 - (6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

Any claim for adjustment for a change within the general scope must be asserted within ten (10) days from the date the change is ordered; provided, however, that the CO, if he or she determines that the facts justify such action, may receive, consider and adjust any such claim asserted at any time prior to the date of final settlement of the contract. If the parties fail to agree upon the adjustment to be made, the dispute shall be determined as provided in **clause 14 Disputes**.

- (b) The District shall not require the Contractor, and the Contractor shall not require a subcontractor, to undertake any work that is beyond the original scope of the contract or subcontract, including work under a District-issued change order, when the additional work increases the contract price beyond the not-to-exceed price or negotiated maximum price of this contract, unless the CO:
- (1) Agrees with Contractor, and if applicable, the subcontractor on a price for the additional work;
 - (2) Obtains a certification of funding to pay for the additional work;
 - (3) Makes a written, binding commitment with the Contractor to pay for the additional work within 30-days after the Contractor submits a proper invoice; and

- (1) Within 5 business days of its receipt of notice the approved additional funding, provide the subcontractor with notice of the amount to be paid to the subcontractor for the additional work to be performed by the subcontractor;
 - (2) Pay the subcontractor any undisputed amount to which the subcontractor is entitled for the additional work within 10 days of receipt of payment from the District; and
 - (3) Notify the subcontractor and CO in writing of the reason the Contractor withholds any payment from a subcontractor for the additional work.
- (d) Neither the District, Contractor, nor any subcontractor may declare another party to be in default, or assess, claim, or pursue damages for delays, until the parties to agree on a price for the additional work.

I.13 NON-DISCRIMINATION CLAUSE

- (a) The Contractor shall not discriminate in any manner against any employee or applicant for employment that would constitute a violation of the District of Columbia Human Rights Act, effective December 13, 1977, as amended (D.C. Law 2-38; D.C. Official Code § 2-1401.01 *et seq.*) (“Act”, as used in this clause). The Contractor shall include a similar clause in all subcontracts, except subcontracts for standard commercial supplies or raw materials. In addition, the Contractor agrees, and any subcontractor shall agree, to post in conspicuous places, available to employees and applicants for employment, a notice setting forth the provisions of this non-discrimination clause as provided in section 251 of the Act.
- (b) Pursuant to Mayor’s Order 85-85, (6/10/85), Mayor’s Order 2002-175 (10/23/02), Mayor’s Order 2011-155 (9/9/11) and the rules of the Office of Human Rights, Chapter 11 of Title 4 of the D.C. Municipal Regulations, the following clauses apply to the contract:

Sexual harassment is a form of sex discrimination which is prohibited by the Act.

In addition, harassment based on any of the above protected categories is prohibited by the Act.

- (2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. - (4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in paragraph 19(b)(2).
- (5) The Contractor agrees to send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the contracting agency, advising the said labor union or workers' representative of that contractor's commitments under this nondiscrimination clause and the Act, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors' books, records, and accounts for such purposes.
- (7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights, or any authorized official.

- (8) The Contractor shall include in every subcontract the equal opportunity clause, i.e., paragraphs 19(b)(1) through (b)(9) of this clause, so that such provisions shall be binding upon each subcontractor.
- (9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.

SECTION M - EVALUATION FACTORS

M.1 EVALUATION FOR AWARD

The contract will be awarded to the responsible offeror whose offer is most advantageous to the District, based upon the evaluation criteria specified below. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the District in making an intelligent award decision based upon the evaluation criteria.

M.2 TECHNICAL RATING

M.2.1 The Technical Rating Scale is as follows:

| Numeric Rating | Adjective | Description |
|-----------------------|----------------------|---|
| 0 | Unacceptable | Fails to meet minimum requirements; e.g., no demonstrated capacity, major deficiencies which are not correctable; offeror did not address the factor. |
| 1 | Poor | Marginally meets minimum requirements; major deficiencies which may be correctable. |
| 2 | Minimally Acceptable | Marginally meets minimum requirements; minor deficiencies which may be correctable. |
| 3 | Acceptable | Meets requirements; no deficiencies. |
| 4 | Good | Meets requirements and exceeds some requirements; no deficiencies. |
| 5 | Excellent | Exceeds most, if not all requirements; no deficiencies. |

M.2.2 The technical rating is a weighting mechanism that will be applied to the point value for each evaluation factor to determine the offeror’s score for each factor. The offeror’s total technical score will be determined by adding the offeror’s score in each evaluation factor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, using the Technical Rating Scale above, if the District evaluates the offeror’s response as “Good,” then the score for that evaluation factor is 4/5 of 40 or 32.

If subfactors are applied, the offeror’s total technical score will be determined by adding the offeror’s score for each subfactor. For example, if an evaluation factor has a point value range of zero (0) to forty (40) points, with two subfactors of twenty (20) points each, using the Technical Rating Scale above, if the District evaluates the offeror’s response as “Good” for the first subfactor and “Poor” for the second subfactor, then the total score for that evaluation

factor is 4/5 of 20 or 16 for the first subfactor plus 1/5 of 20 or 4 for the second subfactor, for a total of 20 for the entire factor.

M.3 EVALUATION CRITERIA

Proposals will be evaluated based on the following evaluation factors in the manner described below:

M.3.1 TECHNICAL CRITERIA (45 Points Maximum)

A. Past Performance and experience (25 Points)

- a. The Offeror shall provide technical capability statement demonstrating at least a minimum of five (5) years of experience and technical knowledge in providing preventive maintenance and repair X-ray machine.
- b. The relevancy of the past performance experience examples provided by the offerors on the same or similar projects demonstrates a likelihood of successfully performing all the tasks and the quality of references provided by the identified contact personnel.

B. Management Plan. (20 Points)

- a. The Management Plan will be evaluated on how well the Vendor demonstrates a clear understanding of the service requirements and the ability to identify, mitigate, manage, and control risks for successful performance.
- b. Provide a contingency plan to replace staffing personnel that cannot perform the assigned job duties and tasks. Provide a detailed description of your company’s ability to replace staff within a reasonable time

M.3.2 PRICE CRITERION (55 Points Maximum)

The price evaluation will be objective. The offeror with the lowest price will receive the maximum price points. All other proposals will receive a proportionately lower total score. The following formula will be used to determine each offeror's evaluated price score:

$$\frac{\text{Lowest price proposal}}{\text{Price of proposal being evaluated}} \times \text{weight} = \text{Evaluated price score}$$

M.3.3 PREFERENCE POINTS AWARDED PURSUANT TO SECTION M.5.2 (12 Points Maximum)

M.3.4 TOTAL POINTS (112 Points Maximum)

Total points shall be the cumulative total of the offeror’s technical criteria points, price criterion points and preference points, if any.

M.4 EVALUATION OF OPTION YEARS

The District will evaluate offers for award purposes by evaluating the total price for all options as well as the base year. Evaluation of options shall not obligate the District to exercise them. The total District's requirements may change during the option years. Quantities to be awarded will be determined at the time each option is exercised.

M.5. PREFERENCES FOR CERTIFIED BUSINESS ENTERPRISES

M.5.4 Verification of Offeror's Certification as a Certified Business Enterprise

M.5.4.1 Any vendor seeking to receive preferences on this solicitation must be certified at the time of submission of its proposal. M.6 EVALUATION OF PROMPT PAYMENT DISCOUNT

M.6.1 Prompt payment discounts shall not be considered in the evaluation of offers. However, any discount offered will form a part of the award and will be taken by the District if payment is made within the discount period specified by the offeror.

M.6.2 In connection with any discount offered, time will be computed from the date of delivery of the supplies to carrier when delivery and acceptance are at point of origin, or from date of delivery at destination when delivery, installation and acceptance are at that, or from the date correct invoice or voucher is received in the office specified by the District, if the latter date is later than date of delivery. Payment is deemed to be made for the purpose of earning the discount on the date of mailing of the District check.
