ARTICLE 3. EXTRA CONTRACT AGREEMENTS

DCPS agrees not to enter into any agreement or contract with its employees, as employees, individually or collectively, which in any way conflicts with the terms and provisions of this Agreement. Any such agreement shall be null and void.

ARTICLE 4. SENIORITY

- A. Principle of Seniority - The principle of seniority shall apply at all times. Everything being equal, seniority shall prevail but fitness and ability shall be considered at all times. Seniority is defined as total length of service with the employer. There shall be a one (1) year probationary period. Discharge or resignation shall constitute a break in service. The last employee hired shall be the first employee laid off, and in rehiring, the last employee laid off shall be the first employee rehired. This shall not be interpreted or applied in any way inconsistent with federal law and/or D.C. Law. For the purpose of application under this Agreement, seniority shall be maintained on an occupational unit basis.
- B. DCPS shall furnish the Union with a seniority list showing the continuous service of each employee within that occupational unit within 30 days of a written request.
- C. An employee shall lose his seniority for the following reasons:
 - 1. He quits or retires.
 - 2. He is discharged and the discharge is sustained,
 - 3. He obtains leave under false pretenses or engages in other employment during a leave of absence.

- D. A dispute evolving under application of the seniority provision of this Agreement shall be a proper subject for the grievance procedure.

ARTICLE 5. UNION ACTIVITIES

- A. Any employee member of the Union acting in any official capacity whatsoever shall not be discriminated against for his acts as such officer of the Union so long as such acts do not interfere with the conduct of DCPS' business, nor shall there be any discrimination against any employee because of union membership or activities.
- B. Union Stewards shall be elected by membership of the Union and shall be recognized as employee representatives in each work site. Union stewards shall be employed at the same work area or shifts as employees they are designated to represent. When a union steward is transferred by an action of management (not including promotion or transfer at the employee's request), the Steward may continue to act as a steward for his/her former work site for a period not to exceed thirty (30) days from original notification. The Union will supply the Chancellor or his/her designee with lists of Steward names which shall be posted on appropriate bulletin boards. The Union shall notify the Chancellor of changes in the

roster of Stewards. Stewards are authorized to perform and discharge Union duties and responsibilities which may be assigned to them under the terms of this Agreement.

C. Time for Performance of Duties

1. Stewards shall obtain permission from the administrator in charge of their worksite (e.g., a school principal) prior to leaving their work assignments to properly and expeditiously carry out their duties during a reasonable amount of official time to be estimated in advance whenever possible. Before attempting to see an employee, the Steward will obtain permission from the administrator in charge of their worksite. Such permission will be granted unless the employee cannot be immediately relieved from his assigned duties, in which case permission will be granted as soon as possible thereafter. If the administrator is unavailable, permission will be requested from the next highest level of supervision. Requests by Stewards for permission to meet with employees and/or by employees to meet with Stewards will identify the area to be visited and the general purpose of the visit, i.e., grievance investigation, labor-management meetings, negotiation sessions, etc.
2. A Steward thus engaged will report back to his/her supervisor on completion of such duties and return to his job. DCPS agrees that there shall be no restraint, interference, coercion, or discrimination against a Steward in the performance of such duties.

ARTICLE 6. ACCESS TO EMPLOYEES

The Union shall have access to all new and rehired employees to explain Union membership, services and programs. Such access shall occur during either a formal orientation session or upon such employees' reporting to their work site within thirty (30) calendar days of employees' appointment or reappointment. If access to new and rehired employees is to be allowed at times other than during a formal orientation session, such times must be mutually agreed upon by the Union and DCPS. DCPS shall provide the Union with a list of new hires and their school location within thirty (30) calendar days of a request for such a list by the Union. No more than four requests for new hire lists shall be made in a calendar year.

ARTICLE 7. INSPECTION PRIVILEGES

- A. Accredited representatives of the International Brotherhood of Teamsters, whether Union representatives, Joint Council, Eastern Conference or International representatives, shall be allowed on school property during the non-work period of employees covered by this Agreement to discuss Union business relative to the terms and conditions of this Agreement with them. Any Union representatives desiring to visit school property shall first secure permission from the administrator in charge and shall advise him/her of the reason for such

visit. Employees shall not be hindered from fulfilling their work assignments. Access shall not be unreasonably withheld under this Article.

- B. Before accessing the building, Union representatives will follow school security protocols, including signing in at a designated entry point.

ARTICLE 8. SERVICE FEES

- A. In keeping with the principle that employees who benefit by the Agreement should share in the cost of its administration, the Union shall require that employees who do not pay Union dues shall pay an amount (not to exceed Union dues) that represents the cost of negotiation and/or representation. Such deductions shall be allowed when the Union presents evidence that it has attained and maintained at least 51 % of the employees in the unit as members of the Union.
- B. The Union shall indemnify, defend and hold the Employer harmless against any and all claims, demands and other forms of liability which may arise from the operation of this Article. In any case in which a judgment is entered against the Employer as a result of the deduction of dues or other fees, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the Employer, shall be returned to the Employer or conveyed by the Union to the employee(s) as appropriate. The Union shall deal directly with any affected union member or service-fee payer to rectify any errors regarding deduction of dues or service fees as soon as practicable after such error is detected.

ARTICLE 9. DUES AND INITIATION FEE DEDUCTIONS

- A. Upon receipt of a lawfully executed written authorization from an employee covered by this Agreement, DCPS will facilitate the proper deduction biweekly from the pay of each such employee all dues and/or initiation fees of the Union and agrees to remit to the Union all such deductions within seven (7) working days, whenever possible, from when the deduction is made. When Union dues are cancelled, the employer shall withhold a service fee in accordance with Article 10. Employee authorization shall be forwarded to the Office of Labor Relations and Collective Bargaining (OLRCB) on D.C. Form 277 or other form identified by OLRCB.
- B. Service Fees. The dues checkoff authorizations may be cancelled by the employee at any time upon written notification to the Union and the Employer. The Union retains the sole responsibility to develop and maintain procedural safeguards required by existing applicable law with regard to the administration for the payment of service fees. The Union shall be solely responsible for notifying employees, prior to obtaining their authorization,

that they have certain constitutional rights under Hudson v. Chicago Teachers Union Local No.1, 743 F .2d 1187, 1191, 117 LRRM 2314 (7th Cir. 1984), and related cases.

- C. The Employer shall deduct a \$0.10 deduction (dues or service fee) per pay period from each employee who has dues or service fees deducted. This amount represents the fair value of the cost to the Employer for performing the service of payroll deduction.
- D. The Union shall indemnify, defend and hold the Employer harmless against any and all claims, demands and other forms of liability which may arise from the operation of this Article. In any case in which a judgment is entered against the Employer as a result of the deduction of dues or other fees, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the Employer, shall be returned to the Employer or conveyed by the Union to the employee(s) as appropriate. The Union shall deal directly with any affected union member or service-fee payer to rectify any errors regarding deduction of dues or service fees as soon as practicable after such error is detected.

ARTICLE 10. DRIVE AUTHORIZATION AND DEDUCTION

- A. DCPS agrees to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to DRIVE. DRIVE shall notify DCPS of the amounts designated by each contributing employee that are to be deducted from his/her paycheck on a biweekly basis for all weeks worked. The phrase "weeks worked" excludes any week in which the employees did not earn any wages. DRIVE deductions and the revocation of such deductions shall be made in accordance with the procedures of the Office of Pay and Retirement Services (OPRS), District of Columbia Government.
- B. The Union shall indemnify, defend and hold the employer harmless against any and all claims, demands and other forms of liability which may arise from the operation of this Article. In any case in which a judgment is entered against the employer as a result of the deduction of DRIVE contributions, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the employer, shall be returned to the employer or conveyed by the Union to the employee(s) as appropriate.

ARTICLE 11. FINANCIAL INSTITUTION CHECK-OFF

- A. DCPS agrees to deduct certain specific amounts each pay period from the wages of those employees who shall have given the DCPS written authorization to make such deductions. The amount so deducted shall be remitted to the Financial Institution designated by Drivers, Chauffeurs and Helpers, Local Union No. 639, biweekly. DCPS shall not make deductions and shall not be responsible for remittance to the Financial Institution for any deductions for

those weeks during which the employee has no earnings or in those weeks in which the employee's net earnings shall be less than the amount authorized for deductions.

- B. Financial Institution deductions shall be made in accordance with the procedures of the Office of Pay and Retirement Services (OPRS). The Union shall indemnify, defend and hold the employer harmless against any and all claims, demands and other forms of liability which may arise from the operation of this Article. In any case in which a judgment is entered against the employer as a result of the deduction of dues or other fees, the amount held to be improperly deducted from an employee's pay and actually transferred to the Union by the employer, shall be returned to the employer or conveyed by the Union to the employee(s) as appropriate.

ARTICLE 12. LIE DETECTOR TEST

DCPS shall not require, request or suggest that an employee or applicant for employment take a polygraph or any other form of lie detector test. No provision of this article shall apply to the extent that it may be prohibited by law.

ARTICLE 13. BULLETIN BOARDS

- A. Available space on existing DCPS bulletin boards provided primarily for employee information and internal communications in locations where there are members of the bargaining unit employed may be used by the Union to post materials dealing with:
 - 1. Recreational and social affairs of the Union
 - 2. Union elections
 - 3. Report of the Union
 - 4. Union meeting notices
- B. Notices and announcements shall not contain anything political or of a libelous nature.
- C. The authorized Union representative shall have the responsibility of posting materials on the bulletin board and for keeping such notices timely.

ARTICLE 14. PERSONNEL FILES

- A. The official files of all personnel within the units covered by this Agreement shall be maintained in DCPS' Human Resources Division.

- B. Each employee shall have the right to examine the content of his personnel file upon written request on a form provided by DCPS, in the presence of a representative of DCPS.
- C. An employee shall have the right to answer any material filed in his personnel file and his answer shall be attached to the material to which it relates.
- D. Upon written authorization by an employee, the Union representative may examine the employee's personnel file upon presentation of such authorization.

ARTICLE 15. DISCIPLINE AND DISCHARGE

- A. Except for egregious acts which may result in damage to school property, acts which may be detrimental to the efficiency and discipline of the school system, or acts which may be injurious to other individuals, disciplinary measures shall be taken in the following order:
 - 1. Verbal Warning
 - 2. Written Warning
 - 3. Written Reprimand
 - 4. Suspension (notice to be given in writing)
 - 5. Discharge
- B. An employee may be suspended immediately if the employee's behavior or condition constitutes a danger to the employee, other staff, students or the operation of the school or school system. An employee may also be demoted or reduced in grade without DCPS being required to follow the progression indicated in this provision, if warranted by the severity of his/her actions. In no case will a demotion or reduction in grade be executed without due process.
- C. Any disciplinary action or measure imposed upon an employee must be sent to the employee within fifteen (15) work days following the knowledge of the matter upon which the proposed action is based. It is understood that "knowledge of the matter" refers to the result of a reasonable and timely investigation.
- D. If DCPS has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or the public.
- E. For suspension actions of five (5) workdays or more, or discharge, an employee shall be notified in writing with a copy to the Union no later than ten (10) work days prior to the

effective date. The notice shall include the intended action, with reasons for the action so stated. Within five (5) work days of the receipt of the notice, the employee has the right to reply in writing, or in person, to all charges and to furnish any statements in support of his reply. The decision shall go into effect as stated unless, upon consideration by the responsible official of all relevant facts, the action is to be modified, at which time the employee and the Union shall be so notified, in writing, of the modification.

- F. In cases involving suspension of less than five (5) days, the employee shall be entitled to advanced written notice of five (5) work days. A copy of such written notice shall also be sent to the Union.
- G. DCPS shall not discipline any permanent employee without cause.
- H. The Union or an employee shall have the right to take up a suspension or discharge as a grievance at Step 2 of the grievance procedure, and the matter shall be handled in accordance with this procedure.
- I. Any employee found to be unjustly suspended or discharged shall be reinstated with full compensation for all lost time and with full restoration of all other rights and conditions of employment.

ARTICLE 16. GRIEVANCE PROCEDURE

- A. A grievance is hereby defined as a complaint that there has been a violation, misapplication or misinterpretation of any provision of this Agreement.
- B. Any grievance arising between DCPS and the Union or an employee covered by this Agreement who is represented by the Union, shall be settled in the following manner:

Step 1. The aggrieved employee or employees must present the grievance in writing to the union representative within five (5) working days after knowledge of the grievance or the reason for the grievance has occurred. In accordance with District law, any grievance containing a pay dispute shall be limited to three (3) years from the date of the violation giving rise to the grievance. Any grievance on a pay dispute in which the employee was paid incorrectly due to no fault of his or her own and without his or her knowledge, shall not be restricted to the three (3) year time limit to make claims on monies owed to him or her. Within three (3) working days of receipt by the union representative or official, the grievance shall be submitted in writing to the Union's Business Representative. The union representative and/or Business Representative shall then take the matter up with the appropriate Administrator or his/her designee. To the extent possible, meetings with Administrator(s) or their designee(s) shall be scheduled one work-day in advance. The Administrator or his/her designee will communicate the decision in a written position statement on the grievance within five (5) working days after the meeting.

Step 2. If the grievance is not settled at the Step 1 meeting, the Union shall then submit a written grievance to DCPS Labor Management & Employee Relations (LMER) within ten (10) working days after receipt of the Administrator's decision from the Step 1 meeting. LMER shall work with the union representative to resolve the grievance. If, after working in good faith to resolve the grievance, the parties are not able to resolve the grievance or fifteen (15) working days have passed, the union may request a Step 3 hearing.

The grievance at Step 2 and every next step shall contain:

1. The date of filing.
2. The name of the Grievant.
3. The date(s) on which the alleged violation(s) occurred.
4. A statement of the specific provision(s) of the Agreement alleged to be violated.
5. The manner in which the alleged violation(s) occurred.
6. The action requested and remedy sought.
7. The name of the union filing the grievance.

Should the grievance not contain the required information, the grievant shall be so notified and granted ten (10) working days from receipt of notification to resubmit the grievance. Failure to resubmit the grievance as required within the ten (10) working day period shall void the grievance.

Step 3. If the grievance remains unsettled, the employee or the Union may submit the grievance to the Chancellor or his/her designee for an informal hearing within ten (10) work days of LMER's decision. During an informal hearing, parties will present their respective case arguments, supported by limited documentary evidence, to the Chancellor or his/her designee. Witness testimony shall not be required for either party to meet their respective burdens of proof. The Chancellor or his/her designee shall issue a written decision no later than thirty-five (35) working days after the informal grievance hearing. If extenuating circumstances occur, DCPS shall notify the Union in writing or by telephone and request additional time for the filing of a written decision.

The parties may elect to hold a mediation session with the Chancellor's designee in the place of an informal hearing at Step 3 of the grievance process. Alternatively, either party may waive the Step 3 proceedings and advance the case to Step 4 within thirty (30) days of initiation of Step 3.

Step 4. If the grievance remains unresolved, either party may request that the grievance be referred to arbitration within thirty (30) calendar days of receipt of the written Step 3 decision, or waive the right to arbitration. Copies of the written request for arbitration shall be sent to the Deputy Chief of LMER and the DCPS Office of General Counsel or the Union. The parties shall select a mutually agreeable and impartial Arbitrator within ten (10) calendar days after written notice of disagreement is received. In the event they are unable

to agree, the matter shall be referred to the Federal Mediation and Conciliation Service (FMCS) or the American Arbitration Association (AAA) within thirty (30) calendar days. After FMCS or AAA submits a list of arbitrators to the Union and DCPS, they shall reply with their preferred selections no later than ten (10) calendar days after receipt of such list unless they mutually agree to amend that timeline. The expense of the Arbitrator selected or appointed shall be borne equally by DCPS and the Union.

- C. The Arbitrator shall not have the authority to amend or modify this Agreement or establish new terms or conditions under this Agreement. The Arbitrator shall determine any question of procedural arbitrability but shall not determine any questions of substantive arbitrability. All arbitration hearings shall adhere to the procedural requirements and rules of FMCS.
- D. A mutual settlement of the grievance pursuant to the procedures set forth herein and/or a decision of the Arbitrator will be final and binding on all parties and the employees involved. If either party fails to comply with the award of the Arbitrator or with the procedures of this Article, the other party has a right to take all legal action to enforce compliance.
- E. The Union or its authorized representative shall have the right to examine time sheets and any other records pertaining to the computation of compensation of any individual or individuals whose pay is in dispute or records pertaining to a specific grievance.
- F. The Step 4 procedures set forth herein may be invoked only by an authorized representative of DCPS and the Union.
- G. Employees have the right to have a Shop Steward or a representative of the Union present during the discussion of any grievance with representatives of DCPS.
- H. Any employee may present a grievance at any time to his or her employer without the assistance of the Union. However, the Union has the right to attend any such grievance meeting and present its views concerning the grievance.
- I. Employees who have not completed their one-year probationary period may not grieve DCPS' termination of their employment.

ARTICLE 17. NO STRIKES AND NO LOCKOUTS

- A. During the life of this Agreement, the Union shall not cause or engage in, support, encourage or authorize any employee covered by this Agreement to participate in any cessation of work through slowdowns, strikes, work stoppages or otherwise, nor will DCPS engage in any lockouts against any employee covered by this Agreement.

- B. While the Union shall promptly undertake every reasonable means to induce said employees to return to their jobs during such period of unauthorized stoppage of work mentioned above, it is specifically understood and agreed that the employer shall have the sole and complete right of discipline, including the sole and complete right to discharge any employee participating in any unauthorized strike, slowdown, walkout or any other cessation of work.
- C. Nothing in this Article shall prevent DCPS from seeking appropriate relief in any forum, in the event of any unauthorized work stoppage, slowdown, walkout or other cessation of work.

ARTICLE 18. UNIFORMS/DRESS CODE

- A. With respect only to the Custodial Unit, DCPS shall provide for any employee such uniform including protective clothing or any type of protective device that DCPS requires the employee to wear as a condition of employment. Shoes, socks, or stockings, sweaters, and belts shall be furnished by the employee. DCPS will request funds in its yearly budget for uniforms.
- B. Maintenance and safeguarding of uniforms is the responsibility of the individual employee.
- C. The Labor-Management Safety Committee, acting in accordance with Article 20, will make recommendations to DCPS regarding the provisions of shoes and other protective gear for employees whose safety is deemed to be jeopardized in the performance of the work assignment.

ARTICLE 19. SAFETY COMMITTEE

There shall be a Committee known as the General Safety Committee, with a membership of fourteen (14) individuals, one (1) representative appointed by the Union from each unit covered by this Agreement, two (2) Teamster Officials, and seven (7) representatives appointed by DCPS, five (5) from the work areas covered by this Agreement and two (2) from other employees of DCPS. Employees will be paid for all time spent in Safety Committee meetings. This Committee shall meet quarterly (or more often as may be decided by the Committee) for the purpose of promoting maximum employee safety. It will be the function of the General Safety Committee to make recommendations to the Chancellor for the purpose of eliminating and controlling unsafe conditions which are liable to cause injury to employees. Response to these recommendations shall be made within thirty (30) days.

ARTICLE 20. SAFETY AND HEALTH

A. Working Conditions

1. DCPS shall provide and maintain safe and healthful working conditions for all employees as required by applicable laws. It is understood that the District may exceed standards established by regulations consistent with the objectives set by law. DCPS will make every effort to provide and maintain safe working conditions; the Union will cooperate in these efforts by encouraging its members to work in a safe manner and to obey established safety practices and regulations. Failure by employees to abide by established safety practices and regulations may result in appropriate disciplinary action.
2. Matters involving safety and health will be governed by the D.C. Occupational Safety and Health Plan in accordance with D.C. Code Section 32-1104.
3. DCPS shall furnish and maintain each work place in accordance with standards provided within this Section.

B. Employees Working Alone

Employees shall not be required to work alone whenever the health and safety of an employee would be endangered by working alone.

C. Corrective Actions

1. If an employee observes a condition which he or she believes to be unsafe, the employee should report the condition to the immediate supervisor.
2. If the supervisor and employee agree that a condition constitutes an immediate hazard to the health and safety of the employee, the supervisor shall take immediate precautions to protect the employee and others at the worksite.
3. If the supervisor and employee do not agree that a condition constitutes an immediate hazard to the health and safety of the employee, the matter may be immediately referred by the employee to the next level supervisor or designee. The supervisor or designee shall meet as soon as possible with the employee and his or her Teamster representative, and shall make a determination.

D. Defective Equipment and Dangerous Conditions of Work

1. Employees shall immediately, or at the end of their shift, report all defects of equipment. Such reports shall be made on the form furnished by DCPS and shall be made in multiple copies, one copy to be retained by the employee. DCPS shall not ask or require any

employee to take out equipment that has been reported by any other employee as being in an unsafe operating condition until same has been approved as being safe by the mechanical department.

2. When the occasion arises where an employee gives written notice on forms in use by DCPS that equipment is in an unsafe working or operating condition, and receives no consideration from DCPS, he shall take the matter up with the officers of the Union who will take the matter up with DCPS.

3. DCPS shall not knowingly require employees operate any equipment that is not in safe operating condition or equipped with the safety appliances prescribed by law. It shall not be a violation of this Agreement where employees refuse to operate such equipment unless such refusal is unjustified. All equipment which is refused because not mechanically sound or properly equipped shall be appropriately tagged so that it cannot be used by other employees until DCPS has addressed the complaint. After equipment is repaired, DCPS shall place on such equipment a written notation indicating that the equipment is safe to operate. Such notation shall be placed in a conspicuous place so the employee can see the same.

4. Under no circumstances will an employee be required or assigned to engage in any activity involving dangerous conditions of work or danger to person or property or in violation of any applicable statute or court order, or in violation of a government regulation relating to safety of person or equipment. Any employee involved in any accident shall immediately report said accident and any physical injury sustained. The employee, before starting his next shift, shall make out an accident report in writing on forms furnished by DCPS and shall turn in all available names and addresses of witnesses to the accident.

E. Medical Services: On-the-Job Injury

1. DCPS shall make first-aid kits reasonably available for use in the case of on-the-job injuries. If additional treatment appears to be necessary, DCPS shall arrange immediately for transportation to an appropriate medical facility.

2. The need for additional first-aid kits will be an appropriate issue for Safety Committee determination. Recommendations of the Safety Committee will be referred to the appropriate agency officials.

F. Safety Devices and Equipment

Protective devices and protective equipment shall be provided by DCPS and shall be used by the employees. Failure to wear protective devices and protective equipment shall be cause for discipline. The Union shall encourage employees to work in a safe and healthful manner.

G. Safety Training

1. DCPS shall provide safety training to employees as necessary for performance of their job.
2. Issues involving safety training may be presented to the Safety Committee established in Article 19.
3. DCPS shall provide CPR training to all employees who request such training in writing, but DCPS shall not be required to train more than ten (10) employees per fiscal year.

H. Information on Toxic Substance

1. DCPS shall provide to Teamsters information available to DCPS concerning hazardous toxic substances present at the job site and known to DCPS with which employees are likely to come into contact. The information provided shall include the trade and generic names of the substance, safe levels of exposure, corrective actions in case of accident and emergency treatment.
2. Information concerning toxic substances in current usages shall be provided within 180 days after this Agreement is implemented. Thereafter, information concerning new substances shall be provided to the Teamsters when such substances become known to DCPS.
3. Information concerning toxic substances shall be provided to new employees when they begin work.

I. Excessive Temperatures in Buildings

1. Employees, other than those determined by the employer to be essential, may be released from duty or reassigned to other duties of a similar nature at a suitably temperate site because of excessively hot or cold conditions in the building. This determination will be made by the employer as expeditiously as possible and shall be based upon existing procedures. In lieu of dismissal, the employer may reassign employees to other duties of a similar nature at a suitably temperate site. The cost of authorized transportation will be assumed by the employer.
2. Administrative leave with pay will be granted if authorized by the Chancellor or his or her designee.

ARTICLE 21. LOSS OR DAMAGE

- A. Employees shall report any loss, damage, or destruction of school property to the supervisor immediately upon becoming aware of such loss, damage or destruction.
