C.4 BACKGROUND

C.4.1 The District of Columbia Public Schools (DCPS) provides students with the opportunity to participate in a full range of organized interscholastic athletics program through the District of Columbia Interscholastic Athletic Association (DCIAA). The DCIAA is a historic organization that serves students grade 4 through 12 in all 115 DCPS schools. The vision of the DCIAA is to ensure all students have access to interscholastic sports regardless of background. This task is challenged by funding and resource shortfalls. This obstacle is not unique to DCPS/ DCIAA, as large, urban school systems across the country are forced to make tough choices about how to best serve their students with limited resources.

C.4.2 Despite budget challenges, DCPS/DCIAA athletics program is regarded as one of the best Interscholastic Associations across the nation, producing many talented student athletes who go on to compete at the collegiate and professional levels, including stars: Vernon Davis, Vontae Davis, Josh Cribbs, Emmanuel Burriss, Byron Leftwich, and Jamelle Elliott. Overall, DCPS/DCIAA has one of the most comprehensive sport programs in the country providing opportunities to organized sports for over 10,000 student athletes. DCIAA offers 22 different sports and fields over 700 teams every school year. Athletics brings our children and communities together through mental, physical, and social development of our athletes. In athletics, student athletes learn life lessons about teamwork, perseverance, and discipline.

C.4.3 The DCIAA was recently awarded by our Chancellor and Mayor money to expand. This expansion will cover new sports within the DCIAA for middle school students (archery, wrestling, and lacrosse), a division for students with disabilities, and a division for students enrolled in the Opportunity Academies. The Opportunity Academies (4 total schools) are alternative settings for students who are under credited and overaged. With this solicitation, the DCIAA is looking for a bus vendor who can cover the sports and its expansions.

C.4.4 Additionally, the DCIAA was also awarded money to cover transportation for our Elementary School students. For the DCIAA Elementary Division, the DCIAA needs contractors to provide transportation services to and from sporting events in the sports of basketball, flag football, and kickball. The second part of this solicitation is looking for a vendor to transport our elementary students to these events?

- (a) **Claims by the Contractor against the District:** Claim, as used in paragraph (a) of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant

- (1) All claims by a Contractor against the District arising under or relating to a contract shall be in writing and shall be submitted to the CO for a decision. The Contractor's claim shall contain at least the following:
 - (i) A description of the claim and the amount in dispute;
 - (ii) Data or other information in support of the claim;
 - (iii) A brief description of the Contractor's efforts to resolve the dispute prior to filing the claim; and
 - (iii) The Contractor's request for relief or other action by the CO.
- (2) The CO may meet with the Contractor in a further attempt to resolve the claim by agreement.

- (4) The CO's written decision shall do the following:
 - (i) Provide a description of the claim or dispute;
 - (ii) Refer to the pertinent contract terms;
 - (iii) State the factual areas of agreement and disagreement;
 - (iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
 - (v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
 - (vi) Indicate that the written document is the CO's final decision; and
 - (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.
- (5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2-360.04.
- (6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim. Liability under this paragraph

(a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

(7) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.

(b) **Claims by the District against the Contractor:** Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(1) The CO shall decide all claims by the District against a contractor arising under or relating to a contract.

(2) The CO shall send written notice of the claim to the contractor. The CO's written decision shall do the following:

- (i) Provide a description of the claim or dispute;
- (ii) Refer to the pertinent contract terms;
- (iii) State the factual areas of agreement and disagreement;
- (iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
- (v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
- (vi) Indicate that the written document is the CO's final decision; and
- (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.

(4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.

(5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle or determine.

- (6) This paragraph shall not authorize the CO to settle, compromise, pay, or otherwise adjust any claim involving fraud.
- (c) Decisions of the CO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.
- (d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the contract in accordance with the decision of the CO.
