DCPS School Program Provider Application:
Program Budget Form

Please use this form to share your program's budget. DCPS asks that applicants share this minimum amount of information, as outlined below, to share the high-level **inputs** and **outputs** of your program's budget.

- **Inputs** include ways in which your organization acquires financial resources such as student fees, grants, and private donations.
- **Outputs** include items on which your organizations spends these funds to execute programming such as staff salaries, supplies and operations fees.

Please save this document as **Organization Name_Budget_Date** and submit with your application by uploading to the online application page**.** To begin the application visit:
