

February 9, 2015

Dear Parent/Guardian of *(student name and ID number)*,

DC Public Schools (DCPS) is dedicated to ensuring that all children receive a world-class education that prepares students to be successful in college, career and life. Registering your child for summer school is one of the best things you can do to help your child stay on track and be prepared for the following school year. With that in mind, we are excited to announce that online registration for DCPS' K-7 Summer School 2015 starts on Monday, February 9th. **Spaces are limited, so please register as soon as possible to secure a seat for your child.**

Please note the following:

1. Current kindergarten through 7th grade (K-7) DCPS students only are eligible to participate in this program. If your child does not secure a seat in K-7 Summer School, DCPS will be offering a number of other great opportunities across the district. Check the DCPS website at dcps.dc.gov throughout the spring for more information. Unfortunately, this program is not open to prekindergarten or non-DCPS students at this time.
2. Enrollment for K-7 Summer School is done **online** only through dcps.dc.gov/DCPS/K7summer. Computers are available at your child's school for you to use to complete the enrollment process if needed. Computers are also available at local DC Public Libraries (dclibrary.org).
3. Information regarding 8th grade and High School Summer School will be provided separately.

We look forward to working with you this summer in a learning community dedicated to your child's ongoing success. If you have any questions about K-7 Summer School registration, please contact the registrar at your student's school or the DCPS Office of Out of School Time Programs at 202.442.5002.

Sincerely,

Kaya Henderson
Chancellor

Frequently Asked Questions

1. How do I register my child?

Beginning February 9, go to dcps.dc.gov/DCPS/K7summer and enter your child's DCPS ID number, which appears at the beginning of this letter next to your child's name. You may use a computer at your child's school or at a local DC Public Library to complete the registration. The application must be completed on a computer not a mobile device (mobile devices include cellphones and tablets). See page 4 for more information.

2. Which students attend summer school?

Summer school is open to every current kindergarten through seventh grade DCPS student on a first-come, first-served basis. **Since the number of seats is limited, please enroll as soon as possible.**

3. What is the schedule for summer school?

Summer school will operate every day for five weeks, from June 29 to July 31. There is no school in observance of Independence Day on July 3. The program hours are 8:00 a.m. to 1:00 p.m. Free breakfast and lunch are included.

4. What about afternoon programs?

DCPS is working with a variety of partners to provide enriching afternoon programs at as many summer school sites as possible from 1:00 p.m. to 5:30 p.m. More information about afternoon offerings and locations will be available closer to the start of summer school on the DCPS website (dcps.dc.gov).

5. Where is summer school hosted?

The summer school program will operate at eight sites throughout DCPS. (See below.) The chart on page 3 shows you the site to which your child's school and grade have been assigned.

Serving grades K-5:

Beers ES: 3600 Alabama Ave. SE, Washington, DC 20020

Bruce-Monroe ES @ Park View: 3560 Warder St. NW, Washington, DC 20010

Plummer ES: 4601 Texas Ave. SE, Washington, DC 20019

Tyler ES: 1001 G St. SE, Washington, DC 20003

Serving grades K-7:

Brightwood EC: 1300 Nicholson St. NW, Washington, DC 20011

Brookland EC @ Bunker Hill: 1401 Michigan Ave. NE, Washington, DC 20017

Turner ES: 3264 Stanton Rd. SE, Washington, DC 20032

Walker-Jones EC: 1125 New Jersey Ave. NW, Washington, DC 20001

6. Who teaches summer school?

We hire experienced and highly qualified instructors to teach summer school to make sure the program is high-quality, fun, and engaging. The majority of summer school teachers are current DCPS teachers during the school year.

7. What do students learn in summer school?

The summer school program uses a research-based curriculum and resources to deliver a high-impact experience that will improve your child's reading, writing, and math skills. Students will also have the opportunity to use innovative technology.

How to Register Your Student for K-7 Summer School

Thank you for your interest in registering your child in the summer school program! **You will need to use a computer with Internet access to register.** You may use a computer at your child's school to complete the registration. The application must be completed on a computer not a mobile device (mobile devices include cellphones or tablets). For assistance with completing the registration, ask at the Main Office of your child's school.

Summer school registration begins on February 9. Since the number of seats is limited, please enroll as soon as possible.

What you will need to register for Summer School

1. Only parents and legal guardians may register students.
2. You will need to complete the entire application at one time. (You cannot save and return later.) Completing the registration process will take approximately 5-10 minutes.
3. You will need to have the following information to complete the online registration:
 - Parent/guardian contact information (address, phone number(s), email)
 - Name and phone number of another adult who can be contacted in an emergency
 - Names and phone numbers of anyone authorized to pick the student up at dismissal time
 - Optional information:
 - Medical information, such as names of required medications, allergies, or special needs
 - Dietary restrictions for medical, philosophical or religious reasons
 - If you plan to request the transit subsidy for bus or Metrorail you may also wish to have your child's DC One Card number if he/she has one.

Steps to Register

1. Go to dcps.dc.gov/DCPS/K7summer in your internet browser on a computer.
 - a. You must type in the address exactly as it appears here, including the part that has capital letters for /DCPS/K.
2. Enter your child's ID number. Your child's ID number appears at the beginning of this letter, next to your child's name.
3. Enter the requested information in the boxes provided.
4. If required, click on the gray arrow to show possible answers to a question (such as "Yes" or "No").
5. When the form is complete, click the "save" button in the upper right hand corner.
6. When you finish, please write down your enrollment confirmation number. If a class is full, you will receive confirmation that your student has been placed on the waitlist.

Questions about Registering

If you have any trouble with the registration process, please contact the registrar at your child's school or the DCPS Office of Out-of-School Time Programs at 202.442.5002.
