Dual Language Programmatic and Feeder Patterns

Below are the SY17-18 dual language programmatic and feeder patterns.

SY17-18 Dual Language Programmatic and Feeder Patterns		
Elementary Grades	Middle Grades	High Schools
Oyster-Adams EC (W)	MacFarland MS or CHEC MS (W,P,G) 6th-8th	Roosevelt HS Dual Language Program (S) - Guaranteed; CHEC Selective School option, not guaranteed.
Bancroft ES (W,P)		
Bruce Monroe ES (W)		
Cleveland ES DL Program (S,P)		
Marie Reed ES DL Program (S,G)		
Powell ES DL Program (S)		
Tyler ES DL Program (S,P)		
All DCPS DL 5th Grade students <u>must</u> submit an application through the lottery to CHEC MS and/or MacFarland MS Dual Language Program to receive a "guaranteed right" of admission to these Dual Language programs for middle school. The exception of this the is Marie Reed ES DL program, which already geographically feeds into CHEC MS. Students from the Marie Reed ES DL program still must apply to MacFarland MS. Starting in SY18-19, MacFarland MS will add an English-only strand that will serve the Traditional Track students at Truesdell, Raymond, West, Barnard and Powell.	All DCPS DL 8th Grade students <u>must</u> submit an application through the lottery to Roosevelt HS DL Program to receive a "guaranteed right" of admission to this Dual Language program for high school. CHEC also offers a DL Program in grades 9-12. CHEC is a selective school; all students must apply for admission through the lottery for this school.	

Key	W = Whole school model
	S = Strand program within the school
	G = Geographic feeder
	P = Programmatic feeder
