning experience.*</p>
LEVEL 2	<p>For example, some pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> • Think deeply about materials, consider solutions to problems, and share ideas • Non-verbally express understanding (e.g., building models) • Respond to open-ended and/or questions of progressing difficulty • Engage in sustained feedback loops with teacher or peers on a single topic, as appropriate to their developmental level • Evaluate hypotheses and draw conclusions about materials or ideas • Evaluate their own thinking with or without prompting and support from the teacher • Demonstrate significant progress toward learning goals
LEVEL 1	<p>The expectation of Level 2 practice is not met.</p>
LEVEL 1	<p>For example, most pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> • Do not do work that serves a developmental or academic purpose • Do not demonstrate progress toward higher-level understanding

* When observing a Montessori or Reggio setting, demonstration of higher-level understanding may include appropriate interaction with materials rather than verbal exchanges or expressions.

ESSENTIAL PRACTICE 4

MAXIMIZE STUDENT OWNERSHIP OF LEARNING

Pre-Kindergarten

Pre-K LEAP modules support teachers in promoting student agency and autonomy in the classroom and fostering higher-level understanding.

LEAP modules feature the following core instructional practices:

- Concept Development: Using instructional discussion activities, rather than rote instruction, to promote students' higher order thinking skills and cognition
- Language Modeling: Using conversations, questioning, and language mapping to stimulate students' use of language
- Quality of Feedback: Prompting students to explain their thinking and rationale

Kindergarten English Language Arts

LEAP modules support teachers in engaging their students in a rigorous and student-centered balanced literacy approach.

LEAP modules feature the following core instructional practices:

- Read text sets deeply to uncover areas of complexity worthy of instruction
- Use targeted prompts to coach students as they engage in reading and writing
- Provide opportunities for students to integrate content into authentic student writing
- Plan opportunities to leverage student work as an instructional tool supporting evidence-based writing

Kindergarten Mathematics

LEAP modules support teachers in planning and implementing instruction that engages students in meaningful cognitive work and that moves them toward higher-level understanding of complex mathematical concepts.

LEAP modules feature the following core instructional practices:

- Support students in exploring tasks without taking over student thinking
- Allocate substantial instructional time for students to use, discuss, and make connections among representations
- Engage students in purposeful sharing of mathematical ideas, reasoning, and approaches in written responses

ESSENTIAL PRACTICE 5

RESPOND TO EVIDENCE OF STUDENT LEARNING

5.A Evidence of Learning		5.B Supports and Extensions	
LEVEL 4	<p>The teacher consistently gathers evidence about the depth of understanding for a range of students in order to gauge their learning progress. Students understand how what they are learning and doing connects to larger schema.*</p> <p>For example, pre-kindergarten and kindergarten students:</p> <ul style="list-style-type: none"> • Connect concepts to their lives and/or communities • Explicitly link concepts and activities to one another and previous learning • Identify connections between previous days' learning and the learning of the day in morning meeting • Connect materials and/or displays in the learning environment to their current unit of study • Connect conversations or feedback loops with teacher or peers to their current unit of study • Reference pictures, work samples, or other student-friendly documentation of thinking and learning related to their current task <p>For example, the pre-kindergarten or kindergarten learning environment:</p> <ul style="list-style-type: none"> • Includes documentation of learning progress from/across multiple domains • Displays work from varying stages of a project, including space reserved for drafts and final products <p style="text-align: right;"><i>See also examples from Level 3</i></p>	<p>The teacher consistently responds to evidence of student development and learning by providing effective supports, extensions, or both. The learning environment includes embedded supports and extensions for students.</p> <p>For example, the pre-kindergarten or kindergarten learning environment:</p> <ul style="list-style-type: none"> • Features embedded connections between read-aloud texts, center materials, and instructional topics • Uses physical space to maximize peer-to-peer interaction • Includes multi-sensory materials (e.g., water tables, blocks, dramatic play costumes and props, manipulatives in math stations, audio-based activities in literacy centers) • Features rich, purposeful environmental print, including vocabulary relevant to the unit of study • Pairs visual representations with written words, as appropriate <p style="text-align: right;"><i>See also examples from Level 3</i></p>	
	<p>The teacher consistently gathers evidence about the depth of understanding for a range of students in order to gauge their learning progress.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Collects evidence frequently enough that sufficient information is available to inform instructional decision making, but no so often that learning is impeded. • Monitors students' progress across domains as demonstrated by non-verbal activities and/or verbal communications. • Observes and/or checks-in with a representative sample of students (e.g. volunteers and non-volunteers, students at various stages of development, whole class). • Collects evidence of students' progress across multiple domains (i.e., language, cognition, social-emotional, fine/gross motor, literacy, mathematics, arts).* • Uses a variety of strategies (e.g., observation, reviewing student work, questioning) to gather information about students' thought processes and/or understanding. 		<p>The teacher consistently responds to evidence of student development and learning by providing effective supports, extensions, or both.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Models the thinking process for students through think-alouds and other appropriate strategies • Uses a variety of strategies to support and/or extend learning (e.g., visual supports, verbal explanations, modeling and demonstration, environment modification) • Requests that students use additional evidence to support an answer • Provides appropriate scaffolds (e.g., deconstructs concepts into smaller components) or re-teaches without reducing the overall rigor of the content
LEVEL 2	<p>The teacher inconsistently gathers evidence about the depth of understanding for a range of students in order to gauge their learning progress.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Generally collects evidence, but does not gather sufficient information across domains • Uses strategies to gather evidence of student understanding, but these strategies are sometimes ineffective or unnecessary • Checks with a non-representative sample of students (e.g., predominately volunteers or the same students) • Monitors some student progress toward developmental objectives during individual or group work, but misses key evidence 	<p>The teacher inconsistently responds to evidence of student development and learning by providing effective supports, extensions, or both.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Misses opportunities to support learning, extend learning, or both • Only provides supports and/or extensions to a subset of students who would benefit from them 	
	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Rarely or never checks for student understanding • Does not obtain sufficient information through checks for understanding to effectively adjust instruction 		<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Rarely or never provides supports or extensions when appropriate to do so
LEVEL 1	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Rarely or never checks for student understanding • Does not obtain sufficient information through checks for understanding to effectively adjust instruction 	<p>The expectation of Level 2 practice is not met.</p> <p>For example, the pre-kindergarten or kindergarten teacher:</p> <ul style="list-style-type: none"> • Rarely or never provides supports or extensions when appropriate to do so 	

**Observers should consider students' developmental age when assessing this indicator. Most 3- and many 4-year-old students will exhibit this behavior only with explicit teaching, prompting, and/or support from the teacher due to their developmental age. Therefore, evaluators might credit prompting or other explicit skill-building as evidence of students' understanding of how the learning experience connects to other schema.*

Pre-Kindergarten

Leap
Module
Examples

Pre-K LEAP modules support teachers' in skillfully assessing and responding to student thinking and learning.

LEAP modules feature the following core instructional practices:

- Quality of Feedback: Providing feedback that expands learning and understanding
- Language Modeling: Repeating or extending student responses to stimulate students' use of language

Kindergarten English Language Arts

Leap
Module
Examples

LEAP modules address multiple ways teachers can monitor and assess a student's literacy proficiency.

LEAP modules feature the following core instructional practices:

- Collect and analyze data using running records to plan responsive small group instruction
- Conference with students to provide ongoing and targeted feedback so students can improve their writing

Kindergarten Mathematics

Leap
Module
Examples

LEAP modules address multiple ways teachers can monitor and assess a student's proficiency with mathematics standards and practices.

LEAP modules feature the following core instructional practices:

- Elicit and gather evidence of student understanding at strategic points during the lesson
- Make in-the-moment decisions on how to respond to students with questions and prompts that probe, scaffold, and extend learning
- Design ways to elicit and assess students' abilities to use representations to meaningfully solve problems

What is the LEAP Leadership Framework?

The LEAP Leadership Framework (LLF) is a rubric that outlines the actions LEAP Leaders take to successfully lead LEAP Teams. There are seven standards of the LLF:

- LLF 1: Foster a Positive LEAP Team Culture
- LLF 2: Plan for Purposeful LEAP Seminars
- LLF 3: Facilitate Purposeful LEAP Seminars
- LLF 4: Plan for Meaningful Coaching Conversations
- LLF 5: Facilitate Meaningful Coaching Conversations
- LLF 6: Drive Improvements in Teacher Practice
- LLF 7: Implement LEAP with Fidelity

The rubric also describes best practices and provides examples aligned to each of the LEAP Leadership Framework standards.

Why do we need the LEAP Leadership Framework (LLF)?

The LEAP Leadership Framework supports LEAP Leaders' development by highlighting the core elements of the work for which all LEAP Leaders are responsible and providing a common language for describing and giving feedback on LEAP Leadership best practices.

Who developed the LEAP Leadership Framework (LLF)?

LEAP Leaders, school leaders, staff from the DCPS Central Office, and many others participated in the development of the LLF during the 2016–2017 school year. The LLF is designed to reflect the unique LEAP Leader role as well as research-based best practices for facilitating adult learning. Some of the sources consulted include:

- *Coherence Map* (Student Achievement Partners)
- *Learning Team Cycle of Continuous Improvement* (Crow and Hirsh)
- *Leverage Leadership* (Bambrick-Santoyo)
- *Realizing the Power of Professional Learning* (Timperley)
- *Teaching Adults Revisited: Active Learning for Early Childhood Educators* (NAEYC)
- *Text-Dependent Questions: Pathways to Close and Critical Reading* (Fisher and Frey)
- *FVER Rubric* (Leading Educators)

SAMPLE SCORE CHART
LEAP LEADERSHP FRAMEWORK STANDARDS (LLF)

LEAP LEADERSHIP FRAMEWORK STANDARDS (LLF)	CYCLE ENDS 2/1	CYCLE ENDS 6/7	OVERALL (Average of Cycles)
LLF 1: Foster a Positive LEAP Team Culture	4.0	4.0	
LLF 2: Plan for Purposeful LEAP Seminars*	4.0	4.0	
LLF 3: Facilitate Purposeful LEAP Seminars*	3.0	4.0	
LLF 4: Plan for Meaningful Coaching Conversations*	3.0	3.0	
LLF 5: Facilitate Meaningful Coaching Conversations*	4.0	4.0	
LLF 6: Drive Improvements in Teacher Practice	3.0	3.0	
LLF 7: Implement LEAP with Fidelity	4.0	4.0	
LLF SCORE (Average of LLF 1 to LLF 7)	3.57	3.71	3.64

*This standard should be scored as "Not Applicable" if the LEAP Leader does not have responsibilities in this area.

How will I be assessed on the LEAP Leadership Framework (LLF)?

Your school leader will holistically gather evidence of your LEAP Leadership in a variety of ways over the course of each IMPACT cycle (e.g., teacher and student artifacts) and will observe your LEAP Leadership at least twice each cycle. For example, your school leader may observe you facilitating a LEAP Seminar, conducting a mini-observation, leading a debrief, co-planning and/or modeling with the teachers on your LEAP Team.

Using the evidence gathered over the course of each IMPACT cycle, your school leader will assess which level (4, 3, 2, 1) provides the best description of your LEAP Leadership practice for each applicable standard of the LLF. Standard scores will then be averaged together to form an overall LLF score for the cycle.

How will I receive feedback based on my LEAP Leadership Framework assessment?

Your school leader will meet with you each IMPACT cycle to discuss your practice, highlight successful elements of your LEAP Leadership, and suggest next steps for professional growth. You will also receive written feedback in an LLF report, which can be viewed in the IMPACT database at impactdcps.dc.gov.

If your school leader makes at least two attempts to schedule a conference with you prior to the cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

How will I be assessed on the LEAP Leadership Framework (LLF) if I am a LEAP Leader at two schools?

Teacher LEAP Leaders who are shared between two schools will receive an LLF assessment from each school leader by February 1 in Cycle 1 and June 7 in Cycle 2. These scores will be averaged together to produce a final LLF score for each IMPACT cycle.

If I have additional questions about the LEAP Leadership Framework (LLF), whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

LEVEL 4 (HIGHEST)

LEVEL 3

LLF 1 FOSTER A POSITIVE LEAP TEAM CULTURE*

LEAP Team teachers demonstrate ownership of and investment in their own and peers’ professional learning.

LEAP Leader demonstrates positive rapport with the LEAP Team, and teachers are **consistently** engaged in seminars/debriefs.

*For example, the LEAP Team teachers:
Level 3 examples AND*

- At times lead portions of seminar discussion and/or student work analysis
- Are supportive of one another and positively reinforce risk-taking, vulnerability, and problem solving
- Review observation notes in advance of debriefs and reflect on practice
- Own the norms and hold one another accountable to them
- Seek out support from fellow teachers, as needed and appropriate
- Proactively share resources (e.g., strategies, student tasks)
- Model humility and a culture of feedback

For example, the LEAP Leader:

- Demonstrates trust, vulnerability, and growth mindset with LEAP Team teachers
- Holds equitably high expectations for students and teachers
- Demonstrates interest and investment in LEAP Team teachers as individuals
- Leverages the expertise in the room, utilizing other teachers and colleagues to problem solve and provide support
- Prioritizes time and space for LEAP Team teachers to build relationships by allotting time for personal and professional updates/success stories during and outside of seminars
- Leads a fully inclusive team community of general education, SPED, and ESL teachers by including all LEAP Team teachers in seminar components, discussions, and activities
- Invites disengaged teachers back in to seminars and debriefs, as applicable

For example, the LEAP Team teachers:

- Offer relevant and insightful questions, comments, and solutions
- Actively listen to each other and promote equity of voice by contributing to discussions and asking probing questions of one another
- Complete specified deliverables in seminars/debriefs
- Maintain focus on LEAP activities/tasks designed to promote student learning
- Share instructional resources upon request
- Co-create and maintain LEAP Team norms

**Because team culture develops and evolves over the course of the year, evaluators may consider time of year when gathering evidence of positive team culture (e.g., first or second semester).*

LEVEL 2

LEVEL 1 (LOWEST)

LEAP Leader **demonstrates positive rapport** with the LEAP Team, **but** teachers are **inconsistently** engaged in seminars/debriefs.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Demonstrates trust, vulnerability, and growth mindset with LEAP Team teachers
- Holds equitably high expectations for students and teachers
- Demonstrates interest and investment in LEAP Team teachers as individuals
- Leverages the expertise in the room, utilizing other teachers and colleagues to problem solve and provide support
- Prioritizes time and space for LEAP Team teachers to build relationships by allotting time for personal and professional updates/success stories during and outside of seminars
- Leads a fully inclusive team community of general education, SPED, and ESL teachers by including all LEAP Team teachers in seminar components, discussions, and activities
- Invites disengaged teachers back in to seminars and debriefs, as applicable

For example, the LEAP Leader:

- Demonstrates negative rapport with LEAP Team teachers

For example, the LEAP Team teachers:

- Offer relevant and insightful questions, comments, and solutions
- Actively listen to each other and promote equity of voice by contributing to discussions and asking probing questions of one another
- Complete specified deliverables in seminars/debriefs
- Maintain focus on LEAP activities/tasks designed to promote student learning
- Share instructional resources upon request
- Co-create and maintain LEAP Team norms

For example, the LEAP Team teachers:

- Are rarely or never engaged in seminars/debriefs

LEVEL 4 (HIGHEST)

LEVEL 3

LLF 2 PLAN FOR PURPOSEFUL LEAP SEMINARS

LEAP Leader differentiates seminar content and/or activities to meet the needs of individual LEAP Team teachers.

LEAP Leader prepares for the seminar by internalizing the content and plans **challenging seminars with clear outcomes tailored to the needs** of the LEAP Team.

For example, the LEAP Leader:

Level 3 examples AND

- Tailors the seminar to a teacher's skill level and/or learning style
- Conducts artifact analysis to identify individual teacher needs
- Adapts seminar content and delivery to address misconceptions of individual teachers
- Modifies tasks and activities to promote planning and practice around areas of need

For example, the LEAP Leader:

- Reviews the module content such that he/she can deliver content fluently
- Prepares materials (e.g., handouts, anchor charts, PowerPoints) in advance
- Anticipates teachers' misconceptions and plans to address them
- Strategically leverages the specialized instruction (SPED, ESL) resources when planning for LEAP Seminars
- Collects and analyzes teacher artifacts and student work to inform seminar outcomes

LLF 3 FACILITATE PURPOSEFUL LEAP SEMINARS

LEAP Seminars are well-facilitated and teachers consistently **spend the majority of the time** doing meaningful cognitive work such as planning/practice, reflection, challenging tasks, or other forms of application.

LEAP Seminars are **well-facilitated** and include **sufficient** opportunities for teachers to do meaningful cognitive work such as planning/practice, reflection, challenging tasks, or other forms of application.

For example, the LEAP Seminar:

- Includes opportunities for feedback during the application portion of the seminar
- Encourages participation so the conversation is balanced, diverse, and inclusive
- Connects agenda items to seminar outcomes
- Thoughtfully addresses needs and priorities of SPED and ESL teachers, as applicable
- Includes observable, sequential directions, clear and concise explanations, and/or emphasizes key points
- Includes opportunities for teachers to engage in student work analysis
- Includes regular checks for understanding to assess teachers' progress
- Supports shared learning with and among teachers
- Features mostly open-ended, non-rhetorical questions to deepen awareness and create new insight, includes think time, listens actively, and probes to follow up

For example, the LEAP Seminar:

- Includes opportunities for feedback during the application portion of the seminar
- Encourages participation so the conversation is balanced, diverse, and inclusive
- Connects agenda items to seminar outcomes
- Thoughtfully addresses needs and priorities of SPED and ESL teachers, as applicable
- Includes observable, sequential directions, clear and concise explanations, and/or emphasizes key points
- Includes opportunities for teachers to engage in student work analysis
- Includes regular checks for understanding to assess teachers' progress
- Supports shared learning with and among teachers
- Features mostly open-ended, non-rhetorical questions to deepen awareness and create new insight, includes think time, listens actively, and probes to follow up

LEVEL 2

LEVEL 1 (LOWEST)

LEAP Leader prepares for the seminar by internalizing the content, but seminar outcomes are **not challenging, unclear, and/or misaligned** to the needs of the LEAP Team.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Reviews the module content such that he/she can deliver content fluently
- Prepares materials (e.g., handouts, anchor charts, PowerPoints) in advance
- Provides seminar outcomes that are too easy or too difficult for the LEAP Team
- Does not account for the needs of specialized instruction teachers when planning seminars
- Does not tailor provided seminar outcomes to identified teacher needs

For example, the LEAP Leader:

- Rarely or never prepares materials in advance
- Reads seminar plan scripts verbatim

Some aspects of LEAP Seminars are **not well-facilitated** and/or seminars include **insufficient** opportunities for teachers to do meaningful cognitive work such as planning/practice, reflection, challenging tasks, or other forms of application.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Provides few opportunities for teachers to discuss the content
- Does not effectively pace seminars
- Facilitates conversations in which some teachers participate less often than others
- Provides confusing/overly-complicated directions and does not highlight key points
- Misses opportunities to be inclusive of SPED and ESL teachers
- Conducts too few checks for understanding or does not adjust facilitation in response to misunderstanding
- Asks mostly closed-ended questions and/or provides insufficient think time

For example, the LEAP Leader:

- Does not provide opportunities for planning/practice
- Does not include opportunities for teachers to discuss the content
- Reads the module script verbatim

LEVEL 4 (HIGHEST)

LEVEL 3

LLF 4

PLAN FOR MEANINGFUL COACHING CONVERSATIONS

LEAP Leader explicitly connects feedback and action steps to a larger, long-term arc of professional learning.

LEAP Leader uses **data*** to assess teachers' coaching needs and effectively plans for application of **high-leverage action steps**.

*For example, the LEAP Leader:
Level 3 examples AND*

- Connects action steps/priorities to prior feedback/ suggestions for improvement
- Provides specific action steps/priorities that are relevant to both upcoming lessons and long-term planning
- Establishes purpose for action steps/priorities by explaining how they promote progress toward larger goals

*For example, the LEAP Leader:
Level 2 examples AND*

- Prepares action steps/priorities for teachers aligned to their skill level and the LEAP module
- Plans probing questions and/or prompts that promote teachers' reflection
- Strategically chooses artifacts from the observation to prompt reflection
- Analyzes teacher practice data and uses data to inform action steps/priorities
- Identifies appropriately granular instructional adjustments
- Uses knowledge of best practices for SPED and ESL teachers (e.g., co-teaching) to create appropriate action steps/priorities

LLF 5

FACILITATE MEANINGFUL COACHING CONVERSATIONS

LEAP Leader meets teachers where they are and empowers them with appropriate ownership of the debrief.

LEAP Leader consistently provides meaningful coaching support and teachers **spend the majority of the time** engaged in planning/ practice.

*For example, the LEAP Leader:
Level 3 examples AND*

- Provides either facilitative or directive coaching aligned to teacher needs
- Provides teachers with frequent opportunities to reflect on their own practice
- Reinforces growth mindset when delivering constructive feedback

For example, the LEAP Leader:

- Efficiently highlights teacher and student actions that are going well
- Asks probing questions to support teachers in identifying appropriate action steps/priorities
- Analyzes lessons and student work with teachers to identify areas for improvement
- Provides feedback on lesson plans/planning done during the debrief
- Provides feedback on teacher's practice of upcoming lessons from the coach and/or student perspective
- Facilitates joint meetings with general education teacher and SPED and ESL teachers to align action steps/priorities

**LEAP Leaders may use a variety of data to assess teacher needs, including observation notes, lesson plans, student work, and other formative assessment data.*

LEVEL 2

LEVEL 1 (LOWEST)

LEAP Leader identifies action steps for teachers **but they are not high-leverage** because they are overly general and/or misaligned to teacher need.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Sets action steps/priorities without considering teacher practice data
- Uses action steps/priorities verbatim from the module
- Provides action steps/priorities misaligned to teacher needs such that they are too easy or too difficult for teachers to implement

For example, the LEAP Leader:

- Does not set clear learning outcomes for debriefs
- Does not provide action steps/priorities for teachers

LEAP Leader consistently provides **coaching support** but **insufficient time** (i.e., less than 50%) is spent on planning/practice.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Efficiently highlights teacher and student actions that are going well
- Asks probing questions to support teachers in identifying appropriate action steps/priorities
- Analyzes lessons and student work with teachers to identify areas for improvement
- Provides feedback on lesson plans/planning done during the debrief
- Provides feedback on teacher's practice of upcoming lessons from the coach and/or student perspective
- Facilitates joint meetings with general education teacher and SPED and ESL teachers to align action steps/priorities

For example, the LEAP Leader:

- Is unresponsive to teacher needs
- Spends too much time (i.e., more than 50%) on praise, process, and prioritize when facilitating coaching conversations

LEVEL 4 (HIGHEST)

LEVEL 3

LLF 6 DRIVE IMPROVEMENTS IN TEACHER PRACTICE*

All or almost all LEAP Team teachers' practice **significantly** improves as a result of their learning through LEAP.

For example, the LEAP Team teachers:

Level 3 examples AND

- Achieve excellence with LEAP module Look Fors
- Consider student work and LEAP Leader's feedback when crafting lessons
- Foster students' interest in the content
- Plan student-centered, inquiry-based learning experiences
- Effectively co-plan with LEAP team teachers, including those of different specialties or grades (e.g., SPED, ESL)

All or almost all LEAP Team teachers' practice improves as a result of their learning through LEAP.

For example, the LEAP Team teachers:

- Achieve the LEAP module Look Fors
- Embed skills and strategies learned through LEAP in upcoming lessons/lesson plans
- Adjust lesson plans to meet the needs of diverse learners, including SPED and ESL students
- Develop lessons that address identified student misconceptions
- Collect and analyze student work samples indicative of improved student learning
- Complete tasks and activities in seminars and debriefs indicative of improved content pedagogy knowledge/skill
- Skillfully facilitate student discourse
- Improve student work analysis skills

LLF 7 IMPLEMENT LEAP WITH FIDELITY

LEAP Leader consistently provides appropriate documentation in the LEAP Platform.

For example, the LEAP Leader:

Level 3 examples AND

- Tracks seminar attendance, content focus, and date
- Records and shares observation notes
- Electronically shares action steps
- Notes type and frequency of additional coaching touchpoints

LEAP Leader **consistently** implements LEAP model components (e.g., LEAP Seminars, observations, coaching touchpoints) with the expected frequency** and content focus.

For example, the LEAP Leader:

- Leads seminars and debriefs with appropriate frequency, per the guidance of DCPS Central Office and other instructional leaders
- Attends professional learning opportunities offered by DCPS Central Office
- Delivers content-aligned seminars and debriefs
- Supports all LEAP Team teachers, including SPED and ESL teachers

*Evaluators may assess improvements to teacher practice using a variety of data sources including, but not limited to, informal observations, student work analysis, formative assessments, and teacher artifacts such as unit plans.

**Expected frequency may be differentiated per teacher need and as agreed upon by the principal and LEAP Leader.

LEVEL 2

LEVEL 1 (LOWEST)

Most LEAP Team teachers' practice improves as a result of their learning through LEAP.

The expectation of Level 2 practice is not met.

For example, the LEAP Team teachers:

- Achieve the LEAP module Look Fors
- Embed skills and strategies learned through LEAP in upcoming lessons/lesson plans
- Adjust lesson plans to meet the needs of diverse learners, including SPED and ESL students
- Develop lessons that address identified student misconceptions
- Collect and analyze student work samples indicative of improved student learning
- Complete tasks and activities in seminars and debriefs indicative of improved content pedagogy knowledge/skill
- Skillfully facilitate student discourse
- Improve student work analysis skills

For example, fewer than half of the LEAP Team teachers:

- Improve practice as a result of participation in LEAP

LEAP Leader **inconsistently** implements LEAP model components (e.g., LEAP Seminars, observations, coaching touchpoints) with the expected frequency** and content focus.

The expectation of Level 2 practice is not met.

For example, the LEAP Leader:

- Leads seminars and debriefs with appropriate frequency, per the guidance of DCPS Central Office and other instructional leaders
- Attends professional learning opportunities offered by DCPS Central Office
- Delivers content-aligned seminars and debriefs
- Supports all LEAP Team teachers, including SPED and ESL teachers

For example, the LEAP Leader:

- Does not implement one or more of the components of the LEAP cycle
- Fails to document required data points in the LEAP Platform

What is Teacher-Assessed Student Achievement Data?

TAS is a measure of your students' learning over the course of the year, as evidenced by rigorous assessments other than PARCC.

What assessments can I use?

Assessments must be rigorous, aligned to the Common Core State Standards or other appropriate content standards, and approved by your school administration. Please see the TAS guidance document for resources on commonly used assessments, and assessments that cannot be used for TAS.

Why is this one of my IMPACT components?

We believe that a teacher's most important responsibility is to ensure that her/his students learn and grow. Accordingly, we believe that teachers should be held accountable for the achievement of their students.

In addition, we recognize that the PARCC assessments capture some but not all aspects of your students' learning over the course of one year. TAS is an opportunity for you to identify and celebrate the learning not reflected on the state standardized test by incorporating it into your own instructional goals and IMPACT evaluation.

How will this process work?

In the fall, assessments and student learning targets will be selected to evaluate your students' achievement throughout the school year. If setting multiple goals with separate assessments, weights will be assigned to each goal. Please note that administrators must approve all assessments, targets, or weights selected for TAS goals.

In the spring, achievement data for all assessments will be presented to administrators who, after verifying the data, will assign scores for each goal based upon the rubric.

The deadline for administrators to score TAS is June 13, however your school leader may set internal dates for when TAS data needs to be submitted.

Please note that shared teachers at two schools will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

Why are some of my TAS goals pre-populated if I use GOLD for TAS?

GOLD, unlike the other assessments used for TAS, measures student achievement based on evidence gathered organically over the course of time as students interact with their teacher, peers, and the learning environment. Because GOLD is different than other measures used for TAS in this way, ECE teachers who use GOLD for TAS have four pre-populated goals, each weighted at 10%. These goals recognize teachers for their contribution to student achievement through robust evidence collection throughout the GOLD assessment windows.

If I have additional questions about TAS, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

LEVEL 4 (HIGHEST)

LEVEL 3

TAS 1

TEACHER-ASSESSED STUDENT ACHIEVEMENT DATA

Student scores on teacher assessments indicate, on average, **exceptional** learning, such as at least 1.5 years of growth*; each assessment used is **approved** by the administration; and scores reported are **validated** by the administration.

Student scores on teacher assessments indicate, on average, **significant** learning, such as at least 1 year of growth*; each assessment used is **approved** by the administration; and scores reported are **validated** by the administration.

**Suggested years of growth are listed here as general guidance. Standardized assessments and skills-based rubrics used for TAS may measure reading levels, rubric levels, etc. Teachers should refer to the vendor scoring guidance, if applicable, for each assessment they have chosen to determine how many levels equate to a year of growth or more.*

Note:

1. If a teacher uses more than one assessment, each will be scored individually. The scores will then be averaged together, taking into account the weights that administrators and teachers assigned to each assessment when setting TAS goals at the beginning of the year.

LEVEL 2

Student scores on teacher assessments indicate, on average, **some** learning, such as at least 0.75 years of growth*; each assessment used is **approved** by the administration; and scores reported are **validated** by the administration.

LEVEL 1 (LOWEST)

Student scores on teacher assessments indicate, on average, **little** learning, such as less than 0.75 years of growth*; assessments used are not **approved** by the administration; or scores reported are not **validated** by the administration.

What is Commitment to the School Community?

This component measures several aspects of your work as a member of a school community: 1) your support of your school's local initiatives; 2) your support of the Special Education and English Language Learner programs at your school; 3) your efforts to promote high academic and behavioral expectations; 4) your partnership with your students' families; and 5) your instructional collaboration with your colleagues.

Why is this one of my IMPACT components?

This component was included because we believe every staff member in the building plays a critical role in ensuring the success of all students.

How will my Commitment to the School Community be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment begins at the start of the school year and ends December 14; the second assessment begins December 15 and ends June 12. Given that each school has its own unique community, please reach out to your school leader to request your school's specific CSC rubric.

At the end of each cycle, you can view your Commitment to the School Community score in the IMPACT database (<http://impactdcps.dc.gov>). While a conference to discuss your Commitment to the School Community score is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Commitment to the School Community be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) score for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle.

At the end of the year, your assessment cycle scores will be averaged together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart below.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

SAMPLE SCORE CHART
COMMITMENT TO THE SCHOOL COMMUNITY (CSC)

COMMITMENT TO THE SCHOOL COMMUNITY (CSC)	CYCLE ENDS 12/14	CYCLE ENDS 6/12	OVERALL (Average of Cycles)
CSC 1: Support of the Local School Initiatives	3.0	4.0	
CSC 2: Support Special Education and ELL Programs	4.0	3.0	
CSC 3: High Expectations	4.0	4.0	
CSC 4: Partnership with Families (for Teachers Only)	3.0	4.0	
CSC 5: Instructional Collaboration (for Teachers Only)	3.0	3.0	
CSC SCORE (Average of CSC 1 to CSC 5)	3.40	3.60	3.50

If I have additional questions about Commitment to the School Community, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

LEVEL 4 (HIGHEST)

LEVEL 3

CSC 1 SUPPORT OF THE LOCAL SCHOOL INITIATIVES

Individual **meets Level 3** expectations AND **extends impact** by finding new and innovative ways to help the local school initiatives succeed and/or by dedicating a truly exceptional amount of time and energy in support of the initiatives.

Individual **consistently** supports the local school initiatives in an effective manner.

Examples of local initiatives include: implementing DCPS early childhood health and safety practices, supporting children's health and nutrition, increased student attendance rate, suspension rate reduction, use of inquiry-based lessons, and school-wide behavioral supports or programs.†

CSC 2 SUPPORT OF THE SPECIAL EDUCATION AND ENGLISH LANGUAGE LEARNER PROGRAMS*

Individual **meets Level 3** expectations AND **extends impact** by finding new and innovative ways to help the Special Education and English Language Learner programs, the Student Support Team, and all students with 504 plans succeed and/or by dedicating a truly exceptional amount of time and energy in support of these programs and students.

Individual **consistently** supports, in an effective manner, the school's Special Education and English Language Learner programs, the school's Student Support Team, and all students with 504 plans.

Examples of how one might support these programs and students include: interacting with all students in a positive and inclusive manner, ensuring that facilities are available for the provision of services, proactively offering assistance and support to a special education teacher, participating in student-level decision making (e.g., attending IEP meetings, submitting necessary documentation, tracking data), incorporating classroom books and other resources that reflect students who are English language learners or those with special needs, and incorporating Universal Design for Learning (UDL) principles during instruction.

CSC 3 HIGH EXPECTATIONS

Individual **meets Level 3** expectations AND **extends impact** by finding new and innovative ways to help promote high expectations and/or by dedicating a truly exceptional amount of time and energy towards developing a culture of high expectations in the school.

Individual **consistently** promotes high academic and behavioral expectations, in an effective manner, for all students.

Examples of how one might promote high expectations include: supporting achievement through rigorous academic work and challenging extracurricular opportunities; modeling high personal standards; assigning and communicating grades in a manner consistent with district and school grading policy; and emphasizing pride in self, school, and community.

**This standard may be scored as "Not Applicable" if a school has no students who receive Special Education or English Language Learner services, no students who need assistance from a Student Support Team, and no students with 504 plans.*

†An ECE Health, Safety, and Nutrition Monitoring Checklist Report that reflects Head Start regulations will be provided to all Head Start School-Wide Model programs to track compliance to relevant health and safety practices. The checklist will also be provided to all non-Title 1 schools and kindergarten classrooms for use at school leaders' discretion.

LEVEL 2

LEVEL 1 (LOWEST)

Individual **sometimes** supports the local school initiatives in an effective manner.

Individual **rarely or never** supports the local school initiatives in an effective manner.

Individual **sometimes** supports, in an effective manner, the school's Special Education and English Language Learner programs, the school's Student Support Team, and all students with 504 plans.

Individual **rarely or never** supports, in an effective manner, the school's Special Education and English Language Learner programs, the school's Student Support Team, and all students with 504 plans.

Individual **sometimes** promotes high academic and behavioral expectations, in an effective manner, for all students.

Individual **rarely or never** promotes high academic and behavioral expectations, in an effective manner, for all students.

LEVEL 4 (HIGHEST)

LEVEL 3

CSC 4 PARTNERSHIP WITH FAMILIES (FOR TEACHERS ONLY)

Teacher **meets Level 3** expectations AND **extends impact** by finding new and innovative ways to foster engagement with students' families and/or by dedicating a truly exceptional amount of time and energy towards partnering with them.

Teacher **consistently** engages students' families as valued partners in an effective manner.

Examples of how one might engage students' families include: communicating with families regularly (e.g., phone calls, text messages, emails, or home visits), including families in class projects and activities, sharing data with families about student progress (strengths and areas for growth) and strategies for supporting student learning at home, collaborating with families to set goals throughout the year, encouraging families to attend school and district events including parent-teacher conferences, and creating a welcoming classroom environment for families.

CSC 5 INSTRUCTIONAL COLLABORATION (FOR TEACHERS ONLY)

Teacher **meets Level 3** expectations AND **extends impact** by proactively seeking out collaborative opportunities with other teachers and/or by dedicating a truly exceptional amount of time and energy towards promoting effective instructional collaboration.

Teacher **consistently** collaborates with colleagues to improve student achievement in an effective manner.

Examples of how one might collaborate to improve student achievement include: actively participating in monthly GOLD® data meetings, the Thirty-Minute Morning Block, grade-level and departmental meetings, mentoring relationships (formal or informal), and optional and required professional development opportunities.

Andy Le

Brian Troiano

LEVEL 2

Teacher **sometimes** engages students' families as valued partners in an effective manner.

LEVEL 1 (LOWEST)

Teacher **rarely or never** engages students' families as valued partners in an effective manner.

Teacher **sometimes** collaborates with colleagues to improve student achievement in an effective manner.

Teacher **rarely or never** collaborates with colleagues to improve student achievement in an effective manner.

Andy Le

Andy Le

What is Core Professionalism?

This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

How will my Core Professionalism be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment begins at the start of the school year and ends December 14; the second assessment begins December 15 and ends June 12.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (<http://impactdcps.dc.gov>). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

How will my Core Professionalism be rated?

Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you receive a Core Professionalism rating of Meets Standard in Cycle 1 and Cycle 2 (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall rating for this component will be Meets Standard and you will see no change in your final IMPACT score.

If you receive a rating of Slightly Below Standard on any standard of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. This is the case in the sample rating chart below.

If you receive a rating of Significantly Below Standard on any standard of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score.

If you receive Core Professionalism deductions in each of the two cycles, the deductions will be combined and applied to your final IMPACT score (e.g. a 10 point deduction in Cycle 1 and a 20 point deduction in Cycle 3 result in a 30 point deduction from your final IMPACT score).

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

SAMPLE RATING CHART
CORE PROFESSIONALISM (CP)

CORE PROFESSIONALISM (CP)	CYCLE ENDS 12/14	CYCLE ENDS 6/12	OVERALL
CP 1: Attendance	MEETS STANDARD	MEETS STANDARD	
CP 2: On-Time Arrival	SLIGHTLY BELOW STANDARD	MEETS STANDARD	
CP 3: Policies and Procedures	MEETS STANDARD	MEETS STANDARD	
CP 4: Respect	MEETS STANDARD	MEETS STANDARD	
CP DEDUCTION	-10	NO DEDUCTION	-10

If I have additional questions about Core Professionalism, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

MEETS STANDARD

SLIGHTLY BELOW STANDARD

CP 1 ATTENDANCE	
Individual has no unexcused absences (absences that are in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).	Individual has 1 unexcused absence (an absence that is in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).
CP 2 ON-TIME ARRIVAL	
Individual has no unexcused late arrivals (late arrivals that are in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).	Individual has 1 unexcused late arrival (a late arrival that is in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).
CP 3 POLICIES AND PROCEDURES	
Individual always follows DCPS and local school policies and procedures (for example, procedures for submitting student discipline referrals, policies for appropriate staff attire, protocols for the Thirty-Minute Morning Block).	With rare exception , individual follows DCPS and local school policies and procedures (for example, procedures for submitting student discipline referrals, policies for appropriate staff attire, protocols for the Thirty-Minute Morning Block).
CP 4 RESPECT	
Individual always interacts with students, colleagues, parents/guardians, and community members in a respectful manner.	With rare exception , individual interacts with students, colleagues, parents/guardians, and community members in a respectful manner.

SIGNIFICANTLY BELOW STANDARD

Individual has **2 or more** unexcused absences (absences that are in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).

Individual has **2 or more** unexcused late arrivals (late arrivals that are in violation of procedures set forth by local school policy and by the relevant collective bargaining agreement).

Individual **demonstrates a pattern** of failing to follow DCPS and local school policies and procedures (for example, procedures for submitting student discipline referrals, policies for appropriate staff attire, protocols for the Thirty-Minute Morning Block) OR individual has committed a **single egregious act** in violation of DCPS and/or local school policies and procedures as determined by the school leader.

Individual **demonstrates a pattern** of failing to interact with students, colleagues, parents/guardians, or community members in a respectful manner OR individual has committed a **single egregious act** of disrespect as determined by the school leader.

SUPPORTING YOUR SUCCESS

What resources are available to help me be successful?

Professional development is critical to our success as a school system. After all, the best schools are those focused on the learning of children *and* adults. This is why providing educators with outstanding support is a top district priority.

Below you will find more information about job-specific resources and learning opportunities designed to help you improve your practice.

CANVAS

Canvas (<https://dcps.instructure.com>) is an online platform that provides teachers with curricular resources across all subjects. Curricular resources are aligned with Common Core State Standards, Next Generation Science Standards, and other academic standards. These resources include scope and sequence documents, unit overviews, recommended anchor texts, suggested summative assessments, Cornerstones assignments, and many other resources.

Teachers may access these resources and sign up for relevant events and announcements by visiting <https://dcps.instructure.com> and logging in using their DCPS email address (first.last@dc.gov) and e-mail password. Should they have questions, teachers may contact canvas@dc.gov.

LEAP

LEAP is designed to support teachers in developing their content expertise and in becoming truly expert at teaching the DCPS Common Core-aligned curriculum and other course-specific content. To do this, teachers engage in a cycle of development in small, content-specific professional learning communities (LEAP Teams) led by content experts (LEAP Leaders).

For ELA, Math, ECE, ESL, SPED, Science (high school), and Social Studies (high school) teachers, LEAP consists of a weekly cycle with two main components:

1. A 90-minute LEAP Seminar. During this time, content-specific school teams meet to deepen their content knowledge and hone their expertise at the teaching practices that are most important for their particular content area. LEAP Seminars focus on either learning of new content; planning to apply the new content to the classroom; or analyzing data and student work to see the impact of the new learning.
2. A regular Coaching Touchpoint. The most frequent coaching touchpoint is a LEAP Observation and 5P Debrief. The LEAP Observation is a 15-minute observation during which the LEAP Leader observes the teacher implement learning from the LEAP Seminar and hones in on key instructional practices in which the teacher can improve. During the 5P Debrief after the observation, the teacher has the opportunity to receive praise for the growth he or she is making, to process with his or her coach where improvements could be made, to prioritize one action step to focus on during the coming week, to plan an upcoming lesson with this action step in mind, and then to actually practice the action step with his or her coach. While the coaching touchpoint is most often Observation and 5P Debrief, it could also include co-planning or modeling, depending on teacher need. While these coaching touchpoints happen on a weekly basis at the elementary and middle school levels, they take place on a biweekly basis at the high school level.

All teachers participate in district-wide professional development days, which include opportunities to deeply explore course-specific content, unpack upcoming units of study, analyze student work, and collaborate with colleagues to plan and practice.

Teachers and LEAP Leaders have access to the LEAP Platform, an online platform that allows both to engage in the LEAP cycle by accessing observation data, action steps from coaching touchpoints, LEAP Seminar curriculum materials, and additional resources to support professional learning.

LEAP Leaders also receive robust supports. On a weekly basis, LEAP Leaders receive content resources to ensure they are setup to successfully lead their LEAP Teams and support their teachers at the school level. They also have opportunities to participate in quarterly workshops to develop adult leadership skills and build off of the learning from LEAP Summer Intensive. Finally, many LEAP Leaders in high-needs schools receive leadership coaching, which offers personalized development for LEAP Leaders to grow their adult and instructional leadership capacity.

For more information about LEAP, please contact the LEAP Team at LEAP@dc.gov or visit the LEAP webpage on at <https://dcps.dc.gov/page/leap-teacher-professional-development> or the LEAP page on Canvas at <https://dcps.instructure.com>.

ESSENTIAL PRACTICES RESOURCES

The Essential Practices are DCPS' definition of effective instruction and outline the key actions we believe lead to increased student achievement. DCPS offers a variety of resources including an interactive, web-based platform to support teachers in exploring the Essential Practices including:

- Online modules available for each Essential Practice that highlight instructional best practices and provide an overview of key rubric concepts.
- An Essential Practices video library, which includes an extensive collection of classroom videos that celebrate excellent teaching and showcase rubric concepts in action. The library predominately features DCPS' own outstanding teachers and classrooms. Video clips can be viewed by grade band (Early Childhood, Elementary, or Secondary) or by the Essential Practice most prominently featured in the clip.

FOR EARLY CHILDHOOD EDUCATION TEACHERS

The Instructional Team in the DCPS Central Office – Division of Early Childhood Education, provides coaching, technical assistance, support in implementing the GOLD child observation assessment tool, and ongoing professional learning to early childhood teachers and paraprofessionals across the district. For teachers in Title I schools, instructional specialists provide additional individual and small group coaching and offer training and support related to curriculum implementation.

Early childhood teachers are encouraged to explore resources and professional development opportunities offered through The National Association for the Education of Young Children (<http://www.naeyc.org>), the largest professional organization for early childhood teachers. Teachers should also regularly visit the early childhood page on Canvas.

DCPS UNION PARTNERS

Most DCPS staff members are represented by one of four valued union partners. Should employees have questions regarding their union membership, they may contact HR Answers at 202-442-4090. Our union partners include:

- **American Federation of State, County, and Municipal Employees (AFSCME) Local 2921:** American Federation of State, County, and Municipal Employees (AFSCME) members work in public schools throughout the nation in helping children realize their full potential. They do so by providing services critical to an effective and healthy learning environment — assisting in the classroom, and providing clerical and other support to teachers, administrators, and families. AFSCME Local 2921 represents DCPS' school-based clerical staff and educational aides. For more information, please visit www.districtcouncil20.org.
- **Teamsters Local 639:** The Teamsters union mission is to organize and educate workers toward a higher standard of living. Teamster contracts are the guarantors of decent wages, fair promotion, health coverage, job security, paid time off, and retirement income. Teamsters Local 639 represents DCPS' custodians and attendance counselors. For more information, please visit www.teamsters639.com.
- **Council of School Officers (CSO):** The Council of School Officers union (CSO) represents DCPS Administrators below the rank of Instructional Superintendent. The CSO works to bring about fair and equitable labor agreements such as contracts, fair wages, and job descriptions on behalf of their members who serve our students and communities. For more information, please visit www.councilofschoolofficers.org.
- **Washington Teachers' Union (WTU):** The Washington Teachers' Union (WTU) represents more than 5,000 members in Washington, D.C., including teachers, instructional coaches, counselors, library media specialists, and others. The WTU is dedicated to social and educational justice for the students of the District of Columbia and to improving the quality of support, resources, compensation, and working conditions for the public servants and proud teachers who educate our students in D.C. Public Schools. For more information, please visit www.wtulocal6.org.

PUTTING IT ALL TOGETHER

What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

Step 1

We begin by identifying your overall score for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates “weighted scores” for each component. The chart below provides an example.

SAMPLE SCORE

COMPONENT	COMPONENT SCORE	PIE CHART PERCENTAGE	WEIGHTED SCORE
Essential Practices – Early Childhood Education (EP-ECE)	3.7	x 55	= 203.5
LEAP Leadership Framework (LLF)	3.8	x 20	= 76.0
Teacher-Assessed Student Achievement Data (TAS)	4.0	x 15	= 60.0
Commitment to the School Community (CSC)	3.5	x 10	= 35.0
Core Professionalism (CP)	Meets Standard	N/A	No Change
TOTAL			375

Step 3

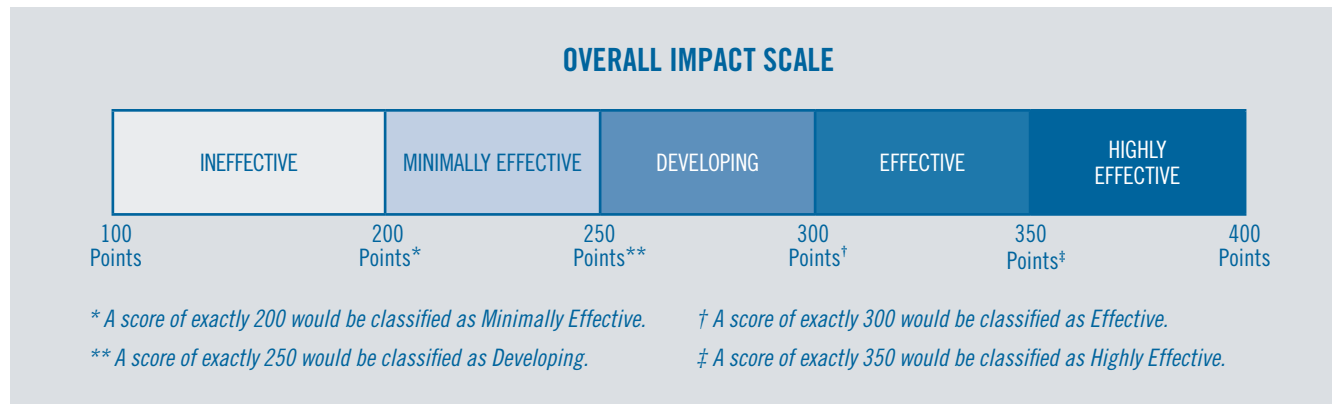

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual’s rating for all cycles is Meets Standard, so no points have been subtracted.

Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines, changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)

What do these ratings mean?

Highly Effective: This rating signifies outstanding performance. As teachers earn Highly Effective ratings, they are eligible to advance to the next Leadership Initiative For Teachers (LIFT) career stage, giving them access to a variety of leadership opportunities, as well as increased recognition. Members of the Washington Teachers' Union (WTU) and Council of School Officers (CSO) are eligible for additional compensation as outlined in the *IMPACTplus* section of this guidebook. All individuals rated as Highly Effective will progress normally on their pay scales.

Effective: This rating signifies solid performance. These individuals will progress normally on their pay scales. As teachers earn Effective ratings, they are eligible to advance to the next LIFT career stage (up to the Advanced Teacher stage), albeit at a slower pace than teachers who earn Highly Effective ratings. Members of the Washington Teachers' Union (WTU) may be eligible for additional compensation as outlined in the *IMPACTplus* section of this guidebook.

Developing: This rating signifies performance that is below expectations. A WTU or CSO member who earns a Developing rating will be held at his or her current salary step and will not advance on the LIFT ladder until he or she earns a rating of Effective or Highly Effective. If after three years, an individual, regardless of union affiliation or position change, does not move beyond the Developing rating, he or she will be subject to separation.

Minimally Effective: This rating signifies performance that is significantly below expectations. A WTU or CSO member who earns a Minimally Effective rating will be held at his or her current salary step and will not advance on the LIFT ladder until he or she earns a rating of Effective or Highly Effective. If an individual, regardless of union affiliation or position change, receives two consecutive Minimally Effective ratings, he or she will be subject to separation.

Ineffective: This rating signifies unacceptable performance. Individuals, regardless of union affiliation or position change, who receive this rating for one year will be subject to separation.

Note: When an individual transitions to a different IMPACT group, the prior year(s) IMPACT rating(s) will be linked to any subsequent IMPACT ratings for separation determinations.

If I have a concern about my rating, whom should I contact?

If you ever have a concern, contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation regardless of union affiliation or position change.

If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation regardless of union affiliation or position change.

What can I do if I disagree with my final rating?

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor's Appeals Process will be shared with eligible employees.

Note: Employees may have other appeals options available through their union's collective bargaining agreement and are encouraged to contact their union representative for more information.

Will my evaluation be affected if my school has a non-traditional (e.g., Extended Year) calendar?

No. Your IMPACT evaluation will not be affected if your school transitioned to a non-traditional calendar. You will continue to receive all components of your evaluation, as indicated in your guidebook, with the same deadlines as schools that have not transitioned to a non-traditional calendar.

What is IMPACT*plus*?

IMPACT*plus* is a performance-based compensation system for members of the Washington Teachers' Union (WTU) and Council of School Officers (CSO) who are evaluated under IMPACT.

Who is eligible for IMPACT*plus*?

Any WTU member who earns an IMPACT rating of Highly Effective is eligible for an annual bonus. Teachers in Groups 1–7 at high-poverty schools are eligible for base salary increases upon reaching the Advanced, Distinguished, or Expert LIFT stages.

How do I know if I am a WTU member?

Teachers, instructional coaches, counselors, library media specialists, and others are part of the WTU. If you are not sure about your status, you may contact Human Resources at 202-442-4090 or the WTU at 202-293-8600.

How will I know if I received a Highly Effective rating?

To access this information, log into the IMPACT database at impactdcps.dc.gov. If you need assistance logging in, you may contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

Do I need to be a “full” union member to be eligible for IMPACT*plus*?

No. You only need “agency fee” status to be eligible for IMPACT*plus*. To learn more about this status, you may contact the WTU at 202-293-8600.

How does it work?

For teachers, IMPACT*plus* has two parts: an annual bonus and an increase in base salary.

PART 1: ANNUAL BONUS

How does the annual bonus work?

The chart below describes the bonus structure.

YOUR IMPACT RATING	YOUR SCHOOL'S POVERTY LEVEL	YOUR BONUS	YOUR ADD-ON IF YOU ARE IN ONE OF THE 40 TARGETED SCHOOLS	YOUR TOTAL POSSIBLE ANNUAL BONUS
Highly Effective	High-Poverty	\$10,000	Additional \$10,000	\$20,000
	Low-Poverty	\$2,000	n/a	\$2,000

How do I know my school's poverty level?

Each school's poverty level is listed on the DCPS website at dcps.dc.gov/page/impactplus. If you work at more than one school, we will use the average of your schools' free and reduced-price lunch rates.

Why do teachers in high-poverty and 40 targeted schools receive higher bonuses?

One of the goals of *IMPACTplus* is to help our highest-need schools attract and retain outstanding staff members. This is why we are offering higher bonuses to the individuals who serve in these schools.

How do I know if I work in one of the 40 targeted schools?

If you are not sure, please ask your administrator. You may also contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

If I retire at the end of the 2017–2018 school year, will I be eligible for the bonus?

Yes.

Will the bonus count toward my pension calculation?

No.

If I resign at the end of the 2017–2018 school year, will I be eligible for the bonus?

No. In addition to recognizing and rewarding excellent staff members, *IMPACTplus* aims to retain them. Thus, to be eligible for the bonus, you must be employed by DCPS, or be a new entrant to the retirement system, at the time of the bonus distribution.

If I am separated from the school system for disciplinary reasons, will I be eligible for the bonus?

No.

If I am employed by DCPS for only part of the school year, will I receive the full bonus?

No. Assuming you are employed by DCPS (or are a new retiree) at the time of the bonus distribution, your bonus will be prorated according to the number of full months you worked during the school year in which you earned the Highly Effective rating.

Are there any conditions attached to accepting this bonus?

Yes. After accepting the bonus, you will no longer have access to the “extra year,” early retirement, or buyout options if you are excessed at any time in the future and cannot find a placement at another school. To learn more about these options, please consult the WTU contract (Section 4.5.5) at wtulocal6.org.

Am I required to accept the bonus?

No. If you would prefer not to give up the “extra year,” early retirement, or buyout options related to excessing, you may forgo the bonus.

How will I communicate with DCPS whether I want to accept the bonus?

Once final IMPACT ratings are available, the IMPACT team will notify you via email if you are eligible for an IMPACT *plus* bonus. You will submit your acceptance decision by logging into the IMPACT database at impactdcps.dc.gov. DCPS will provide more details at that time.

When will I receive my bonus?

Upon confirmation that you have returned to DCPS the following school year or retired, DCPS will disburse all bonuses by the end of the calendar year in which they are earned.

Will the bonus be subject to taxes?

Yes.

If I earn a Highly Effective rating again in the next school year (2018–2019), will I be eligible for another bonus?

Yes. You will be eligible every year that you earn a Highly Effective rating.

If I have additional questions about the annual bonus, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

PART 2: INCREASE IN BASE SALARY

How does the increase in base salary work?

Base salary increases for teachers align with the Leadership Initiative For Teachers (LIFT)* career ladder.

YOUR SCHOOL'S POVERTY LEVEL	YOUR LIFT STAGE	YOUR SERVICE CREDIT
High-Poverty	Advanced	2 Years
	Distinguished	5 Years [†]
	Expert	5 Years [†]

[†] In addition to the five-year service credit, teachers at the Distinguished Teacher stage will move to the master's degree salary band if not already there, and teachers at the Expert Teacher stage will move to the PhD salary band if not already there.

ADVANCED TEACHER STAGE

At the Advanced Teacher stage, teachers in high-poverty schools will be eligible for an increase in their base salaries in the form of a service credit. Advanced Teachers will be granted a two-year service credit, meaning that they will be paid as if they had two additional years in the system.

For example, let's imagine that it is the end of the 2017–2018 school year, and your IMPACT rating qualifies you to move to the Advanced Teacher stage. Let's also imagine that you just finished your fourth year of teaching in a high-poverty school, and that you have a master's degree. For the 2018–2019 school year — your fifth year of teaching — we would actually pay you as if you were in your seventh year (5 years + 2 year service credit). In this case, your salary would increase from \$61,158 to \$69,132 — a base salary increase of nearly \$8,000.

DISTINGUISHED TEACHER STAGE

At the Distinguished Teacher stage, teachers in high-poverty schools will be eligible for an increase in their base salaries.

The base salary increase will take two forms. First, teachers will move to the master's degree salary band if they are not already there. Second, they will be granted a five-year service credit, meaning that they will be paid as if they had five additional years in the system.

For example, let's imagine that it is the end of the 2017–2018 school year, and your IMPACT rating qualifies you to move to the Distinguished Teacher stage. Let's also imagine that you just finished your fifth year of teaching in a high-poverty school, and you have a bachelor's degree only. For the 2018–2019 school year — your sixth year of teaching — we would actually pay you as if you had a master's degree and were in your eleventh year (6 years + 5 year service credit). In this case, your salary would increase from \$56,655 to \$81,335 — a base salary increase of nearly \$25,000.

* The Leadership Initiative For Teachers (LIFT) is explained in full in a separate guidebook that is posted on the DCPS website.

EXPERT TEACHER STAGE

At the Expert Teacher stage, teachers in high-poverty schools will be eligible for an increase in their base salaries.

The base salary increase will take two forms. First, teachers will move to the PhD salary band if they are not already there. Second, they will be granted a five-year service credit.

For example, let's imagine that it is the end of the 2017–2018 school year and your IMPACT rating qualifies you to move to the Expert Teacher stage. Let's also imagine that you have a master's degree, and you just finished your ninth year of teaching in a high-poverty school. For the 2018–2019 school year — your tenth year of teaching — we would actually pay you as if you had a PhD and were in your fifteenth year (10 years + 5 year service credit). In this case, your salary would increase from \$75,232 to \$92,613 — a base salary increase of more than \$17,000.

How will my compensation increase over time through LIFT?

All Effective and Highly Effective teachers will continue to earn the annual step increases outlined in the Washington Teachers' Union contract. However, at the Advanced, Distinguished, and Expert Teacher LIFT stages, teachers will earn significantly larger base salary increases, as outlined above.

The graph below represents maximum compensation over time for a hypothetical Group 1 or 1a teacher with a master's degree at a traditional (10-month) and extended year (12-month) school. This teacher works at a high-poverty school and earns Highly Effective ratings each year.

Will the service credit count for retirement eligibility?

No. Your retirement eligibility will still depend on the actual number of years you have worked in the school system.

For how many years do I need to teach in a high-poverty school in order to qualify for the base salary increase?

You must be teaching in a high-poverty school during the year in which you qualify for a service credit and during the following school year.

For example, imagine that you are at the Established Teacher stage during the 2017–2018 school year. If you earn a Highly Effective rating at the end of the year, you will begin the 2018–2019 school year at the Advanced Teacher stage. In order to qualify for the two-year service credit at the Advanced Teacher stage, your school in 2017–2018 and in 2018–2019 must be high-poverty.

Are there any conditions attached to accepting the increase in base salary?

Yes. After accepting the increase, you will no longer have access to the “extra year,” early retirement, or buyout options if you are excessed at any time in the future and cannot find a placement at another school. To learn more about these options, please consult the WTU contract (Section 4.5.5) at wtulocal6.org.

Am I required to accept the increase in base salary?

No. If you would prefer not to give up the “extra year,” early retirement, or buyout options related to excessing, you may forgo the increase in base salary.

If I reach the Expert stage at a low-poverty school, am I permanently ineligible for the base salary increase?

No. Formerly, teachers who reached the Expert Teacher LIFT stage or served their last year as a Distinguished Teacher while teaching in a low-poverty school were ineligible for a base salary increase (five-year service credit and promotion to the PhD band). This policy has changed, however, such that a teacher who reached the Expert Teacher stage at a low-poverty school will become eligible if he or she moves to a high-poverty school, earns two consecutive Highly Effective ratings, and teaches in a high-poverty school for an additional year. In this circumstance, the teacher will be awarded the base salary increase at the start of the third consecutive year in a high-poverty setting.

This new policy applies only to teachers who entered the Expert Teacher LIFT stage immediately before or after teaching in a low-poverty school, and who were previously ineligible for the service credits and education level promotion associated with this stage. Please note that teachers may not retroactively receive credits associated with the Advanced or Distinguished stages, or service credits for which they were previously eligible but declined.

If I have additional questions about the increase in base salary, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

What is IMPACT*plus*?

IMPACT*plus* is a performance-based compensation system for members of the Washington Teachers' Union (WTU) and Council of School Officers (CSO) who are evaluated under IMPACT.

Who is eligible for IMPACT*plus*?

All CSO members who earn a final IMPACT rating of Highly Effective are eligible for performance-based compensation under IMPACT*plus*.

How do I know if I am a CSO member?

The CSO represents school-based administrators and certain related service providers; a list of CSO positions may be found in the CSO contract. If you are not sure about your status, you may contact Human Resources at 202-442-4090 or the CSO at 202-526-4700.

How does the annual bonus work?

The chart below describes the bonus structure.

YOUR IMPACT RATING	YOUR SCHOOL'S POVERTY LEVEL	YOUR BONUS	YOUR ADD-ON IF YOU ARE IN ONE OF THE 40 TARGETED SCHOOLS	YOUR TOTAL POSSIBLE ANNUAL BONUS
Highly Effective	High-Poverty	\$1,500	\$500	\$2,000
	Low-Poverty	\$1,000	n/a	\$1,000

How do I know my school's poverty level?

Each school's poverty level is listed on the DCPS website at dcps.dc.gov/page/impactplus. If you work at more than one school, we will use the average of your schools' free and reduced-price lunch rates.

Why do CSO members in high-poverty 40 targeted schools receive higher bonuses?

One of the goals of IMPACT*plus* is to help our highest-need schools attract and retain outstanding staff members. This is why we are offering higher bonuses to the individuals who serve in these schools.

How will I know if I received a Highly Effective rating?

To access this information, log into the IMPACT database at impactdcps.dc.gov. If you need assistance logging in, you may contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

Do I need to be a "full" union member to be eligible for IMPACT*plus*?

No. You only need "agency fee" status to be eligible for IMPACT*plus*. To learn more about your status, you may contact the CSO at 202-526-4700.

How do I know if I work in one of the 40 targeted schools?

If you are not sure, please ask your administrator. You may also contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

If I retire at the end of the 2017–2018 school year, will I be eligible for the bonus?

Yes.

Will the bonus count toward my pension calculation?

No.

If I *resign* at the end of the 2017–2018 school year, will I be eligible for the bonus?

No. In addition to recognizing and rewarding excellent staff members, *IMPACTplus* aims to retain them. Thus, to be eligible for the bonus, you must be employed by DCPS, or be a new entrant to the retirement system, at the time of the bonus distribution.

If I am separated from the school system for disciplinary reasons, will I be eligible for the bonus?

No.

If I am employed by DCPS for only part of the school year, will I receive the full bonus?

No. Assuming you are employed by DCPS (or are a new retiree) at the time of the bonus distribution, your bonus will be prorated according to the number of full months you worked during the school year in which you earned the Highly Effective rating.

When will I receive my bonus?

Upon confirmation that you have returned to DCPS the following school year or retired, DCPS will disburse all bonuses by the end of the calendar year in which they are earned.

Will the bonus be subject to taxes?

Yes.

If I earn a Highly Effective rating again in the next school year (2018–2019), will I be eligible for another bonus?

Yes. You will be eligible every year that you earn a Highly Effective rating.

If I have additional questions about the annual bonus, whom should I contact?

Please contact the IMPACT team at 202-719-6553 or impactdcps@dc.gov.

CONCLUDING MESSAGE

This system is called “IMPACT” because you, the adults serving in our schools, have the ability to make a dramatic, positive impact on our students’ lives. You are the most important lever of change in our school system.

While the goals we set for our students and ourselves are bold, they represent what we can and must do, together, to ensure that our students receive a first-rate education that will open a world of possibilities for them. Every student, every school, every day!
