1. The Agencies shall provide assistance to the Union and Office of Labor Relations and Collective Bargaining to facilitate the deduction of Union dues from the employee's biweekly pay upon an employee's submission of a dues deduction request to the Office of Labor Relations and Collective Bargaining. The Union shall be the only employee organization during the life of this Agreement eligible to use payroll deductions for membership dues and services.
2. The amount to be deducted shall be certified to the Agencies, with a copy to the Office of Labor Relations and Collective Bargaining, in writing, by the appropriate official of District Council 20. The employee and the Union will bring errors or changes to the employee's status to the Agencies promptly after discovery.
3. In keeping with the principle that employees who benefit from this Agreement should share in the cost of administration, it shall be a condition of employment that all bargaining unit employees pay either Union dues or a service fee. The amount of both dues and service fees shall be established by the Union. It is agreed that service fees shall not exceed amounts permissible under applicable law. The service fee deduction provision of this Article shall

become operative when the Union presents evidence that at least fifty-one percent (51%) of the employees in the bargaining unit are members of the Union.

4. The Union will notify employees in writing of their rights under *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986), and related cases.

Section B: Indemnification

The Union shall indemnify, defend and otherwise hold the Employer harmless against any all mistakes, claims, demands, omissions, timely deductions made or not made, and other forms of liability, which may arise from the operation of this Article. In any case in which a judgment is entered against the Employer or District as a result of the deduction of dues and/or other fees, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the Employer, shall be returned to the Employer or conveyed by the Union to the employee(s), as appropriate. Should an employee pursue a claim for recovery of any monies under this Article, it shall be a matter solely between the Union and the employee.

ARTICLE XVIII: GRIEVANCE AND ARBITRATION PROCEDURES

Section A: General

1. Whenever a grievance arises that involves more than one grievant, or pertains to a condition affecting a significant number of grievants, that grievance may be initiated and processed by the Union rather than by any individual, provided that the Union in its written submission to the Agency names all of the employees involved or provides a detailed description of the group of employees covered by the grievance, such that the Agency could reasonably determine the individuals constituting the group.

2. If the Union is not a party to a grievance, the disposition of the grievance will not be regarded as establishing any precedent.

3. No matter shall be entertained as a grievance unless it is raised by the grieving employee or the Union within ten (10) work days after the event giving rise to the grievance.

4. Once a grievance has been filed, it may not be altered except that the grievant may delete items from the grievance.

5. No hearing at any phase of the grievance procedure shall be open to the public or persons not immediately involved, unless all parties agree.

6. Any hearing provided for under this Article shall be conducted during the work day and in locations accessible to all relevant parties. Witnesses shall be present at the hearing only

when their personal testimony is being presented. When hearings are held during school hours, employees required to be present shall be excused with pay for that purpose.

7. No recording device shall be utilized either at Step 1 or Step 2 of this procedure. No person shall be present at any of these steps for the purpose of recording the discussion. At Step 3 of this procedure, no recording device, other than that utilized by the Agency's designee, shall be utilized and no person other than the Agency's designee shall be present for the purpose of recording the discussion. In the event the Agency's designee chooses to make a recording at the Step 3 hearing and provides a copy of that recording to the Agency, it shall also provide a free and accurate copy of the recording to the Union.

8. In the event a witness is unable to testify in person for a Step 3 hearing or Step 4 arbitration, the Union and the Agency agree that the witness may testify remotely, using available videoconferencing technology. Any technical or procedural disputes that arise with video teleconferencing will be resolved by the Step 3 Hearing Officer or by the Arbitrator, respectively.

Section B: Definition

1. A grievance is defined as an unsettled complaint filed by a member or the Union on behalf of its member(s) concerning any alleged violation, misinterpretation, or misapplication of any of the provisions of the Agreement. A difference or dispute not involving the meaning, application or interpretation of the terms and provisions of this Agreement shall not constitute a grievance for the purpose of this Article, but may be addressed through other appropriate administrative or legal procedures.

2. The grievance procedure shall not be available to probationary employees seeking to challenge their termination during their probationary period.

Section C: Presentation of Grievances

This procedure is designed to enable the parties to settle grievances at the lowest possible administrative level at which the grievance may be resolved.

Section D: Categories of Grievance

1. Personal. A grievance of a personal nature requires the signature of the aggrieved employee at Step 2 of this procedure, even if the grievant is represented by his/her Union. In the case of an individual grievant proceeding without Union representation, the Union must be given an opportunity to be present and to offer its views at any meeting held to adjust the grievance.

2. Group. A grievance that involves a number of employees in the bargaining unit, and that may be filed at whatever step a resolution is possible.

3. Class. A grievance that involves all the employees in the bargaining unit, and that filed and signed by the Union President or designee directly at Step 3 of this procedure. Grievances so filed will be processed only if the issue raised is common to all unit employees. A class grievance must contain all information specified in Section E, Step 2 of this procedure. The Chancellor or Agency Director or his or her designee shall respond in writing within ten (10) work days of receipt.

SECTION E: Who May Grieve

Either an employee or the Union may raise a grievance, and if raised by an employee, the Union may associate itself therewith at any time if the employee so desires. Whenever the Union shall raise or be associated with a grievance under this procedure, such a grievance shall become the Union's grievance with the Employer. If raised by the Union, an employee may not thereafter raise the grievance himself or herself; and if raised by the employee, he/she may not thereafter cause the Union to raise the same grievance independently. Only the Union has the authority to appeal a grievance to arbitration.

Section F: Procedural Steps

Step 1: The aggrieved employee (with or without his/her Union representative) and/or the Union shall in writing present and discuss the grievance with the employee's immediate supervisor, within ten (10) work days of the occurrence of the event giving rise to the grievance, or the date the occurrence or event becomes known to the employee or Union.

The immediate supervisor is to make a decision on the grievance and communicate the decision to the employee or to the Union, or to the representative in writing, within five (5) work days from the presentation of the grievance. If the supervisor fails to respond within five (5) work days or the employee or Union is dissatisfied with the response, the Union or the employee may advance the grievance to Step 2.

Step 2: Within ten (10) work days of the deadline for the supervisor to respond at Step 1, if the grievance is not resolved to the grievant's satisfaction or the supervisor has not responded, the grievant or Council shall submit a signed written grievance to Labor Management and Employee Relations (LMER) or the Agency's equivalent Department of Human Resources. This specific Step 2 grievance shall be the sole and exclusive basis for all subsequent steps. The grievance at this step and every further step shall contain:

- a. A statement of the specific provision(s) of the Agreement alleged to be violated;
- b. The date(s) on which the alleged violations occurred;
- c. The manner in which the alleged violation(s) occurred;
- d. The specific remedy or adjustment sought;

e. The names of all employees involved or a detailed description of the group of employees covered by the grievance;

f. The signature of the aggrieved employee or the Union representative, according to the category of the grievance.

Should the grievance not contain the required information, the grievant/Union shall be so notified in writing within five (5) work days and granted the opportunity to resubmit the grievance within three (3) work days of such notice.

Within fifteen (15) work days of receipt of the written grievance, LMER or the Agency's Department of Human Resources shall conduct a meeting with the grievant for a full review of the acts relevant to the event and issue a written decision within fifteen (15) work days following the meeting. The parties may forego an in-person meeting on the grievance, if both parties agree that the documentation submitted at Step 2 is sufficient for a determination on the grievance.

Step 3: If the grievance remains unsettled, the employee and/or Union may submit the grievance to the Chancellor or Agency Director, or his/her designee within 10 work days of the deadline for the Step 2 response. The Chancellor or Agency Director, or his/her designee(s), shall meet with the Union and or the grievant(s) and shall render a decision, in writing, within fifteen (15) work days of such meeting. If necessary, the Chancellor's designee may request additional time from the parties to render a Step 3 decision; such timelines shall be extended if neither party objects to the requested extension. At DCPS, this meeting shall take the form of a hearing, before a neutral hearing officer during the course of which all parties are afforded the opportunity to present evidence, witnesses, and arguments in support of their respective position(s). The hearing officers shall submit his/her decision to the parties and the decision is binding absent a request for arbitration by either party.

Step 4: If either party is dissatisfied with the Step 3 decision, such party may request arbitration of the dispute in writing as follows: Within ten (10) work days from receipt of the Step 3 response, the Union shall advise the other party in writing if it intends to request arbitration on the matter.

Section G: Arbitration

1. Selection of an Arbitrator

a. Within ten (10) work days from receipt of the Step 3 response, the Union shall request the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association to refer a panel of seven (7) impartial arbitrators. The request shall require the FMCS or AAA to refer only arbitrators whose primary offices are located in the District of Columbia or a contiguous jurisdiction in Virginia (Alexandria, Arlington, or Fairfax Counties, or wholly incorporated municipalities

within those counties) or Maryland (Montgomery or Prince Georges Counties, or wholly incorporated municipalities within those counties). When either party requests a panel, the FMCS or AAA shall be provided with the name and address of the Office of Labor Relations and Collective Bargaining as the representative of the Employer. The party requesting arbitration shall be required to bear the fees associated with the panel request and any administrative fees. After an arbitrator has been chosen in accordance with Section G1(b) below, the parties will return the form with the selected arbitrator noted to FMCS or AAA.

- b. The parties agree to participate in the selection of an arbitrator. Upon receipt of the FMCS panel, the parties will confer within 10 days (unless mutually extended) to select one (1) of the names on the list. Each party will alternately strike a name from the panel until one (1) remains. The privilege of first strike shall be determined by a coin toss or other mutually agreeable random method.

Section H: Arbitrations Generally

1. Unless the parties mutually agree to consolidate related cases for purposes of a hearing, the arbitrator shall hear and decide only one (1) grievance at each hearing.
2. The arbitration hearing shall be informal, and the rules of evidence shall not strictly apply.
3. The hearing shall not be open to the public.
4. Witnesses shall be sequestered upon request of either party.
5. Either party has the right to an official record of the hearing, or has a verbatim stenographic record made at its own expense. The expense for the stenographic record may be shared by mutual agreement.
6. The arbitrator's award shall be in writing and shall set forth the arbitrator's finding, reasoning and conclusion within thirty (30) work days after the conclusion of the hearing, or within thirty (30) work days after the arbitrator receives the parties' briefs, if any, whichever is later.
7. Once an arbitrator has been selected, either party may provide a copy of the Grievance Article highlighting the provisions requiring the arbitrator to render his/her decision within thirty (30) days after the conclusion of the hearing or within thirty (30) days after the arbitrator receives the briefs, if filed, whichever is later, and requests that the arbitrator confirm in writing that he or she will be able to render a decision within thirty (30) days after the stated events, as required by the parties Agreement. If the arbitrator selected cannot confirm that he/she will be able to render a decision within thirty (30) days or within a reasonable time thereafter, the parties may mutually agree to select a different arbitrator.

8. If, before the selection process begins, either party maintains that the panel of arbitrators does not comply with the requirements under Section G.1(a) above, a request for a new panel from FMCS or AAA shall be made. Absent mutual agreement, there shall be no more than two subsequent requests until the parties receive an acceptable panel. If the initial request failed to stipulate the correct local parameters for the list of arbitrators, then the party that made the initial request shall bear the costs of the additional panel requests.

9. The arbitrator shall not have the power to add to, subtract from or modify the provisions of this Agreement through the award. The Arbitrator shall confine his/her award to the issue(s) presented. The Arbitrator's decision shall be final and binding consistent with the parties' rights under the Comprehensive Merit Personnel Act (CMPA).

10. A statement of the Arbitrator's fees and expenses shall accompany the award.

11. The parties shall attempt to submit a joint statement of the issues or issues to the arbitrator.

Section I:

If the Employer does not respond within the time limit specified in each Step, the employee or the Union may invoke the next Step, treating the lack of response as a denial of the grievance. If the Union does not invoke a right to escalate the grievance within the time limit specified in each Step, the Agency may treat the lack of action as a decision not to proceed with the grievance.

Section J:

The presentation and discussion of grievances shall be conducted at a time and place that will afford fair and reasonable opportunity for both parties and their witnesses to attend. Witnesses, with information deemed relevant by the Arbitrator, shall be heard. Witness(es) shall be present only for the time necessary for him/her to present evidence. When discussions and hearings required under this provision are held during the work hours of the participants, they shall be excused with pay for this purpose.

Section K:

All time limits set forth in this Article may be extended by mutual consent, but if not so extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may be invoked unless the time period for doing so has elapsed.

Section L:

The parties agree that a process of grievance mediation may facilitate satisfactory solutions of grievances prior to arbitration. Therefore, on an experimental basis and when mutually agreed to by the parties, a mediator may be selected and utilized to facilitate settlements.

- a. The mediator may not impose a settlement on the parties, and any settlement reached will not be precedential unless otherwise agreed to by the parties on a case-by-case basis.
- b. Grievances may be combined for the purposes of mediation upon mutual agreement by the parties.

Section O: Grievance Mediation

Union representatives shall obtain advance permission (by submitting an Official Time Form or Leave Request) from their immediate supervisor or their immediate supervisor's designee when leaving work to transact permissible labor-management business (as defined by this Agreement) during work hours. The Labor Liaison will consult with and ensure that the appropriate supervisor of the facility to be visited is aware of the date and time of the Union's National or District Council 20 Representative's visit.

Section H:

Management will not prevent Union representatives from representing employees at reasonable times consistent with the provisions of this Agreement. The Union and employees recognize that workload and scheduling considerations will not always allow for the immediate release of employees from their assignments. However, the Agency agrees that such permission for release shall not be unreasonably delayed or denied.

Section I:

This Agreement shall become effective as of the date of District of Columbia City Council approval. If certain provisions are found to be contrary to applicable law, the parties shall meet within thirty (30) days to negotiate legally-constituted replacement article(s) for the offensive provision(s). The Agreement shall remain in full force and effect during the period of negotiations and until a new contract takes effect.

Section B:

The parties acknowledge that this agreement represents the result of negotiations during which both parties had the unlimited right and opportunity to make demands and proposals with respect to any mandatory negotiable subject matter.

Section C:

It is agreed that any request by either party for further negotiations due to changes in legislation, rules or regulations affecting any Article in this agreement shall be for the purpose of amending, modifying or supplementing provisions agreed to and included in this Agreement. If all parties mutually agree in writing during the term(s) of the Agreement that modification of the Agreement is necessary, they may modify it.

Section D:

All terms and conditions of employment not covered by the terms of this Agreement shall continue to be subject to DCPS' direction and control. However, when a DCPS order or regulation directly impacts on the conditions of employment of unit members, such impact shall be a proper subject of negotiations.
