DCPS School Program Provider Application: Review Schedule

School Program Providers should submit a vetting application according to the following submission and review schedule.

- Applications will be accepted on a rolling basis via the online vetting application page.
- Applications are reviewed monthly, generally on the **second Tuesday of the month**. You can find a schedule of review dates for school year 2018-2019 below.
- For an application to be reviewed on a particular review date, the application must be submitted by 5pm ET the day before the review date.
- Applicants will receive notice of approval or rejection 5-15 business days from the review date. Response time will vary based on volume of applications.
