Tuition Reimbursement Program: Guidelines and Procedures

I. Program Description:

Article XLI – Section K3 of the October 1, 2004 – September 30, 2007 Collective Bargaining Agreement between the Washington Teachers Union (WTU) and the District of Columbia Public Schools (DCPS) establishes the provision for teacher reimbursement for tuition paid to attend job-related courses at accredited universities and colleges. The provision does not apply to DCPS/employer-directed or funded coursework or training.

II. Definitions:

- Acceptable Coursework: K-12 education related graduate level courses required as part of a Master’s degree program or higher, or graduate level coursework taken in pursuit of licensure in reading, mathematics, special education, physics, chemistry or ESL.
- State-approved program: teacher or service provider licensure program that results in licensure eligibility. (Some ancillary requirements may apply, e.g. – testing).

III. Program Description and Guidelines:

- A. The effective date of this program is July 10, 2006. Only coursework commencing on or after July 10, 2006 will be eligible for reimbursement.
- B. The Superintendent’s, or his designee’s, decision to authorize tuition reimbursement will be based on the determination that:
 - the course is required for or is a necessary elective for completion of a Master’s degree or higher or as part of a relevant teacher dual certification program/process;
 - coursework is offered by an accredited university or college;
 - the teacher applying for tuition reimbursement is currently a licensed, permanent teacher that has “meets expectations” or higher on the most recent formal performance evaluation.
 - the course work or credit hours submitted for tuition reimbursement are not otherwise paid for through grants, scholarships and/or other educational awards.
- C. Requests for reimbursement are initiated by the employee.
- D. A request for WTU Tuition Reimbursement form must be completed and submitted for approval within 60 days after coursework completion.
- E. Coursework is to be taken after the employee’s tour of duty.
- F. No more than \$1800 will be reimbursed per fiscal year (October 1 – September 30) beginning July 10, 2006 and thereafter.
- G. Fees, books, supply and travel costs are not reimbursable.
- H. Incomplete reimbursement requests will not be processed.
- I. Average processing time from complete application submission to check issuance is a minimum of eight (8) weeks.

- J. Teachers who receive tuition reimbursements are required to work in the District of Columbia Public School system for a minimum of three years after receipt of a reimbursement under this contract provision. In the event an employee receives a tuition reimbursement and fails to meet the three-year commitment, s/he will be obligated to return the reimbursed amount prorated to DCPS on an annual basis; otherwise the prorated amount will be deducted from his/her final paycheck. This provision will not apply to teachers who are involuntarily separated from DCPS due to furloughs, abolishments or reductions in force (RIF).

IV. Reimbursement Request: (To receive funds, the following must be attached to the payout request):

- A. An official invoice/bill from the institution as proof of being billed for reimbursable charges (Canceled personal check; credit card receipt; or bank/loan statement, photocopied and/or downloaded copies will only be accepted with official university stamp/seal and signature)
- B. A payment receipt as proof of having paid reimbursable charges. (photocopied and/or downloaded copies will only be accepted with official university stamp/seal and signature)
- C. Evidence of coursework completion with a grade of “B” or higher as indicated on an original/official grade report or transcript (photocopied and/or downloaded copies will not be accepted)
