# LETTER FROM THE CHANCELLOR

Dear Educators,

As we enter the 2015–2016 school year, I am proud to celebrate how much progress we have made toward our ambitious goals: our graduation rate is rising, student satisfaction is higher than ever before, our enrollment continues to increase, and this year we opened four new schools across the city! At the same time, there is still much work to be done to ensure a world-class education for *all* our students, which is why we are investing in three strategic priorities this year.

## Equity across the curriculum

We are investing in academic rigor across DCPS in a brand new way. Our Cornerstone learning experiences will help our teachers deliver instruction that is rich, challenging, and deeply engaging for students. Developed by our very best teachers and supported by new resources and professional development, these Cornerstones range from one-day lessons to longer projects and teach skills that are critical to student success.

We are also pleased to announce the launch of the Teaching and Learning Framework (TLF) e-Clips: interactive, online learning modules that feature DCPS teachers and students engaged in highly effective practice. The e-Clips are aligned with the TLF, highlight specific instructional strategies, and include tips and resources from master educators. We know that great teaching leads to great student outcomes, and we are excited to support our teachers with this resource.

## Equity in our high schools

We are building upon previous years' support of our elementary and middle schools by now focusing on our high schools. We want to offer our students courses that prepare them for college and allow them the opportunity to explore their career interests. We also want to give students unique, formative experiences like debate team, athletics, yearbook club, and band that make the high school experience so rich. We will provide these opportunities in every DCPS high school by offering at least 20 elective courses, at least six Advanced Placement (AP) courses, Career and Technical Education (CTE) courses that lead to high-wage and high-demand jobs, and robust counseling services to guide students through high school and beyond.

## Equity for our young men of color

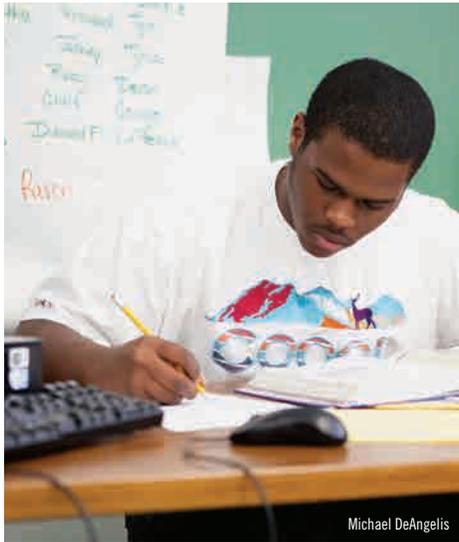

We have also launched a long-term initiative designed to support our young men of color. This year, we will have 500 mentors working with our young men to build positive relationships and increase literacy skills. In addition, we are funding school-based grants to help put into action our teachers' best ideas about how to support our young men of color. Finally, we are launching an all-male college preparatory high school dedicated to ensuring that our young men succeed in college and beyond.

The success of our students hinges on the work **you** do every day in your classroom. I am honored to work alongside you as we move forward with urgency and optimism. We are DCPS, and we **are** doing this!

Sincerely,  
Kaya Henderson

# PUTTING GROWTH FIRST

## How does IMPACT support my growth?

The primary purpose of IMPACT is to help you become more effective in your work. Our commitment to continuous learning applies not only to our students, but to you as well. IMPACT supports your growth by:

- **Clarifying Expectations** — IMPACT outlines clear performance expectations for all school-based employees. We have worked to ensure that the performance metrics and supporting rubrics are clear and aligned to your specific responsibilities.
- **Providing Feedback** — Quality feedback is a key element of the improvement process. This is why, during each assessment cycle, you will have a conference to discuss your strengths as well as your growth areas. You can also view written comments about your performance by logging into your IMPACT account at <http://impactdcps.dc.gov>.
- **Facilitating Collaboration** — By providing a common language to discuss performance, IMPACT helps support the collaborative process. This is essential, as we know that communication and teamwork create the foundation for student success.
- **Driving Professional Development** — The information provided by IMPACT helps DCPS make strategic decisions about how to use our resources to best support you. We can also use this information to differentiate our support programs by cluster, school, grade, job type, or any other category.
- **Retaining Great People** — Having highly effective teachers and staff members in our schools helps everyone improve. By mentoring and by serving as informal role models, these individuals provide a concrete picture of excellence that motivates and inspires us all. IMPACT helps retain these individuals by providing significant recognition for outstanding performance.

IMPACT reflects our belief that everyone in our system plays a critical role in improving student outcomes. With an outstanding teacher in every classroom and excellent staff members throughout our schools, our students will graduate prepared for success in college, the workforce, and life.

For further information about job-specific resources and professional development designed to help you grow, see the *Supporting Your Success* section at the end of this guidebook.

# GROUP 19: OVERVIEW

## Who is in Group 19?

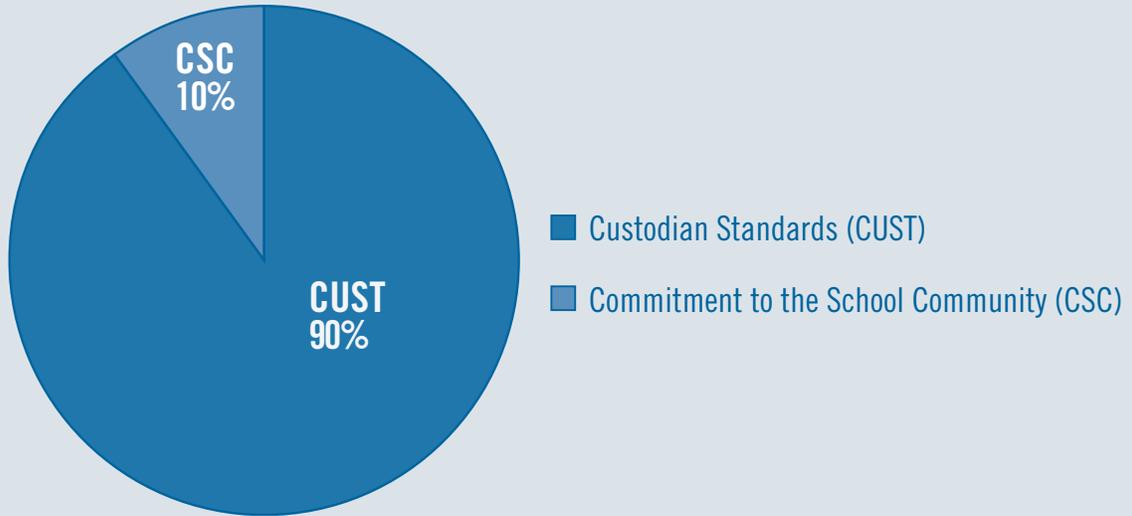

Group 19 consists of all custodians and custodial foremen.

## What are the IMPACT components for members of Group 19?

There are three IMPACT components for members of Group 19. Each is explained in greater detail in the following sections of this guidebook.

- **Custodian Standards (CUST)** — These standards define excellence for custodians in DCPS. They make up 90% of your IMPACT score.
- **Commitment to the School Community (CSC)** — This is a measure of the extent to which you support and collaborate with your school community. This component makes up 10% of your IMPACT score.
- **Core Professionalism (CP)** — This is a measure of four basic professional requirements for all school-based personnel. This component is scored differently from the others, which is why it is not represented in the pie chart. For more information, please see the Core Professionalism section of this guidebook.

## IMPACT COMPONENTS FOR GROUP 19

## What are the Custodian Standards?

These standards define excellence for custodians in DCPS. They include:

- Standard 1: Building Maintenance
- Standard 2: Classrooms and Office Spaces
- Standard 3: Common Areas and School Grounds
- Standard 4: Restrooms
- Standard 5: Moving and Arranging
- Standard 6: Safety
- Standard 7: Records and Work Orders (For Head Custodians Only)
- Standard 8: Management and Leadership (For Head Custodians Only)

## Who developed the Custodian Standards?

The standards were developed in collaboration with DCPS custodians, administrators, and central office staff.

## How will my proficiency in the Custodian Standards be assessed?

Your administrator will assess your proficiency in the Custodian Standards according to the rubric at the conclusion of this section. S/he will assess you formally two times during the year. The first assessment will occur by February 4 and the second by June 9.

As part of each assessment cycle, you will have a conference with your administrator. At this conference you will receive feedback based on the Custodian Standards rubric and discuss next steps for professional growth.

If your administrator makes at least two attempts to schedule a conference with you prior to the Cycle deadline and you are unable to meet or unresponsive, the assessment will be valid without the conference. Valid attempt methods include, but are not limited to, phone calls, text messages, emails, notes in your school inbox, and/or in-person conversations.

## How will my proficiency in the Custodian Standards be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) rating for each standard of the rubric. Your standard

scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle.

At the end of the year, your two assessment cycle scores will be averaged together to calculate an overall score of 4.0 (highest) to 1.0 (lowest) for this component of your IMPACT assessment. See the sample score chart to the right.

Please note that, if you are shared between two schools, you will receive scores at each of them. These scores will then be averaged together to determine your final score for this component.

## How will staff members who have earned Highly Effective ratings two years in a row be assessed this year?

Staff members who have earned Highly Effective ratings during both of the last two school years will receive an assessment by February 4. If the score from this assessment is 3.0 or higher, the staff member will not receive her/his second assessment, unless requested by the staff member. If the score is below 3.0, the staff member will continue on the normal assessment schedule.

Please note that staff members who are shared between two schools will receive an assessment by each of their administrators by February 4. These scores will then be averaged together to determine whether shared staff are eligible for a reduced number of assessments this year.

## If I have earned Highly Effective ratings two years in a row and qualify for reduced assessments this year, may I request to receive the full set of assessments available to staff members in my IMPACT group?

Yes. After Cycle 1 ends, the IMPACT team will notify you via email if you will be receiving reduced assessments. At that point, you may log into the IMPACT database at <http://impactdcps.dc.gov> to indicate that you would like to receive your remaining assessment(s).

### What is Commitment to the School Community?

This component measures several aspects of your work as a member of a school community: 1) your support of your school's local initiatives; 2) your support of the Special Education and English Language Learner programs at your school; and 3) your efforts to promote high academic and behavioral expectations. For teachers, this component also measures two other aspects: 4) your partnership with your students' families; and 5) your instructional collaboration with your colleagues.

### Why is this one of my IMPACT components?

This component was included because we believe that our students' success depends on the collective efforts of everyone in our schools.

### How will my Commitment to the School Community be assessed?

Your administrator will assess you two times during the year according to the rubric at the conclusion of this section. The first assessment will occur by February 4 and the second by June 15. For more information about school-specific CSC expectations, please contact your administrator.

At the end of each cycle, you can view your final Commitment to the School Community rating in the IMPACT database (<http://impactdpcs.dc.gov>). While a conference to discuss your Commitment to the School Community rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

### How will my Commitment to the School Community be scored?

For each assessment cycle, you will receive a 4 (highest) to 1 (lowest) rating for each standard of the rubric. Your standard scores will then be averaged together to form an overall score of 4.0 (highest) to 1.0 (lowest) for the assessment cycle.

**What is Core Professionalism?**

This component measures four basic tenets of professionalism: 1) having no unexcused absences; 2) having no unexcused late arrivals; 3) following the policies and procedures of your school (or program) and the school system; and 4) interacting with colleagues, students, families, and community members in a respectful manner.

**How will my Core Professionalism be assessed?**

Your administrator will assess your Core Professionalism according to the rubric at the conclusion of this section. S/he will assess you two times during the year. The first assessment will occur by February 4 and the second by June 15.

At the end of each cycle, you can view your final Core Professionalism rating in the IMPACT database (<http://impactdcps.dc.gov>). While a conference to discuss your Core Professionalism rating is not required, you are encouraged to reach out to your administrator with any questions or concerns.

**How will my Core Professionalism be scored?**

Unlike the other rubrics in IMPACT, there are only three levels for Core Professionalism: Meets Standard, Slightly Below Standard, and Significantly Below Standard.

If you consistently receive a Core Professionalism rating of Meets Standard (and you receive no ratings of Slightly Below Standard or Significantly Below Standard), your overall score for this component will be Meets Standard and you will see no change in your final IMPACT score. This is the case in the sample score chart below.

If you receive a rating of Slightly Below Standard on any part of the Core Professionalism rubric during a cycle (and you receive no ratings of Significantly Below Standard), you will receive an overall rating of Slightly Below Standard for that cycle, and ten points will be deducted from your final IMPACT score. An additional ten points will be deducted if you earn an overall rating of Slightly Below Standard again the next cycle.

If you receive a rating of Significantly Below Standard on any part of the Core Professionalism rubric during a cycle, you will receive an overall rating of Significantly Below Standard for that cycle, and twenty points will be deducted from your final IMPACT score. An additional twenty points will be deducted if you earn an overall rating of Significantly Below Standard again the next cycle.

Please note that, if you are shared between two schools, the lower of your two Core Professionalism ratings for each cycle will be used for your final IMPACT score.

For more information about the scoring process, please see the Putting It All Together section of this guidebook.

# SUPPORTING YOUR SUCCESS

## What resources are available to help me be successful?

Professional development is critical to our success as a school system. After all, the best schools are those focused on the learning of children *and* adults. This is why providing educators with outstanding support is a top district priority.

Below you will find more information about job-specific resources and learning opportunities designed to help you improve your practice.

### FOR CUSTODIANS

Head custodians attend quarterly custodial foreman meetings, which cover topics such as safety, security, food service, major cleanings, scheduling, management, and weather preparation. Trainings on the facilities management computer system (FACMAN) and other topics are also available.

In addition, building service supervisors from the Office of Public Education Facilities Management complete regular housekeeping inspections with head custodians, and the Office of School Operations supports custodians in creating and implementing action plans to address identified areas of need.

*“You have to have a good rapport with your employees. As a supervisor, it’s your responsibility to try to bring out the best in each employee, to try to find each individual’s strength and build on that. A lot of times we focus on what people can’t do. If you get them to focus on what they can do, then you motivate them. Build on their strengths and work with their weaknesses.”*

JOSEPH HUGHES, HEAD CUSTODIAN, ELIOT-HINE MS

## DCPS UNION PARTNERS

Most DCPS staff members are represented by one of four valued union partners. Should employees have questions regarding their union membership, they may contact HR Answers at 202-442-4090. Our union partners include:

- **American Federation of State, County, and Municipal Employees (AFSCME) Local 2921:** American Federation of State, County, and Municipal Employees (AFSCME) members work in public schools throughout the nation in helping children realize their full potential. They do so by providing services critical to an effective and healthy learning environment — assisting in the classroom, and providing clerical and other support to teachers, administrators, and families. AFSCME Local 2921 represents DCPS' school-based clerical staff and educational aides. For more information, please visit [www.districtcouncil20.org](http://www.districtcouncil20.org).
- **Teamsters Local 639:** The Teamsters union mission is to organize and educate workers toward a higher standard of living. # PUTTING IT ALL TOGETHER

## What does this section explain?

This section is designed to help you understand how all of the components of your assessment will come together to form an overall IMPACT score and rating. The process involves five steps.

### Step 1

We begin by identifying your overall score for each component of your assessment. Recall that, for all components other than Core Professionalism, the score will always range from 4.0 (highest) to 1.0 (lowest).

### Step 2

We then multiply each component score by its percentage from the pie chart at the beginning of this guidebook. This creates “weighted scores” for each component. The chart below provides an example.

#### SAMPLE SCORE

COMPONENT	COMPONENT SCORE	PIE CHART PERCENTAGE	WEIGHTED SCORE
Custodian Standards (CUST)	3.56	x 90	= 320.4
Commitment to the School Community (CSC)	3.50	x 10	= 35.0
<b>TOTAL</b>			<b>355</b>

### Step 3

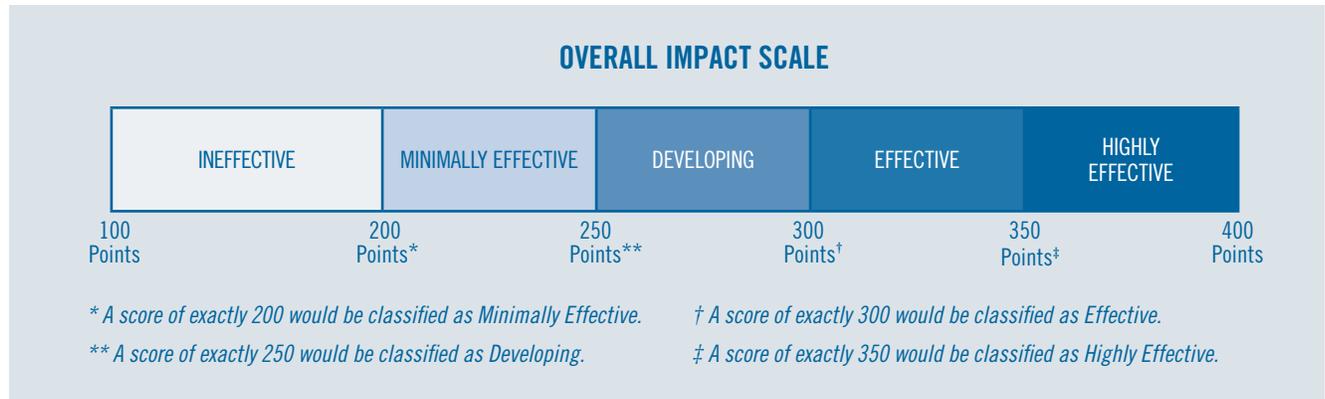

We then add the weighted scores to arrive at a total score. The total score will always be between 100 and 400.

### Step 4

We then adjust your total score based on your rating for Core Professionalism. If your rating for this component is Meets Standard for both cycles, then your total score remains unchanged. If not, then 10 points are subtracted from your total score for each cycle in which your rating is Slightly Below Standard, and 20 points are subtracted for each cycle in which your rating is Significantly Below Standard. In the example above, the individual’s rating for all cycles is Meets Standard, so no points have been subtracted.

## Step 5

Finally, we take your adjusted score and use the scale below to arrive at your final IMPACT rating.

Note: If you are not employed by DCPS for the entire year (for example, because you joined the school system partway through the year), or if, while employed by DCPS, you have an absence which causes you to miss one or more of your assessments, DCPS may at its discretion make adjustments to the IMPACT system to ensure that you receive a final IMPACT score for the year. These adjustments may include, among other things, changing deadlines,\* changing the number of assessments, and changing the type of assessment. Also, if unexpected circumstances interfere with the completion of one or more of your assessments, DCPS may nevertheless issue a final IMPACT score and consequences based on the remaining assessments. Finally, DCPS reserves the right to make any additional modifications to the IMPACT system during the school year. DCPS will provide notice of any such modifications prior to their implementation. (For the purposes above, “assessments” refers to observations, conferences, holistic reviews, data, and other means of measuring performance.)

*\*Specifically, DCPS may, at its discretion, revise 2015–2016 cycle deadline dates in order to accommodate district-wide testing schedules.*

## What do these ratings mean?

**Highly Effective:** This rating signifies outstanding performance. Members of the Council of School Officers (CSO) and the Washington Teachers' Union (WTU) who earn this rating will be eligible for additional compensation as outlined in the *IMPACTplus* section of this guidebook.

**Effective:** This rating signifies solid performance. Individuals who earn this rating will progress normally on their pay scales.

**Developing:** This rating signifies performance that is below expectations. In addition, a CSO or WTU member who earns a Developing rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If, after three years, an individual does not move beyond the Developing rating, he or she will be subject to separation.

**Minimally Effective:** This rating signifies performance that is significantly below expectations. In addition, a CSO or WTU member who earns a Minimally Effective rating will be held at his or her current salary step until he or she earns a rating of Effective or Highly Effective. If, after two years, an individual does not move beyond the Minimally Effective rating, he or she will be subject to separation.

**Ineffective:** This rating signifies unacceptable performance. Individuals who receive this rating will be subject to separation.

Note: In very rare cases, a principal may recommend that an educator be separated more expeditiously than outlined above if the educator's performance has declined significantly from the previous year or if there is little evidence that she or he is improving. For example, a principal, in consultation with her or his instructional superintendent, may recommend that an educator who has earned two consecutive Developing ratings, but who has shown no signs of growth, not be provided with a third year for improvement. In these very rare cases, a principal will need the approval of her or his instructional superintendent to submit a recommendation for early separation. A three-member panel comprised of senior leaders in DCPS will review the recommendation and issue a decision. Teachers will have the right to appeal the panel's decision through the Chancellor's Appeals Process.

### If I have a concern about my rating, what should I do?

If you ever have a concern, we encourage you to contact the IMPACT team at 202-719-6553 or [impactdcps@dc.gov](mailto:impactdcps@dc.gov).

### **If I earn a Minimally Effective rating and then a Developing rating, will I have one more year to improve?**

Yes, you will have one additional year to improve your performance to Effective or Highly Effective. However, if you receive a third consecutive rating that is below expectations (i.e., Ineffective, Minimally Effective, or Developing), you will be subject to separation.

### **If I earn a Developing rating and then a Minimally Effective rating, will I have one more year to improve?**

No. In this case, your performance will have declined from below expectations (Developing) to significantly below expectations (Minimally Effective). As a result, you will be subject to separation.

### **What can I do if I disagree with my final rating?**

If you receive a final IMPACT rating of Ineffective, Minimally Effective, or Developing and you would like to appeal your rating, you may file a formal appeal to the Chancellor. A three-member panel comprised of senior leaders in DCPS will convene to review all appeals and provide a recommendation to the Chancellor who will make a final decision. More information regarding the Chancellor's Appeals Process and final IMPACT scores will be shared with eligible employees.

Note: Employees may have other appeals options available through their union's collective bargaining agreement and are encouraged to contact their union representative for more information.

### **Can I contest a score in the middle of the year?**

No. The formal appeals process takes place after final IMPACT ratings are calculated at the end of the school year. However, during the school year, if you have additional evidence which you believe should be reviewed in determining a specific assessment score, you may submit that evidence directly to your assessor for his or her consideration.

# CONCLUDING MESSAGE

This system is called “IMPACT” because you, the adults serving in our schools, have the ability to make a dramatic, positive impact on our students’ lives. You are the most important lever of change in our school system.

Our strategic plan, *A Capital Commitment*, is an ambitious vision of what our collective impact will be by 2017, and it is our opportunity — as individual educators, as an entire school system, and as a broader community — to truly prove what’s possible.

While the goals we have set are bold, they represent what we can and must do, together, to ensure that our students receive a first-rate education that will open a world of possibilities for them.
