Grows into a responsible citizen	Prepare for college	Support for the unique benefit of CAML on education of our youth
Growth	Prepare for college and the professional world	Support hard-working teachers
Growth and change	Preparing students for college	support, teacher
Growth and learning	Principal	supporting Eastern HS
Growth in scores and more support for teachers	Principal autonomy	Supporting our teachers and staff
Growth within DC	Programs for students that need to study or need help studying	Supportive chancellor
Growth, intellect, analytical ability electives	Progress	Supportive chancellor
Happiness	Providing more academic opportunities	Supportive chancellor
Happiness	Providing staffing, modernizing building	Supportive chancellor

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Happiness and college acceptance	que los saque a las 3:15pm for all school	Supportive chancellor
Happiness in life	Racism being handled in administration	Supportive chancellor
Happiness in life	Randle Highlands Elementary School	Supportive chancellor
Happiness, will to learn, improved esteem and improved grades	Randle Highlands Elementary School	Supportive chancellor
happy and thriving	Receive higher scores	Supportive chancellor
Happy learning	Receiving abundance of resources to continue educational success at school	Supportive of student and community engagement
Happy Wealthy child that loves school; getting into a great high school	Reducing incidents of hate speech	Swimming classes become a priority
Happy, healthy, confident achievers	Reducing incidents of hate speech	System represents all students
Happy, on target for learning at her age, and engaged in the community	Remaining a high ranked school in DC	Take more efforts to hold Principals accountable
Hard work	Remaining diverse	teach instead of promote students
Hard work	Remove bigotry	Teach stability and continuity
Hard work	Remove the perceived separation of those students in Spanish immersion program and those that are not. ALL the caucasian kids are in language immersion. How come?	Teacher preference for schools
Hard work	Removing racial stigmas	TEACHER REFERENCE! My child was not matched with the school I am employed at. May we change this?
Hard work	Renovate	Teacher retention. Salary increases annually.
Hard work	renovated and expanded building, engaged and happy teacher's, incredible principal	Teachers are not making enough money to live comfortably.

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Hard work	Renovation for West ES	Teachers need first choice in school lottery
Hard work	Renovation, teacher retention	Technology/modernization and school updates
Hard work	Renovations	That they are able to provide safe and encouraging growth for students
Hard work	Renovations	The class is better mix
Hard work	Renovations to reflect the greatness the school has	The graduations rate increases
Hard work	Renovations, warm, modern, inviting school	The lottery is a detriment to community and burdens the system. Promote neighborhood schools. There's too much choice. Proceed very cautiously with charters. Too many.
Hard work	Respective justice and mindfulness	The number of kids enrolled in daily programs
Hard work	Retention of families, kids, and teachers. Too many turnovers	The school system will be more universal
Hard work	Retroactive grade boosts	The teachers
Hard work	Ross is great and we are hoping that schools will continue to improve	The teachers, principals, and staff
Hard work being focused	Routine and Procedures	They can make school lunch more healthy
Have a well-rounded education	Safe environment for all	They need to have better people
Have better food	Safe environment for all students	To be more available
Have to continue to open up.	safe school, high test scores, great community, competitive sports	To be more available
Have to excel and have ability to thrive	Safe, supportive environment	To be respected by central office
Having a chance to go to college of my choice is able to use the skills from HS	Safety	To continue to help our children

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Having a contract signed	Safety, joy in learning, discipline/structure	To create an evaluation system that does not promote fear among employees
Having a contract signed	Safety, learning environment	To define the goal of education as preparation
Having a fully modernized, safe learning environment	School has a diverse student population	To do right by student
Having a good job	School helps students develop their talents	to give DCPS a good rep
Having a good job	School is less stressful	To have improved infrastructure in schools
Having a good school education	School that is fun and engaging	To have more education programs for students who need extra help
Having a job	School without walls	To have more scholarship DCPS schools
Having a professional development program designed for new educators as opposed to one size fits all	School without walls/ always do your best/ fight for education	To have more teachers and staff
Having a school community where children are challenged	Schools become more inclusive	To have opportunities for students and teachers to grow
Having a success	Schools have a diverse community	To help kids get a better education
Having an education	Schools will get more resources	To help me become a success
Having freedom to experiment with new strategies to push students	Securing amenities	To lead me to success
Having great grades or a scholarship	Seeing more students passing the AP Class	To not wear uniforms because some people don't have money
Having great teachers that are very hands on	Seeing school become cohesive	To provide more family engagement
Having my career started being married with kids as well	Sending students to college and getting better	To reform in order to reach each and everyone of its students

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Having my master degree in business and social work	She has options for enrichment. She is challenged	To spend more money on early intervention and special education and behavior supports rather than try to deal with shit show later in grades 6-12
Having students graduate in proper grade level.	Show children more options. Equal opportunity for all schools	To strengthen traditional public schools
Having teachers	Showing students the proper way to life	To teach us in many different confusing ways
Having the opportunity to be creative and less stressed.	Social engagement	To turn around all DCPS schools!
Having the same resources (technology) as other DCPS schools.	Special class for students that do not speak English	Tome I think DCPS seeks to ensure their students success by implementing an effective learning assessment and performance system.
He has learned math and writing sentences, he is about to go into 1st grade	Special classes to speak English	Top scores
He's fully bi-literate, has high quality bilingual options for middle and high school, loves school + teachers love him	Staff that care	Transparency, honest service, and leadership training for all program managers
Helping animals	Standing out from others in excellence	trust in teachers
Helping students with matters of physical or sexual violence	Staying as the#1 DCPS school	Understanding how to reach every child
Her being able to do extra activities and to be able to learn in a safe Plummer ES	Staying in a high ranking	Understanding the curriculum
Her success	Steady graduation rate	Upward mobility
High Academic Standard (PARCC) regardless of how well school is doing currently	Steady learning, improvements with programs and top scores	Use format other than standardized tests
High GPA	STEM program continues	Use of Jupiter grade system
High reading, writing, and math scores; happiness and sports	Still one of the best schools in the USA	Vocational schools

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
High school graduation	Still up and running	We are the highest achieving large urban school district in the country
High standards/choices/good teachers	Stop bullying	We need improvements in staff relations!
Highest education, safety	stop nepotism and cronyism as the process used to promote and select staff and administrators	We need more laptops
Highly effective	Stop superintendent	What about the kids that hang out in the hallway and the front building that very important
Highly effective	Stop wasting the teaching's time	What represents success for DCPS is schools that have high or average scores from students.
Him completing all his grades	Stopping rate of dropouts	When I get the support I need especially if my work is dependent on others completing their work in a timely manner.
I been learning	Stricter rules for kids trying to get in	When schools make improvements
I believe the parent represents success	Stricter rules for kids trying to get in	Will not succeed until you spend enough to challenge all students and give low income kids enough to close the gap
I can play sports	Strong academics	Willingness to incorporate or consider flexibility for Montessori program
I continue to hone my craft and become a better teacher with PD	Stronger academics	Work in progress
I do good in math	Structure	Work more diligently for every child to graduate with excellent skills in Foundation.
I graduate to high school	Student consequences; teacher support	Work on more after-school programs. More training for my future
I have my children will be graduating and entering college	Student retention from PreK 3-5	Working together to improve our schools

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
I hope our school has higher test scores and a better community	Students are doing well	Yes
I like to go to middle school	Students are getting good grades	Yes
I love 1st grade	Students are going to college	
I love and to enjoy learning and see individuals success	Students are happy, healthy and successful	
I represent one of the students because we think that some time we need use the phones	Students are performing better	
I see myself as a business owner	Students are staying in school	
I think success is doing good in math and reading	Students being eager to learn. Collaboration with other agencies	
I think we need more city near every class	Students being successful in all academic areas/social areas	
I think when I learn new things in third	Students continue to get good grades	
I want DCPS to provide more mental health and behavioral staff to our school system	Students enjoy school	
I want to be a doctor	Students enjoy school, extracurricular activities, well rounded in math/science/S.S./ELA	
I want to be a firefighter	Students feeling successful and achieving proficiency to be competitive	
I want to be a mathematics or scientist	Students gain knowledge rather than preparing for tests	
I want to be a vet	Students going to top tier colleges	
I want to be in college getting a degree	Students grow	
I want to be ready for the fourth grade.	Students have good grades	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
I want to be successful in art. It is my favorite subject.	Students have the ability to easily access the use of technological resources	
I want to complete school	Students know they can succeed	
I want to get better at math	Students not returning repeatedly because of offenses	
I want to get good at reading	Students of similar strengths	
I want to go to the army	Students retain excellent teachers	
I want to go to the fourth grade	Students to have more investment	
I want to graduate 8th grade	Success is being nice to others and providing them with a better future	
I want to learn most English, talk most English	Successfully dealing with discipline	
I want to successful middle school	Supplies for schools	
I will be an actress superstar	Support	
I will be finishing college and traveling	Support (expertise and manpower) to address achievement gap	
I will be good in math	support for teachers	
I will be graduated and prepared to work	Support from Administrators & co workers to be the best teacher I can be	
I will be graduating college and starting a career	Support per school events	
I will be in college	Support to support our students in their college going endeavors	
I would be doing stuff for teacher.	Supportive leadership	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
I would be in a different school and I would learn a lot more	Teach me more English	
I would be in my second year in college	Teacher support helping my daughter	
I would have my own business	Teachers are positive	
I would like more laptops for my school	Teachers help students succeed	
I would like to be good at math so I can understand.	Teachers helping students	
I would like to get higher problem than what grade I am in	Teachers who care about what I do in class	
I would like to get into a good high school	Teachers, administration	
I would like to get into Basis Middle school	Teachers/admins tenure	
I would like to get into middle school	Teaching my child to think for herself	
I would like to go to Deal	Team spirit	
I would like to graduate	Teamwork and seeing the student achievements	
I would like to graduate	Technology in the 21st century	
I would like to graduate	test scores	
I would like to graduate	Test scores	
I would like to graduate and I think you can make Ross better by stopping math so kids can learn/ more field trips/ ipads/ better computers and laptops	Test scores	
I would like to see my grades go up in a month	That it continues to be a caring yet rigorous place. would like to see more emphasis on critical thinking and problem solving as well as creativity	
I would like to study math	That the staff has great resources and doesn't feel burdened	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
I would love to see my son graduate on time with help he deserves	The "old school way of learning" Saturday school, more educational field trips out of state/in state	
I would want to get good at reading.	The attendance rate being higher	
I'll want to be able to walk across the street and walk into high school	The culture	
I'm able to learn and get my education	The students	
Improvement/excelling academically, socially as young scholar	There is more action taken against prejudice	
Improving from college to graduation	They need to respect each other	
Improving in 5th grade	This school needs [teacher]	
Improving my skills and supports to increase students social emotional skills	Thrive	
In 10 years I want to be acting	THRIVE	
In 5 years is I'm going get a cap.In 10 years in college	Tighter, stricter action against bullying	
In 5 years, i will be in college on a full ride	To be able to learn one thing each day	
In a different school. learning something different	To be confident	
In college	To be more successful	
In college and having a good job	To be respectful	
In college for medical, job	to be the number one ranking school	
In the next 5 years I am going to be a teenager	to be welcoming to all people	
In the next 5-10 years I want to be a educated neurosurgeon	To become a competitor among other schools	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Increase in academic scores	To become better	
Increase in communication	To celebrate and encourage students and teachers to do their best. Create love for learning.	
Increase in funds for school, my child continuing to make great progress.	To continue to be a working village	
Increase more students to our school	To continue to be great	
Increased resources for all schools	To continue to be number one	
Increasing grade levels	To continue to provide quality education to our students	
Independent thinker, problem solver	To embrace the diverse needs of our students	
Independent, strong, self-confident	To graduate and be successful.	
Information about colleges in high school	To have a better education and a better school	
Intelligence	To have a leadership team that is open-minded and respectful of their staff	
International food	To have more programs and more opportunities	
Inventing represents success	to have more students	
Ivy League school	To have teachers	
Job as a lawyer	To have the best staff	
Job security as a consistently rated highly effective educator. Love my school, need to feel valued to feel successful	To help kids graduate	
Joy and pride in what I do	To help stop bullying	
Keep learning, and becoming a stronger learner	To invest more in all schools	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Keep studying at Cardozo	To keep being the best school; I love the way how the teachers and staff works with the students and parents	
Keeping grades up. Following rules and respecting people.	To let me explore the world	
Keeping his work up with [teacher] from DBH	To make more and better activities and lunches	
Keeping positive vibes. Also being responsible.	To make sure his grade match his sports and attitude as well please please please	
Keeping the school safe for the kids and the bullying out.	To meet all goals for the students	
Kids like going to school	To prepare him for future	
Kids play	To renovate	
Know a lot of the grade stuff to get in fourth grade	to see all the students grow in social & educational needs	
Language immersion, STEM, and Middle School with above grade level peers + advanced coursework	To see one school one nurse Monday through Friday	
Language immersion. More grade achievement	To support me	
Lasting friendships, excellent education, culture, scholarships, acknowledgment	To support my education	
Leadership	Top scores	
Leadership role in a school or district	TPA (Turning Point Academy)	
Leading you to college after High School	transparent leadership, growth culture, and committed staff	
Learn a lot of the grade stuff so that I can get to the fourth grade.	Trophies	
Learn and be safe; my child don't feel safe at this school	True inclusion in SPED	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Learn as much as I can as I go to the fourth grade	Understand different cultures	
Learn more English	Uniting students	
Learned a lot English at this school	Up grades for success	
Learning	Updated school equipment	
Learning	Upgrading our school buildings	
Learning	Upstanding citizens with academic growth/success	
Learning ABC and 123	Van Ness is very good improved	
Learning graduating and being independent	Virtual Goggles	
Learning is fun. enthusiasm	Walls	
Learning more and getting a job	We could get new ipads	
Learning new knowledge everyday; Have better programs that teach about finances and things we need in life.	We get enough budget to maintain all present staff + add 5 more. Students show 80% improvement.	
Learning new things that the school can provide	we grow together	
Learning new things; diversity	We had better sports, technology, and supplies, and having our phone in class	
Learning things in third grade, so I can go to fourth grade	We had more teachers	
Learning to be a better person	We had more technology	
Learning to do what I love	We need an indoor gym	
Learning what I love and working	We need more apple computers, doors	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Learning, advancing, fun experiences	We would like bikes and a bike path, a soccer field, and more outdoor toys.	
Learning, emotional development, play, creativity	We would like more time to play outside	
Learning. Taking my education	Welcoming to all students	
Less segregated schools, more special program schools east of the river	Well funded, lots of experience based learning programs	
Less standardized testing	Well rounded students	
Less testing	West ES	
Less testing	What represents success for my school is students who attend school and class	
Life, College, Careers	When every classroom equally has material needs for students	
Literacy, math, science and arts	When everyone works together as a team	
Long term plan for success	Willing to be present	
Longevity	Winning championship	
Love learning more & more & want to share what they learn	With a stricter code of conduct in local schools, students will get messages that we will not tolerate inappropriate behaviors.	
Love of learning in a safe environment	Work on programs	
Loving life	Working on accepting people	
Loving what I do.	Working very hard better education	

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Maintaining high quality public education	Working with colleagues that don't feel schemed. Culture based program for students	
Make it to the fifth grade	Would like to see Jefferson Middle School become a viable option as Brent's feeder school for Middle School. Still needs some work.	
Make robots	y creo que estudiando muy fuerte	
Makes us look good and happy, good learners		
Making mone		
Making money		
Making that cash and being able to buy my mother a car.		
Making the school's special ed students in smaller classes		
Math and reading		
Me going to a good college, having a wife, having money, and to have a house, and a job.		
me representa un buen exito con el idioma qu es el ingles		
Meeting IEP goals for feeling safe and loved.

Scholarships and summer opportunities		
School education		
School modernization; Improved resources to help prepare for higher scores		
School needs		
School starts after Labor Day		
School without walls high schools		
Scores, parent participation programs		
See continued growth		
Seeing students at my school move from 20% proficiency to 60-75% and enrollment doubles		
seguir estudiando		
She is excited to go to school. She can't wait to tell me what she is doing in class.		
Si pero tienen que cambiar		
si pero tienen que cambiar la comida		
Simon is ok but they can do better for the kids safety		
Sitting down, learning, and listening to the speaker		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Skills at interacting with a wide range of people		
Small class sizes		
Smart		
Social and critical thinking skills		
Social development reading, confidence		
Social worker. Give more scholarships for children		
Softball		
Solid foundation in skills with consistent teaching aligned scope and sequence.		
Starting a career		
Starting my own business		
Stay public		
Staying education ready		
Staying employed with DCPS/ leadership role		
Staying in school		
Staying on track		
Still in a good DCPS school		
Strong significant growth for students in literacy and math.		
Student centered instruction		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Student engagement and improved performance		
Student learning		
Student success		
Student would/will have increased coping skills and emotional intelligence		
Students on-grade level or higher		
Students should graduate with a competitive education; just graduating isn't enough		
Students with disabilities not performing far below grade level		
Study hard		
Succeeding is pushing every grade		
Success		
Success		
Success education, success for family and blessings from job		
Success for child is getting a great education and proceed on to college		
Success for me is going to college and knowing why I'm going to do with my future		
Successful matriculation through the DCPS		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Successful progression to high school with top grades; ability to impact school programs by participating resulting in above average test scores		
Successful students		
Summer programs in school		
Support and encouragement from school staff for all students to thrive		
Support and fairness from the administration		
Supporting our IB growth		
Supporting Parents more		
Taking CDA classes		
Teachers having more control over their classrooms		
Teachers that actually care and do more for students		
Technology in the home		
Technology, supplies		
Testing		
Testing above grade level		
That he is kind, compassionate, can work with others to solve problems. who can think critically and creatively		
That I will play basketball and my son will be a scientist		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
That they are able to learn and grow in all areas and feel safe and loved at school		
That they give all students a chance to learn on the level that their on, meaning if student is in 6th grade but reading on a 2nd grade level, services can be provided for them to bring them up to speed. That will be real success.		
The best teachers who really care about the student's education; commitment		
The best teachers who really care about the student's" education; commitment		
The feeling of having money		
The food is not good		
The learning		
The school should have better food for students to eat		
The teachers & staff that work to help and love our children		
The whole students, the whole staff		
There needs to be more resource for money and food		
They get a good education/ good score on report card		
They need to change the food		
Time to collaborate and inspire as a teacher		
To accomplish goals		
To all of us to do the best we can to help the kids		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
To be a great kid and to do my work

To get to college		
To get to fourth grade		
To get to the next level		
To go to a good college and then go to medical school		
To go to college I'm the next 5-10 years		
To go to Howard University		
To got to college and start my career		
To graduate and have great job		
To graduate from college		
To graduate high school, to be happy		
To have a better education for myself		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
To have a good job		
To have more mentors and after school free programs		
To help students find the beauty mathematics		
To increase the number of electives offered for HS		
To keep on learning		
To learn more		
To learn new things in different grades		
To live a very long life		
To make Browne better for others		
To make sure my child is getting the right education		
To make sure she gets the education that my daughter needs to succeed		
To meet my goal		
To meet my goal		
To obey		
To push yourself and try		
To stay up Cardozo		
To successfully facilitate engage + effective instruction that prepares for next grade.		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Too see them succeed when they leave		
Trade classes		
Trade classes		
True classes		
Upward mobility; schedule flexibility; ability to work on successful projects		
US Infantry Marine		
Van Ness is full and good		
Very good		
Very helpful with students		
Very successful I love DC Santon ES		
We like the school		
We need an ECE		
We need more field trips		
We need to have more cooking classes		
We should be able to have more classes		
We should get more computers and books		
We want better food for lunch		
We would like our playground away from the parking lot		

What does success look like for your child?	What does success look like for your school?	What does success look like for your DCPS?
Well educated		
Well paying job		
Well rounded education with social growth		
Well rounded students		
What presents success for me is someone with good grades and a gpa of 3.0 or higher.		
When I get all 4's and 3's on my report card		
When my kids make improvements academically and socially		
When the city puts children's safety first		
Where I have to support resources to reach all students		
Working and job achievement		
Working very hard for better education
