ENTRY PAVING ALTERNATIVES

Image: www.everlaststone.com

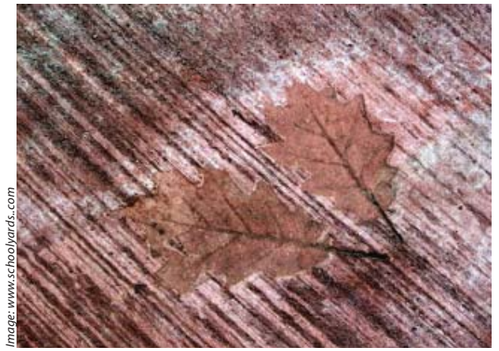

Image: www.schoolyards..com

CONCRETE WITH IMPRINTS

PROS

- Interesting learning opportunity
- Easy to maintain
- ADA accessible
- Versatile
- Durable
- Long-lasting

Image: n/a

Image: n/a

CONCRETE WITH AGGREGATE

PROS

- Can incorporate local stone
- Easy to maintain
- ADA accessible
- Versatile
- Durable
- Long-lasting

Image: Oehme, van Sweden & Associates

Image: www.pavestone.com

BRICK OR CONCRETE PAVERS

PROS

- Fits into historic context of neighborhood (Brick)
- Continuity with sidewalk material (Brick)
- Easy to maintain
- ADA accessible
- Versatile
- Durable
- Long-lasting

*Selection of Play Equipment to be by DCDGS Playground Consultant

CUSHIONED PLAY SURFACE

Image: Oehme, van Sweden & Associates

Image: Oehme, van Sweden & Associates

ENGINEERED WOOD FIBER

PROS

- Natural-look
- Non-toxic
- ADA accessible
- Versatile
- Easy to install
- Low maintenance cost

CONS

- Maintenance required (trash removal, needs to be swept back into place, holds moisture, can track into building)
- Can shift and become unlevel and difficult for wheelchairs
- Flammable
- Needs annual refurbishing to meet safety codes

Image: www.pebbleflex.com

Image: www.learningbytheyard.com

POURED-IN-PLACE RUBBER

PROS

- Seamless surface for play and sports
- Interesting colors and pattern options
- Easy to maintain
- ADA accessible
- Versatile
- Durable
- Long-lasting
- Can include painted "court" boundaries

CONS

- Synthetic material

*Selection of Play Equipment to be by DCDGS Playground Consultant

ACTIVE PLAY SURFACE

ASPHALT

PROS

- Seamless surface for play and sports
- Easy to maintain
- ADA accessible
- Versatile
- Durable
- Long-lasting
- Can include painted "court" boundaries

CONS

- Not a "soft" safety surface for play
- Maintenance required

*Selection of Play Equipment to be by DCDGS Playground Consultant

LOOSE MATERIALS

Image: Place 2 Space

Image: n/a

SAND

PROS

- Inspires imaginative play
- Natural
- Versatile
- Drains well
- Non-flammable
- Economic

CONS

- Requires maintenance
- Must replenish displaced material
- May combine with dirt over time
- Foreign objects can be harbored in sand

Image: www.play-scapes.com

Image: Space 2 Place

STONE DUST

PROS

- Natural
- Can include local stone
- ADA accessible
- Versatile
- Durable

CONS

- Requires maintenance
- Must replenish displaced material
